Kingston Tennis Club invited politicians from all sides to assemble for a game of a different kind on Saturday, April 9, in appreciation of combined funding contributions towards various upgrades at the tennis facility. Pictured Kingston Tennis Club life member, Honor Oakley, Independent Member for Nelson, Meg Webb MLC, Daniel Hulme representing Senator Catryna Bilyk, Club President Trish Jay, Tasmanian Minister for Sport and Recreation and Member for Franklin, Nic Street MP, Federal Member for Franklin, Julie Collins MP, Mayor of Kingborough, Cr Paula Wreidt, Cr Christian Street, Tennis Tasmania's Tennis Operations and Places Manager, Simonne Allwright and Kingston Tennis Club Patron, Peter Hodgman.

Tennis upgrade nets collective support

Kingston Tennis Club celebrated combined funding to progress facility upgrades, including improvements to four of its six tennis courts, on Saturday, April 9.

Club members, their families, the local community and elected representatives across the political spectrum and from all tiers of government, local, state and federal, were invited to a celebratory 'Thank you' social afternoon.

The occasion included a surprise announcement of $35,000 in funding from Kingborough Council towards the upgrades.

Mayor Paula Wreidt delivered the welcomed news.

The tennis facility, located in the Kingborough Sporting Precinct, is a Kingborough Council owned asset.

The facility was also recently successful in obtaining $220,000 in funding under the Tasmanian Government's 2021/22 Improving the Playing Field grants program.

A financial contribution toward the upgrade was also received from Tennis Tasmania.

The upgrades, which will also include access improvements and new fencing, are expected to cost around $261,500.

The day was a vote of thanks for local elected representatives, who were invited to pick up their rackets for a hit of tennis.

Club President Trish Jay said the various contributions will be a major boost for the future of the club.

"The upgrade to facilities and accessibility upgrades will future proof and enable access for various communities including the installation of two Australian Open surface courts (plexi-cushion) which enables wheelchair tennis to also be enjoyed," noted Trish Jay.

"There will be further upgrades surrounding the courts, including new fencing and the installation of a digital online booking platform to enable further participation and facility development as the Kingborough and surrounding regions grow."

Trish Jay said the club is sponsored by local business PowerCom Solar and is managed by "a team of enthusiastic and hardworking volunteers who have been endeavouring to secure funding for the court upgrades over some three years".

Political attendees included Cr Paula Wreidt, Cr Christian Street, Cr Sue Bastone, Cr Amanda Midgley, Tasmanian Minister for Sport and Recreation and Member for Franklin, Nic Street MP, Independent Member for Nelson, Meg Webb MLC, Members for Franklin, David O'Byrne MP and Jacquie Petrusma MP, Daniel Hulme representing Federal Senator Catryna Bilyk and Federal Member for Franklin, Julie Collins MP.

Tennis Tasmania's Tennis Operations and Places Manager, Simonne Allwright, was also in attendance.

In a speech to the gathering, Kingston Tennis Club patron Peter Hodgman said the money was a good long-term investment.

"When you allocate money to tennis it has a flow-on effect of longevity," said Peter Hodgman.

Council's draft budget for input

A draft 2022/23 Budget has been released by Kingborough Council.

In a media release on April 13, Mayor of Kingborough, Cr Paula Wreidt, said the budget is open for public input until May 16 and will be finalised in June.

"Before Council finalises the 2022/23 Budget in June, we release a draft for community input to help us refine it," Cr Wriedt said.

"During 2022-23 we will be starting some significant projects that will help connect residents to better services, upgrade infrastructure and advance community safety in our community.

"Some of the key Capital projects ear marked in this draft budget include:

- Over $1 million in stormwater upgrades to Illawong Crescent/ Hinsby Road and Garnett Street in Blackmans Bay;
- Over $7 million in roads upgrades including Blowhole Road Blackmans Bay and Gemalla Road Margate;
- Over $2 million in track, reserves and playgrounds upgrades, including Twin Ovals to Spring Farm Connector Track and Spring Farm Track to Whitewater Creek; and
- $180,000 for a local area traffic management study and precinct upgrade for Beach Road.

Mel Cooper and David Taylor from the Kingston Beach RSL Sub Branch are looking forward to the ANZAC Day service and march returning to Kingston Beach on Monday, April 25.

ANZAC Day services 2022

ANZAC Day services and marches are to be celebrated across Kingborough on Monday, April 25.

Kingston Beach dawn service and march

The Kingston Beach ANZAC Day march will return this year, after a two-year hiatus due to the coronavirus outbreak.

The dawn service will begin at 6.30am on the Osbourne Esplanade in Kingston Beach.

Members of the public participating in the march are invited to assemble, when announced by the MC, on the boat ramp, off the roadway at the end of Beach Road.

Anyone wearing medals awarded to relatives should ensure the medals are worn on their right breast.

The Kingston Beach RSL Sub Branch, the organiser of the event, is a registered local charity.

"We encourage members of the public to support our principal fundraising effort by purchasing ANZAC memorabilia from our sellers at local shopping centres in the days before ANZAC Day," said Kingston Beach RSL Sub Branch Secretary, David Taylor.

"The money we collect only goes to supporting veterans and their families and our other charitable purposes."

Breakfast will be available after the service at the Kingston Beach RSL Club, 39 Beach Road in Kingston Beach.

Members of the public who wish to lay a wreath can contact David on 6229 5817 or email kbrslsubbranch@bigpond.com

Woodbridge dawn service

The Channel Sub Branch RSL will hold an ANZAC Day dawn service, commencing at 6am at the Cenotaph at Woodbridge School.

The dawn service is a strongly ingrained tradition within the local community as the Channel Sub Branch RSL has conducted the service since 1946.

During that time the Woodbridge School has become an important contributor to the staging of the commemorative event.

The singing will again be led by the Tasmanian Song Company choir.

Woodbridge School staff and students have become major participants in the ANZAC Day service and the running of the breakfast which normally follows the ceremony.

Due to the continuing coronavirus pandemic, the breakfast will not take place this year.

Instead, activities usually associated with the breakfast, including the Channel Sub Branch RSL annual library book donations and student presentations, have been incorporated into the service.

The public is warmly invited to come along and join in the commemorative event.

Remember to bring a torch.

Anyone who would like to lay a wreath during the ceremony is asked to call 0432 202 790.

Taroona dawn service and march

The Taroona Anzac Day dawn service will take place at 6am at the Cenotaph outside the Taroona Community Hall, Batchelor Way.

Those participating in the march are asked to assemble at Taroona Bowls Club at 5.30am.

Taroona Ex-Services Club are again organising the ceremony this year.

Veterans will be joined by pipers, Scouts, Taroona Primary and Taroona High School students.

"Two jeeps from the Second Word War will join the march," said Taroona Ex-Services Club's Secretary, Chris Harris.

"One of the jeeps will lead the march and the other will be tail-end Charlie."

The Last Post will be played.

Kingborough Apex and Taroona Ex-Services Club are providing a free hot breakfast afterwards.

For further details, contact Chris Harris on 0410 754 932.

Bruny Island dawn service

A dawn service will be held at 6am at the Alonnah War Memorial on Bruny Island.

The Alonnah War Memorial is located at the Bruny Island Community Centre, 14 School Road, Alonnah.

Protest laws raise questions and voices

The *Kingborough Chronicle* (April 5 edition) reported on the Tasmanian Government's proposed changes to protest laws.

Resources Minister Guy Barnett proposed that Courts double penalties for various offences, including imprisonment in certain circumstances.

The *Kingborough Chronicle* asked various elected representatives if Minister Barnett's proposed laws address the actual cause of the problem, or a symptom?

Member for Franklin, Greens Safe Climate spokesperson, Dr Rosalie Woodruff said the biodiversity and climate crises are urgent.

"Minister Barnett's proposed laws are a dog whistle to signal to some of the Liberals' voting base," said Dr Woodruff MP.

"It's a crude attempt to deflect from the true issue, which is of course a climate and biodiversity crisis.

"You can't arrest yourself out of a climate crisis.

"Mr Barnett needs to face that fact, and act responsibly.

"Any increase in protests is the direct result of aggressive and outdated, dig it up and knock it down policies from an unimaginative government."

Dr Woodruff said the Tasmanian Government was "pandering" to foreign mining interests and accepting a loss-making forestry industry.

"We have a reached a point in time where action to move on the climate and biodiversity crises is becoming more urgent," said Dr Woodruff MP.

"This is felt keenly by young people and they are standing up to be counted in larger numbers.

"Our leaders need to listen to them.

"It's abundantly clear the old network in Tasmania is failing young people on every measure.

"If Mr Barnett can't adjust his outlook to be more future focussed, it's time he moved aside and encouraged younger people to move into politics."

Shadow Workplace Relations Minister, Sarah Lovell MP responded to the *Kingborough Chronicle's* questions with the following statement on Thursday, April 14.

"So far Minister Barnett has been more interested in the politics of this issue than actually protecting the safety of workers," said Ms Lovell.

"So, while we welcome Minister Barnett's decision to walk away from standalone draconian legislation, we await the final Bill."

Minister for Resources, Guy Barnett said the Bill aims to protect the safety of protesters, workers and Tasmanian Police.

Our *Police Offences Amendment* (Workplace Protection) Bill 2022 creates no new offences and in no way restricts the right to protest lawfully.

"The intent of the Bill is to protect Tasmanian workers and businesses from dangerous and threatening workplace invasions which impede their right to work.

"The Tasmanian Liberal Government strongly supports and encourages every Tasmanian's right to free speech and protest.

"We are continuing to lead the nation in our response to climate change with ambitious commitments outlined in the *Climate Change (State Action) Amendment Bill 2021* being introduced into the House of Assembly."

Many in the community were shocked by the sudden removal of the trees adjacent to the Huon Highway in Kingston on Thursday, April 7, to make way for the new roundabout and road connecting Goshawk Way.

Progress on the Kingston Park continued, with concrete being poured for the bike and walking tracks on Friday, April 8.

Lowering the speed limit in Woodbridge Village

A petition has been created proposing a reduction of the speed limit in the village of Woodbridge, following a community meeting on Tuesday, April 5.

Woodbridge Community Association (WCA) will be progressing the community's views to both the Department of State Growth and Kingborough Council, to improve road safety.

The April 5 meeting minutes recorded 41 people in attendance, including Cr Sue Bastone, Cr Amanda Midgley and Member for Franklin, Dean Winter MP.

Local resident Karen Montague said the meeting, in Woodbridge Village Hall, was attended by around 10 per cent of Woodbridge residents.

"(There was) unanimous support from the floor for a reduction in speed limit through Woodbridge Village," noted Ms Montague.

The meeting decided that a petition would be presented to the community and to the Department of State Growth to reduce the speed limit on the Channel Highway through Woodbridge Village to 40 kilometres per hour.

The meeting minutes note the Department of State Growth has advised, "There is no precedent to have a speed limit of 40kmph on a 'highway'".

Also, it was decided that a petition would be presented to the community and to Kingborough Council to reduce speed limit to 60 kilometres per hour on Woodbridge Hill Road to the edge of the Village.

The minutes of the meeting record, "Woodbridge Community Association now has a mandate from the Woodbridge Village Community to push for a 40 kmph zone in the Woodbridge Village centre" and "Woodbridge Community Association now has a mandate from the Woodbridge Village Community to push for a 60 kmph zone to be extended to the edge of the Woodbridge Village (Peppermint Ridge Eco Retreat)".

Copies of the petition are available for signing at the Woodbridge Village General Store and Woodbridge Post Office.

Kingborough Council weighing up input

Continued from front page

"Generally, the cost of doing business increases for everyone, including Council every year so that is something we need to consider when putting together our annual budgets.

"Council must weigh up what it needs to deliver by law with the increasing demands for services required by the community.

"This year, the costs that impact the running of Council, identified through the Council Cost Index (CCI), have increased to 4.06 per cent compared to 0.95 per cent last year.

"Hobart's Consumer Price Index has also increased, with the latest figures (December 2021 quarter) identified as 4.5 per cent which is the third highest in the country.

"Despite the high CCI, Council understands that the cost of living has gone up for everyone, so it is with this in mind that we have based the draft on a 2.8 per cent general rate increase, which is in line with our Long-Term Financial Plan."

Council will consider public feedback, with a final decision made on the Budget in June 2022.

For further details, select the front page link on Council's website.

Input is welcomed until May 16 and can be emailed to kc@kingborough.tas.gov.au or posted to Kingborough Council, 15 Channel Highway, Kingston, 7050.

MEET THE CANDIDATES

Tasmanian Legislative Council – Division of Huon by-election, May 7

Introducing the candidates for the Division of Huon in the Tasmanian Legislative Council by-election, to be held on May 7. Included is a summary on why each candidate is running for the Upper House and what they hope to achieve for local people and Tasmania.

GIDEON **CORDOVER**

Candidate for the Tasmanian Greens

I love living in Huon.

I know we can achieve better housing, health, transport and climate action outcomes.

Yet the failing major parties continue accepting dark money from corporate donors, putting profits before people.

In the Legislative Council, the Greens will reform political donations laws to clean up politics.

Sadly, both major parties are pushing for draconian anti-protest laws.

Just like the major parties betrayed us on pokies reform, they are now going after our right to peacefully protest.

If we aren't allowed to protest our government's decisions, then we aren't truly free.

Whoever represents Huon will be casting a critical vote on this issue.

I pledge to protect us from anti-democratic legislation.

I will continue Dr Bastian Seidel's positive legacy by putting the spotlight on healthcare in Huon.

We are advocating for an Urgent Care Centre for the state's south and a staffed ambulance station for the Channel.

It is shocking that we are still forced to wait weeks to secure a GP appointment in Huon more than two years into a global pandemic.

Primary prevention and access to GP services should have been fixed by now.

We deserve better and Greens in the upper house will fight to deliver urgent health investment.

The Greens believe housing is a human right.

A massive public investment in energy-efficient, new social housing is necessary along with stronger renters' rights to protect tenants.

We will encourage hundreds of new jobs for Huon in climate action like solar on rooftops and EV infrastructure.

ALDO **ANTOLLI**

Candidate for the Australian Liberal Party

Huon deserves to be heard.

If elected as your Legislative Council member, I can do just that as part of the Rockliff Liberal Government.

Married with two teenage daughters, I have a background in small business and financial services.

I currently lead a local not-for-profit, housing homeless teens and treating those with alcohol and drug addictions.

I have a passion for helping people achieve their best and want to see our community thrive.

Now, more than ever, we need the stability and opportunity provided by the Tasmanian State Liberal team.

Our economy is one of the strongest in the country, with more Tasmanians in work than ever before and our unemployment rate at a near record low.

In Huon, our traditional industries such as agriculture, forestry and aquaculture are performing strongly with tourism and the new economy playing an increasing role.

This means opportunity for our community and jobs for our kids.

Getting the basics right means that we can invest in the essential services that Tasmanians deserve, which is why the Tasmanian Liberal team is investing record funding in health, education and housing, more than any other Government in Tasmania's history.

What's more, there is a suite of other commitments already rolling out across Huon.

And all of this while keeping Tasmania one of the safest places in the world during the pandemic.

If elected, my commitment is that I will put the people of Huon first, focusing on service not self-interest.

PAT **CAPLICE**

Candidate for The Local Party

Tassie politics is a mess.

Labor is torn apart by factions and faceless men.

This Huon by-election, just two years after Bastian Seidel was voted in, is caused by Labor's "toxic" nature.

The Liberals take full advantage of Tasmania having Australia's worst political donations laws.

Without knowing who controls their purse strings it's not possible to know why decisions are made, and for whose benefit.

I will fight for transparency in decision making and donations.

The Local Party nurtures the independence of its elected members.

There are no factions or vested interests.

Our elected members must answer to their community for each and every decision.

Our candidates must live in the community they represent and must place the benefit of their community above all.

I've lived in the Channel for twenty years.

Raising my family in the best part of Tasmania.

Anna Chilcott, my wife, has been a GP at Snug for twenty years, including six years on Bruny.

Our children have gone through Margate primary, the littlest now in grade three.

I grew up in Hydro villages and then Glenorchy.

My working life has been long and varied.

From labouring and cooking through to owning businesses, small and large.

A takeaway shop, a production management company, a statewide IT company.

I even played cards for a very interesting decade.

These lived experiences, and one more thing, make me suited to represent my community.

Eight years ago, our family home was lost to fire.

It was traumatic but also educational.

My family was in trouble and support was immediate from every corner of the Channel.

The fire taught me what community is about; help when you can and accept help when needed.

That fire prompted me to become an anti-pokies activist.

I saw people all over Tasmania being hurt by these machines.

I had knowledge and decided to use it to help.

Pokies taught me that Tassie politics hasn't been helping the community, it's been servicing donors and factional warlords.

I would review each and every piece of legislation on its merits and for community benefit.

Federal Member for Clark, Andrew Wilkie MP, has endorsed The Local Party.

PRE-POLLING

Open 8:30am-5:30pm weekdays commencing Monday, Paril 11, 2022.

Please note, all centres will be closed from Friday 15 to Tuesday 19 April for Easter and on Monday 25 April for the Anzac Day public holiday.

All Tasmanian pre-poll centres will stay open until 6pm on Friday 6 May.

Huntingfield

Kingborough Family Church, 11 Glory Place

DEAN **HARRISS**

Indepdendent candidate

An independent Upper House is vital.

The recent turmoil in both major political parties has convinced me more than ever the Legislative Council needs independent members.

Dr Seidel's resignation, less than two years into his term citing a toxic Labor environment, shone a light on Labor's internal problems.

And the government is not without its own internal problems.

We live in one of the best places in the world and deserve to be represented by someone that will stand up and provide a strong voice in parliament.

This cannot be achieved when political parties tell their members how to vote and when to speak.

The people of Huon deserve better, and as a father of four, I'm committed to achieving the best possible outcomes for our community with education, health and local job creation being a priority.

Successive governments have ignored the fact that the Huon electorate makes a significant contribution to the state's economy through agriculture, forestry, viticulture, aquaculture and tourism and I want to heighten that awareness so we get a fair share of funding to the region.

The region's lifestyle and proximity to the city can help address housing shortages provided crippling planning-law red tape is addressed.

In addition to being a strong advocate for our region, the member for Huon is tasked with reviewing new laws presented by the government.

Sadly, if the member is part of the government, the laws will simply be 'waved through' the Legislative Council.

Whereas, if the member is part of the main opposition party (currently Labor), the laws will often be rejected just because of competing political views.

Such a process lacks objectivity and is rarely representative of local community sentiment.

TOBY **THORPE**

Candidate for the Australian Labor Party

Toby Thorpe is a former Tasmanian Young Australian of the Year and youth advocate.

The Huon region needs a robust voice in the Upper House, a voice that will stand up for the region and fight for the fundamental government services that have been missing for far too long.

For too long locals in this area have been missing out on access to basic services that they should be able to access, like receiving medical help when you are sick, getting the best education possible and having access to a roof over your head.

Too many Tasmanians and indeed too many locals in the Huon electorate are slipping through the cracks.

This is not ok and an important reason to why I am running for Huon.

I am a generational local to this electorate, growing up in Crabtree and Huonville, spending a lot of time camping with family at Cockle Creek and on Bruny Island, and having endless adventures across Blackmans Bay and Margate.

I have worked at the local pharmacy, I have been a farm hand, delivered the mail and attended the local high school.

I am a patient at the local doctor's surgery and been a passenger on the public transport network.

I know what it is like to live right here in this community and face the lasting challenges of simply accessing essential services, unemployment, and the opportunity to further education.

I am young, and I want to bring a new perspective and energy to the Tasmanian Parliament and stand up for my community.

I am not the average political candidate nor a career professional.

However, I have lived, worked, and made some of the most amazing memories here so I am well aware of what is required to continue to make this community one that is vibrant, fair and inclusive.

Labor Leader Rebecca White said, "Toby has the drive, passion and energy to make a real difference".

Kingston High wins science and engineering challenge

For the second year running, Kingston High School gained entry to the state Science and Engineering Challenge, after placing first in the Southern Tasmanian challenge on Friday, April 1.

The Southern Tasmanian challenge days were held at the University of Tasmania.

High schools can enter up to 32, Year 9 and 10 students in the challenge.

Each school competes in the activities, with points awarded based on performance.

The school with the highest points qualifies for the state competition.

Kingston High School has achieved the most points out of all schools in the competition this year.

Kingston High was represented by 29 students and competed against six other schools on April.

Another six schools had competed the previous day, with the winner of that round also qualifying for the state competition.

The 2022 challenge activities included:

- Turbine, in which students built an efficient water turbine;
- Stringways, in which students linked town points on a map, using the minimum amount of string;
- Return to Mars, each group created a buggy with basic suspension to navigate a bumpy terrain;
- Helter Skelter Shelter, students built two towers out of common materials, and tested them for strength;
- Grasping at Straws, groups designed and operated a simple bionic hand;
- ElectraCITY, students worked out efficient and cost-effective ways to connect a city to power;
- Confounding Communications, groups designed a coding system to send messages; and
- The Bridge Challenge.

The Bridge, an all-day event, was the big prize winner.

Students were required to create a light, yet strong, bridge to carry a weighted trolley across a gap spanning 70 centimetres in length and 8cm in width.

Kingston High School were the winners of the bridge challenge this year, with Olivia, Zoe and Hannah creating a 98-gram bridge that held 5 kilograms in weight, breaking at 10kg.

St Aloysius Catholic College came in a very close second, with their 99g bridge also holding 5kg.

The day was enjoyed immensely by all, as students explored the activities and worked together to have fun and create a winning result.

The Science and Engineering Challenge is organised by the University of Newcastle and is held annually throughout Australia.

The challenge was founded to give students an insight into career opportunities in the areas of science, technology, engineering and maths.

Science and engineering challenge activities for 2022 included Turbine, Stringways, Return to Mars, Helter Skelter Shelter, Grasping at Straws, ElectraCITY, Confounding Communications and The Bridge Challenge. (PS)

An early-childhood transition to school

A new program that transitions young children into school is being offered in Kingborough.

The early-childhood program caters for children due to start Kindergarten in 2023.

The Play2Learn+ program is offered by Save the Children Australia, with funding provided by the Paul Ramsay Foundation and the Department of Social Services.

The Play2Learn+ program is currently looking to support families who will be attending Kindergarten at Kingston, Blackmans Bay, Illawarra, Margate or Snug Primary Schools.

To be eligible, the child must have turned three years old by January 1 this year and they must have a parent who holds a Concession Card.

Participation in this free program is voluntary.

Specialised childhood educators and parent coaches work with children and families to help embrace pre-school learning and prepare into the school environment.

Play2Learn+ supports children and families through in-home visiting, supported playgroups and attendance at Launching into Learning.

If the enrolment in Play2Learn+ is successful, families will also receive a $100 Woolworths voucher.

For further information call Team Leader Ashley Saw on 0499 443 525.

Thrilling finish to women's historic cricket match in Woodbridge

An exhibition T20 cricket match took place at the Woodbridge Recreation Ground on Sunday, April 3, as part of *Woodbridge Life 2022* celebrations.

Hosted by the Woodbridge Cricket Club and Cricket Tasmania, the match was a reminder of the district's historic link in the development of women's cricket.

The teams were named Lily Poulett-Harris XI and Emmie Denne XI, after the captains of the first competitive women's cricket played in the Channel.

The first game, played in 1894, was between the Oyster Cove Ladies' and North Bruny Ladies' cricket teams.

In 1894 the Oyster Cove team won.

This time around, however, history did not repeat itself.

The match began with a coin toss, involving the team captains, Brooke Hepburn and Steph Daffara, as well as two cast members from the local play *Lily.*

Many locals and cricket supporters from Hobart and the Channel cheered the teams on.

The players responded by entertaining the crowd with great bowling and batting.

In a thrilling finish, North Bruny won the match on the last ball of the last over, by scoring a four.

At about the same time news came through that the Tassie Tigers were national champions and had won the Ruth Preddy Trophy.

This was indeed a fitting celebration of the development of women's cricket in Tasmania.

Lily is the next event in the *Woodbridge Life 2022* program and will be on stage, at the end of April, in the School Hall.

Kingston Blues stars make State Team

Kingborough Netball Association (KNA) has congratulated Brielle Gordon and Hannah Brereton on making the Tasmanian State 19U Netball Team and Yvette Ambrose on making the Tasmanian State 17U Netball Team in 2022.

These three young women have represented KNA over the years in state-wide junior carnivals and identified by Netball Tasmania for potential for further development.

KNA President Rachael Goetzke presented Brielle, Hannah and Yvette with a voucher from KNA to assist with costs towards participating in the State Teams.

"It has been been rewarding to watch their netball journey so far," said Angela Cassidy from KNA.

"KNA is excited to be able to watch these talented athletes at the National Netball Championships being held in Hobart from April 18 to 24."

The National Netball Championships will host 19U and 17U teams from all states and territories and is a key tournament for Netball Australia pathway.

"KNA wishes Brielle, Hannah, Yvette and their team mates all the best and hope it is a wonderful experience for you all," said KNA President, Rachael Goetzke.

Brielle currently plays club netball for First National Kingston Blues in the Netball Tasmania, RACTI Tasmanian netball roster for Opens.

Hannah and Yvette play club netball for First National Kingston Blues in the Netball Tasmania, RACTI Tasmanian netball roster U19s.

Yvette Ambrose has been selected for the Tasmanian State 17U Netball Team in 2022. (PS)

Leap into positive health

As we age, regular exercise becomes an increasingly important part of maintaining an active, healthy lifestyle, enabling us to participate in activities we enjoy.

The health benefits are mental and physical.

Benefits can include positive improvements in capacity and management of any acute and chronic health conditions, such as osteoarthritis or osteoporosis.

Exercise can also assist in prevention of falls.

It is recommended adults over 65 be physically active for 30-minutes each day, even if that means vacuuming or making a cup of tea.

Additionally, 150-minutes of moderately active exercise is recommended at least two-days-per-week.

Examples of moderately active exercise include riding a bike, dancing or a brisk walk, working on strength, balance and flexibility.

Health professionals, such as exercise physiologists, dieticians, physiotherapists and podiatrists, play a guiding role for each individual.

Leap Health has undergone a significant upgrade to facilitate the best expertise and care for older adults.

Participants can either continue to exercise on their own or stay connected to others with similar health issues, interests or hobbies.

Combined with an expanded practice at its Huonville clinic, Leap Health has enhanced its capacity to support positive ageing, to help locals achieve their maximum health potential and enjoy the things they love.

Contact Leap Health in Kingston, on 6229 3005, or in Huonville, on 6286 0277, to find out more.

Alternatively, visit www.leaphealth.com.au

Health professionals at Leap Health clinics in Kingston and Huonville play a guiding role, assisting older adults to maintain an active, healthy lifestyle. Leap Health has significantly upgraded its facilities to provide the best expertise and care for older adults to maintain an active, healthy lifestyle. (PS)

Professional health providers will speak during the 12-week, Kingborough Council program Live Well, Live Long. The free program begins on May 6 at West Winds Community Centre and promotes a holistic approach to health and wellness for older people. (PS)

Live Well, Live Long

Live Well, Live Long is a free Kingborough Council program that promotes a holistic approach to the health and wellness for older people.

Kingborough Mayor, Paula Wriedt said the program is scheduled to run over 12 weeks, with a range of awareness sessions run by skilled local service providers and health professionals.

"The program focuses on the positive changes that can be made in your life as you age," Cr Wriedt said.

"Topics range from managing finances, using I.T. effectively in your home, preventing and living with dementia, maintaining a stroke safe lifestyle to learning how to eat well.

"I've had many people write and tell me that the program is very engaging, relevant and that they had made many lasting friendships and connections.

"The sessions include morning tea and of course time for Q&A and a chat."

The program will be held at West Winds Community Centre, Woodbridge, through a partnership with the Tasmanian Health Service and Kingborough Council.

"If transport is a problem, please still get in touch with our Community Development team and we will try and assist any interested participants," Cr Wriedt said.

The program is open to seniors throughout Kingborough and will run Friday mornings from 10am to 12pm.

Beginning May 6 and ending July 22.

Please note, unfortunately the program is not open to previous participants.

The program is capped at 30 participants, and registration will be on a first-in first-served basis.

To register your interest, contact Clare via email cscallon@kingborough.tas.gov.au or phone 6211 8200, by Wednesday 27 April.

Christian Homes Tasmania is transforming to CHT

New signs have recently appeared around Christian Homes Tasmania's offices, independent living units, aged care and retirement villages.

Bright and colourful, these signs are part of the transition to a new business structure, logo and name, CHT.

CEO, Glenn Hardwick said it was time for a fresher, brighter, friendlier approach which was easy to recognise.

"We wanted to honour the origins of our organisation with the new logo, but we also wanted to show the strong basic elements of care and support that we deliver," said Mr Hardwick.

"We wanted to communicate the support that we strive to deliver every day.

"We have a wide range of options, as everyone has their own individual circumstances and needs.

"CHT has some developments underway.

"Snug Village is expanding, and the old Community Centre site within Redwood Village going through detailed planning and modelling to ascertain future community needs.

"Demand for quality, personalised services is only going to increase and we need to be responsive and proactive", commented Mr Hardwick.

"We're committed to investing in the community for the benefit of our community."

Leanne Nugent, Executive Manager Community Services, agrees.

"Our staff are part of the community; locals who know the area," said Ms Nugent.

"That is a big advantage when you're providing support in a client's home.

"Having a local office is important, people know that they can call or drop in anytime."

Nugent is also proud of the fact that each client has an experienced Registered Nurse as their case manager.

"Regardless of their package level, each client can receive guidance and support for their healthcare needs," said Ms Nugent.

"CHT provides tailored choices, whatever their 'style of life'.

"Our clients deserve to be able to relax and enjoy their life their way.

"We strive to focus on the person, not the process."

A commitment to care

Uniting AgeWell is investing $55.4 million to expand and upgrade three of its residential aged care facilities, ensuring a continuum of care for older people across Greater Hobart.

This significant investment will meet an increasing demand by older members of the community to live close to their roots, as well as boosting the local economy by creating more jobs.

The developments will see the not-for-profit organisation's Mornington Community, Lillian Martin, undergo a $25 million expansion and upgrade; its Sorell Community, Ningana, undergo a $19.3 million expansion; while its Rosetta Community, Strathaven, will undergo a $21.1 million development, with 52 additional ensuite bedrooms, all with views of Mona and the Derwent River.

Construction work at all three locations is expected to begin mid to late 2022.

Uniting AgeWell also offers a range of services for the changing needs of older people.

From independent retirement living options, to specialist residential aged care at its eight facilities for those needing round-the-clock support, and home care and community services.

Government-funded home care packages are provided through Uniting AgeWell.

Local AgeWell Centres also offer social connections programs.

To find out how Uniting AgeWell can support you to live well, with choice and peace of mind, call 1300 783 435 or visit unitingagewell.org

Celebrating 47 years at OneCare, Bishop Davies Court

Despite coronavirus imposed lockdowns in Tasmania, residents at Bishop Davies Court have been spoilt for choice when it comes to fun and engaging leisure and lifestyle activities, socialising and actively participating in special events.

This is thanks to the support of OneCare's dedicated Leisure and Lifestyle team.

Leisure and Lifestyle Coordinator, Hanneke Klap, recently celebrated 47 years of service at Bishop Davies Court.

Chief Executive, Peter Williams, said Hanneke is a shining star in the organisation and a dedicated member the OneCare team.

"Her role has encompassed the coordination and implementation of activities for residents at our Kingston facility," Mr Williams said.

"Whether it was hosting Valentine's Day or St Patricks day events, visiting musical performances or art classes and exhibitions, these activities helped stimulate residents and contributed positively to their overall wellbeing.

"While we had to reimagine how leisure and lifestyle activities could be facilitated during COVID, I've been proud of the team for their one-on-one efforts to keep residents active and engaged at times when they perhaps couldn't have visitors or socialise as much as they would have liked.

"Hanneke's smile, energy and presence is welcomed, appreciated and loved by all residents."

Ms Klap, who holds a Diploma in Leisure and Lifestyle and Remedial Massage, said OneCare is widely known in the local community for creating an extensive leisure and lifestyle program, which is something the team is proud of.

"I love my work and I stay because I love the residents," Ms Klap said.

"Even after 47 years I remain dedicated to giving residents all that I can and helping in any way to enhance their lives.

"Leisure and lifestyle in a residential aged care home is such an important part of the care we provide and is one of the greatest drawcards at Bishop Davies Court."

Bishop Davies Court is a relaxing retreat, set in beautiful tranquil grounds in leafy Kingston.

Residents enjoy quality care in calm, accessible and spacious surrounds designed for everybody.

Centrally located, Bishop Davies court is a modern building which is easily accessible for family and friends.

Bishop Davies Court has single rooms with ensuite bathrooms and built-in wardrobes.

Residents are encouraged to bring photos and personal things to help really make the room a true reflection of themselves.

Every room has a different outlook and spacious feel.

Residents may prefer a courtyard or garden outlook, or perhaps a view towards Mount Wellington.

For further information, call 1300 555 409 or visit onecare.org.au

Tigers SFLW 2022 leadership group

The Kingborough Tigers are excited to announce their leadership group for the 2022 Southern Football League Women (SFLW) season, led by their new captain Hailee Baldwin and vice-captain Georgie Bailey.

"We are incredibly proud of Hailee becoming our first female captain that has come through the Kingborough Tigers Junior Football Club program," said coach Chris Jackson.

"She is our reigning Edna Pennicott Medallist (2021) and runner up (2020), a former captain of the Devils in the NAB league and a captain of several junior Tigers teams.

"At only 20 years old, this is already her third year in the leadership group and we can say that the future looks bright with 'Hurdles' leading from the front."

Georgie Bailey has been appointed vice-captain in her first year at the Tigers after arriving from Lindisfarne in Division 2.

"Bringing a cool head and down to earth persona, Georgie has won many fans at the club in a very short period of time and will provide great stability to our team, both on and off the field," commented Chris Jackson.

"Our supporting cast includes faces new and old including Brooke 'Cheffy' Phillips, returning to the group as a hard-working ray of sunshine who lives and breathes a team-first mentality, and is always there for her Tiger teammates.

"Bec Norquay is another import who has quickly made an impression on our girls and balances her welcoming and engaging nature with a loud, and often self-depreciating sense of humour.

"Maci Lancaster joins us after winning our Future Leader award in 2021.

"Mature beyond her years, Maci leads by example with her efforts on field and ability and willingness to communicate.

"Finally, our outgoing captain Mikayla Absolom.

"Abs is a true Tiger, bleeding yellow and black like no other.

"She has always led with passion and by example both on and off the field, over years with minimal on-field success.

"We celebrate the way she has conducted herself as captain of the side for the previous three years and thank her for her infallible service during this time.

"The club is stronger for her being here and are thankful she has chosen to remain as part of our leadership group, as we can think of no better person to share their experience."

Kingborough Tigers leadership group for the 2022 SFLW season includes Brooke Phillips, Bec Norquay, Hailee Balwin (Captain), Mikayla Absolom and Georgie Bailey (Vice Captain). Inset Maci Lancaster. (PS)

Let the winter games begin

The off-season is on.

Winter competitions began at the Kingborough Bowls and Community Club last week, in the comfort of the Donald Hazell Indoor Centre.

The indoor facility will be busy during the Pennant off-season, with the Monday afternoon Random Draw competition, the Tuesday afternoon fours competition, the popular Wednesday evening Fours Competition, and the Thursday and Saturday afternoon Random Draw competitions.

Schools and community groups are also utilizing the venue on a regular bases.

Fours Competition, Tuesday, April 12

The first series of the Tuesday afternoon Fours Competition for 2022 commenced on Tuesday, April 12, with eighteen teams registered.

With only eight rinks available, two teams were allocated a bye.

This arrangement will continue weekly until Series 1 ends in early August.

The sixteen teams competing on April 12 produced a range of winning margins.

Among the winners were new teams, with first-time winter-series participants.

The Team of the Week, with the biggest margin, went to the Rosny-based Team Newbold who won by 24-shots.

Others on the leader board are Harra's Harem (+16), Rosevear (+8), Hemmings (+7), Baker/Thompson (+6), Hinkley (+5), Dannock (+2) and Duggan (+1).

The Baker/Thompson team achieved an "eight".

For the uninitiated, this is the holy grail of bowls; when all eight bowls bowled by a team on one end played can be counted in the team's final score.

In final results on Tuesday, Hemmings defeated Mus (17-10), Newbold defeated Pearce (35-11), Dannock defeated Hickey (15-13), Harra's Harem defeated Lee (27-11), Duggan defeated Willett (17-16), Rosevear defeated Schooling (18-10), Hinkley defeated Chaffey (16-11) and Baker/Thompson defeated Cawthorn (19-13).

Barefoot bowls competition, Wednesday, April 13

A Champion of Champions clash was held for barefoot bowlers in the Donald Hazell Indoor Centre on Wednesday, April 13.

Involving 14 teams from around southern Tasmania, the barefoot action began at 6pm, with each team playing four games of six ends.

Kingborough was represented by two teams.

First place went to the Howrah.

Second place went to the Tigers of Kingborough, skipped by Brad Duggan, with Louise Wallace, Chris Whybrow and Peter Ashlin.

The Kingborough Fillies came last, unfortunately.

A large spectator crowd enjoyed some excellent bowls played throughout the event.

We're turning 70 already, with big celebrations

The Kingborough Bowls and Community Club turns 70 years old this year, meanwhile the Donald Hazell Indoor Centre is turning 10.

The Club is in the final stages of organising gala celebrations for the weekend of Saturday and Sunday, April 30 and May 1.

Club rooms will transform into a gallery, with photos displayed throughout, documenting the 70-year history.

Also, there will be various bowls games on offer, a barbeque lunch on Saturday, April 30, and a sit down lunch on Sunday, May 1.

Kingborough Tigers bowlers Peter Ashlin, Louise Wallace and Chris Whybrow, with a Claremont player, during barefoot bowls Champion of Champions event in Donald Hazell Indoor Centre on Wednesday, April 13. (PS)
