

Contemporary textile creations by award-winning locals Irene Koroluk and Sandra Champion will be among the high standard of artworks on show at the Stitching and Beyond group's biennial exhibition, Out of Hand. Irene's free-motion stitched quilted art (pictured), inspired by Tasmania's natural landscapes and environment, will be on show.

An Out of Hand exhibition

An international standard of contemporary textile artworks will be on show this month when the Kingborough-based Stitching and Beyond group open their biennial exhibition, Out of Hand.

The locally created and professionally curated exhibition is being held at the Long Gallery and Side Space Gallery in the Salamanca Arts Centre in Hobart. More than 180 works have been entered.

Taroona artist Irene Koroluk is entering four of her detailed, mixed media art quilts.

Irene studied Fine Arts, printmaking and environment at tertiary level in Tasmania, and has added free-motion sewing to her printed textile work in recent years.

Irene has received awards at national and international exhibitions and has also been a finalist in the Tasmanian Art Quilt Prize numerous times.

Her work is inspired by Tasmania's landscapes and natural wilderness.

"I learnt to sew after setting myself a goal to get into the Tasmanian Art Quilt Prize," said Irene.

"I combine my photos with stitching.

"It's all improvisation.

"I try to stop before it goes too far."

Sandra Champion, of Battery Point, works with paper textiles and is a national and international award winner, many times over.

Sandra's work has featured twice in the US magazine *Quilt National*.

Sandra uses waste paper materials and fabric purchased from local suppliers, including a Japanese fabric store in Kingston Beach, to create hand-stitched collages of quilted art.

Sandra studied art after moving to Tasmania around 50 years ago.

"I started paper textile work back then," noted Sandra.

"More people do paper textile art now because people recycle things.

"I use a lot of papers such as glossies in the

Saturday paper.

"I soak them, I rust them and when they start to fall apart, then I like them," said Sandra.

"I stitch them into silk.

"I was also given some 1950s newspapers.

"I always work in series."

A piece from Sandra's series Summer Inferno will be among the artworks displayed at the Out of Hand exhibition.

Sandra's series is based on the devastating 2020 Australian bushfires, and uses recycled cardboard to represent corrugated iron remains of burned buildings.

Stitching and Beyond group members gather regularly in Kingston, holding both daytime and evening session options.

For further information, visit the group's Facebook page.

The Out of Hand exhibition runs from September 24 to October 4, at the Long Gallery and Side Space Gallery, Salamanca Arts Centre, Hobart.

Taroona High School new upgrades open

The \$5.6 million Taroona High School redevelopment was officially opened Friday, September 10 providing new music and drama facilities and upgrades to general learning areas to provide contemporary learning spaces and additional capacity.

"Taroona High School has a rich history of fostering the arts and I am confident the redevelopment will provide more opportunities for students to embrace the arts and passion for music," said Sarah Courtney, Minister for Education.

The new music facilities have been designed to enhance collaboration and creativity in learning design, with the renovated general learning areas providing a high quality, contemporary and flexible environment for learners.

Designed by Tasmanian business, Tim Penny Architecture and Interiors, the extensive use of glass provides a high degree of visibility, with each classroom having the flexibility to be opened into a double room for team teaching.

Builders Vos Construction and Joinery have done an outstanding job working with the school and Department representatives to bring this project to life for the students to enjoy.

This development further enhances Taroona's reputation for excellence in the arts and its contribution to the cultural landscape of the state.

Minister Elise Archer conducted the opening in Taroona on behalf of Mrs Courtney who was unable to attend.

"The opening was attended by members of the School Association, Department of Education Secretary, Tim Bullard, and local members," said Taroona High School Principal, Matthew Bennell.

"The opening also highlighted the role of our student voices in the design and detail of the building, including the selection of the commissioned art work *Interval* by artists Franck Dubuc and Francesca Partridge, which features in the main rehearsal space."

A statement from Sarah Courtney's office as the Minister for Education was released after the opening.

"We want to ensure that students are learning in the best possible schools and classrooms which is why we are investing a further \$116.2 million in education infrastructure, taking the total Capital Investment Program over four years to \$271.8 million," said Mrs Courtney.

"In addition, we are investing \$8 billion over the forward estimates in education, skills and training to ensure that regardless of background or circumstances, every young person is able to grasp the opportunities open to them."

Houses demolished to
save two minutes

Dear Editor,

Why has this Government chosen the destructive and
costly option of extending the Southern Outlet bus lane
southward?

The question is magnified in importance at this critical
time for Dynnyrne residents.

Minister Ferguson has released only one costly option
for purported public consultation, despite constant
requests that he disclose all options which have been
considered and discarded, and why.

His option gives minimal traffic flow improvement from
Kingston to the city.

The Government's own traffic modelling on their pre-
ferred project shows that, at best, over the hour from
7.30am to 8.30am, north-bound car traffic on the
Southern Outlet will be no more than two-minutes quick-
er than now, barely a one-minute average improvement
over the whole hour.

Over the same period, north-bound bus travelling times
will at best achieve a three-minute travel time improve-
ment averaging about 1.5-minutes over the hour.

The major bottleneck on the Southern Outlet has
always been at the Southern Outlet/Davey and
Macquarie Streets intersection.

There is already a bus lane on the outlet which, as
it currently exists, is totally non-functional and
increases congestion just before that intersection in the
morning peak.

One would have thought that the very first option inves-
tigated would have been to take the present bus lane
through the intersection and down to Ispahan or
Warneford Street, rather than demolish family homes to
extend it southward.

I am sure that if this option was analysed it would, in
fact, have almost the same time saving for buses and
cars as the present expensive and destructive preferred
option and at a massively reduced cost.

If this option has been fully investigated, costed and
modelled, why has it not been made public along with
the reasons for its rejection?

If it hasn't been fully investigated and costed, what is
the reason for that?

Is it a symptom of the problem being put into the hands
of road builders and engineers who are focused on an
'engineering project' rather than a solution to the traffic
congestion problem?

Dr Bastian Seidel's
reason for resignation

Dear Editor,

The article in the *Kingborough Chronicle* (August 31,
2021) outlining the resignation of Dr Bastian Seidel
from the Legislative Council unfortunately did not fully
clarify his reasoning or the connection to Mr David
O'Byrne (former leader of the State Labor Party and
member for Franklin).

From the reporting elsewhere (The Australian 23
August 2021), "His shock departure came as ex-leader
David O'Byrne was forced out of the caucus, following
anger at his response to findings of inappropriate con-
duct involving a former junior employee".

The internal Labor inquiry into the conduct of Mr
O'Byrne found that his behaviour to Ms Rachel Midson
when she was 22 years old in 2007 and working for his
union, did not amount to sexual harassment but did find
that his behaviour was inappropriate.

In an ABC Hobart radio interview with Mr Leon
Compton, Dr Seidel said that what was needed was
"decency and respect" and that the Labor Party "needs
to be doing the right thing", not just hold an internal
investigation.

Dr Seidel said he told Mr O'Byrne to resign from parlia-
ment.

When this did not occur, Dr Seidel instead resigned.
Two former Labor premiers, Mr Paul Lennon and Ms
Lara Giddings, then also spoke out on the matter.

They jointly urged Mr O'Byrne to leave parliament but
he declined their request.

In contrast, Mr Compton noted that "all the Tasmanian
women ALP senators have supported the process (inter-
nal inquiry), and by extension David O'Byrne".

It seems that a truly independent inquiry into the affair
is now needed to refute the perceived inadequate
process adopted by the Labor Party.

Intergenerational afternoon tea returns

Seniors Week in Kingborough will be ushered in by a group of enthusiastic young people learning to cater and prepare afternoon tea for a large function.

Kingborough Mayor, Cr Paula Wriedt said the intergenerational afternoon tea event was an excellent way for budding young hospitality hosts to volunteer and learn new skills in their school holidays.

“There are always a great range of delicious sweet and savoury treats on offer, and the event provides a great training ground for the young students who learn how to host a professional function,” Cr Wriedt said.

“Under the guiding supervision of a qualified chef and trainer, the young hosts gain valuable skills around planning, preparation and delivery of events.

“The event is being held just ahead of Seniors Week on Friday, October 8 so that it coincides with the school holidays.

“We regularly have these afternoon teas and both the young hosts and participating seniors love the interactions that the event provides,” Cr Wriedt said.

The event runs from 1.30pm to 3.30pm at the Twin Ovals Function Centre, Kingston

The cost is \$20 which includes afternoon tea, a drink and entertainment.

The event is a partnership between Kingborough Council's Youth Services and Positive Ageing programs.

Bookings are essential by phoning 6211 8170.

Food van locations and waste reviewed

Kingborough Mayor, Cr Paula Wriedt said the review of the Food Truck Policy was a great time to make sure that all vans phased out single use plastic.

“This review has given us a chance as a council to introduce phasing out single-use plastics by 1 January 2022,” Cr Wriedt said.

“Right across the country there is growing concern for the damage and waste created from single use plastic, particularly with takeaway food.

“Takeaway food and drink litter generally makes up 75% of all plastic items found in our oceans.

“Although Kingborough Council can't tackle this global problem we can, through this policy, regulate what food vans are allowed in our municipality.

“In this day and age it is just so unnecessary, especially when excellent biodegradable products are available.

“I understand that most of our food trucks operating in Kingborough already incorporate biodegradable products which is reassuring and commendable.

“Also under review in the policy was the location in which food vans can operate in Kingborough.

“It is important that we work with existing businesses and don't potentially harm any trade already established in Kingborough, so a limit of no operation within a 200m location of other food business has been included.

“Although we want to actively encourage new business in Kingborough it must be done respectfully and not negatively impact the operations or patronage of already established business.”

Within the policy review, council also accepted

changes to trading only occurring within the following hours where a vendor operates within 100m of residential dwellings:

- Mondays to Fridays between the hours of 7am to 6pm

- Saturdays from 8am to 6pm

- Sundays and public holidays 10 am to 6pm

The review also recommended some pre-approved locations for trading which can be found on Kingborough Council's website.

Lane reduction on Huon Highway

The Department of State Growth has commenced rockface maintenance work on the Huon Highway between Sandfly and Lower Longley on Monday, 30 August.

The routine maintenance works include installing rockfall mesh and rock catching fencing along the exposed rockface.

It is expected these works will be completed by late October 2021.

For the safety of workers and road users during works, the two southbound traffic lanes (heading towards Huonville) near the worksite will be closed at all times until works are complete.

Southbound traffic will be temporarily diverted onto one of the northbound lanes, and there will be one lane

available for travel in each direction.

A section of the concrete barrier will be removed just before the worksite to allow traffic to move onto the new traffic arrangement.

There will be a reduced speed limit of 60km/h during our working hours, 7am to 5pm, Monday to Friday.

Outside of these working hours the speed limit will be 80km/h.

Traffic management will be in place to guide traffic and road users should allow extra travel time if travelling through this area.

Road users are reminded to keep to the posted speed limits and follow the directions of traffic controllers and signs.

Cancer Council Women's Run

Penny Egan from Woodbridge, CEO of Cancer Council Tasmania, has recently announced their annual Women's 5km Walk/Run is back on again this year.

"Following the success of the virtual events being held in the community last year, we have continued with that as an option for 2021 for people who do not want to travel to Launceston to participate in the actual event," said Penny.

"It would be great to have a few people put on some pink and join me again this year."

"If you are interested, the Woodbridge event will be held on Sunday, September 19 starting from the Woodbridge Oval at 9am."

This event is designed to support and encourage health awareness, raise vital funds for Cancer Council Tasmania and bring the community together in a celebration and remembrance of life.

"Our aim is to raise awareness for all cancers and encourage people of all ages to get out and have some fun whilst being active," said Penny.

A happy day for Johanna van de Kamp celebrating her 100th birthday with family and friends at the Kingston Beach Golf Club on Sunday, August 22. Unfortunately, the lockdown prevented some of her family of three children, seven grandchildren and 12 great grandchildren from attending the celebrations, however, it was still a beautiful and memorable day with zoom and phone calls making for extra excitement. Johanna has lived a happy and fulfilled life with family and friends in the Kingborough municipality for over 64 years, arriving there from the Netherlands in 1957 with her husband and three children. Micro-businesses COVID-hardship grants

Micro and small businesses negatively impacted by lockdowns and border restrictions in other States may be eligible for assistance under the Tasmanian Government's COVID-19 Micro and Small Business Border Closure Critical Support Grant program.

The program opened on September 3 and applies to small businesses with an annual turnover of \$25,000.

Funding of between \$1000 and \$10,000 is on offer. To be eligible for a grant, a business must demonstrate they have experienced a reduction in turnover (as a direct consequence of lockdowns and border closure restrictions) of at least 30 per cent for a minimum consecutive two-week period from June 26, in either 2019 or 2020, compared with any equivalent two weeks after June 26 this year.

Applications close on September 23.

Minister for Small Business, Jane Howlett MP said micro

and small businesses had fallen outside the eligibility criteria in the most recent Business Support Package.

"We know that many of our small businesses rely on interstate and overseas visitation and trade and have been impacted by the border restrictions put in place due to the lockdowns in other jurisdictions," stated Minister Howlett.

"We have already provided more than \$80 million in business grants since the COVID-19 outbreak, but we acknowledge that there are businesses that have fallen outside the original eligibility criteria for the most recent Business Support Package.

"The current program has been well received.

"In the past two weeks there have been 620 applications submitted, 473 businesses approved and of those, 410 have already received funds to a total of more than \$2 million."

Mayor of Kingborough, Cr Paula Wriedt introduced a new recycling unit at the Kingborough Council Civic Centre on September 8. The community can now drop off difficult-to-recycle items including mobile phones, ink cartridges, books, magazines, batteries, light bulbs, x-rays and coffee pods. (PS)

Difficult items recycled

The Kingborough community can now drop off difficult-to-recycle items mobile phones, ink cartridges, books, magazines, batteries, light bulbs, x-rays and coffee pods, inside the Kingborough Council Civic Centre.

A specially dedicated recycling unit has been installed and is accessible on weekdays from 8.30am to 5pm.

Mayor of Kingborough, Cr Paula Wriedt encouraged locals to bring these items to the recycling unit to avoid unnecessary waste and to prevent release of chemical toxins in the environment.

"We accumulate so many difficult-to-recycle items, like batteries, light bulbs, x-rays, coffee pods," Cr Wriedt said.

"There is a real temptation for us it to throw them in the bin, but that just ends up in landfill and if it's a battery, it has chemicals which can eventually leach into our water ways.

"Kingborough Council is on a mission to reduce the amount of waste that is sent to landfill.

"To help us achieve this as a community we have installed this great recycling unit here in the Council Civic Building.

"The council has built a specially dedicated recycling unit which will be permanently located inside the Civic Centre.

"You can keep all of these items separate at home and then when you have enough of them, pop down to the council building in Kingston and come and fill up our recycling unit.

"Don't forget that on October 4, council is also introducing another waste reduction mechanism in the form of FOGO.

"Our green waste service will transform into a FOGO service.

"FOGO stands for food organics and garden organics.

"Approximately 60 per cent of the waste in our bins is made up of food scraps which is fantastic if we can turn this waste into a usable product like compost.

"Diverting organic waste from landfill also helps our community reduce its greenhouse gas emissions.

"In addition to your usual garden organics such as lawn clippings and small branches, you can put in all food waste including vegetable peelings, fruit, cooked food, left-overs, meat and bones, dairy and citrus into your FOGO bins," Cr Wriedt said.

Your pathway to care in your home

As **Seniors Week** approaches, Kingborough seniors can look forward to a series of quality information sessions run by local non-profit aged care provider, OneCare.

When seniors begin to require some support around the home, they often discover that the Home Care system can seem like a confusing maze.

In order to address this issue, OneCare has recently introduced a new role to their organisation, the Home Care Navigator.

To help consumers find their way, Home Care Navigator Louise Graham, has developed a complimentary and obligation-free presentation, which provides information about the different types of government funded home care available.

Louise also follows up with one-on-one sessions in individual's homes to assist with the referral process to the My Aged Care system.

Louise's approach is people-centred, and her presentation focuses on informing participants of all the options that are out there for government funded support in the home.

On Wednesday, September 29 at 2pm, Louise will be holding a "Pathway To Care In The Home" information session at the Kingston Senior Citizens Club in Redwood Road, Kingston.

This presentation will also be held on Tuesday, October 12 at 10am at the Kingston Library, 11 Hutchins Street.

Due to COVID restrictions, numbers are limited so please RSVP to 0439 473 776 by September 28.

Louise will also be at a pop-up display at Kingston Channel Court Shopping Centre on Monday, October 11 and Kingston Plaza Shopping Centre on Thursday, October 14 between 9am and 3.30pm.

Home Care Navigator Louise Graham, has developed a complimentary and obligation-free presentation, which provides information about the different types of government funded home care available with presentations being held late September and early October in Kingston. (PS)

The positive spin

Early August saw the beginning of a new spinning group at the Lower Longley Hall. Organised by Natalie Weiss-Parker and Emily Churchman, the group is being held on the first Saturday of the month from 10am to 2pm. It's BYO lunch and snacks with kitchen facilities available and there is a contribution of \$5 towards the hire of the hall. The initial meeting had more than a dozen keen,

experienced, and aspiring spinners who came with a variety of equipment from basic to quite advanced with everything from spindles to drum carders and a range of wheels. It was a very busy affair, with the second meeting taken place on September 4. If you are interested or would like more information, contact Emily Churchman 0404 356 228 or Natalie Weiss-Parker 0400 297 291.

Maddison (5 years) and Olivia (3 years) visited Edna Pennicott from Kingborough Helping Hands to give a donation recently. The generous young girls emptied their piggy banks, giving their own money for those in need. "Maddison gets her pocket money each month and sets some aside in her 'give jar' to save up," said Leah Orr, Maddison and Olivia's mum. The money, along with the grocery items was Maddison's first experience giving to someone in need. (PS)

The aim of clubs is to build a more inclusive community across grades 7-10 at Kingston High School. Clubs are aimed at providing a space where students can meet like-minded peers with similar interests. The High Performance Basketball Club recently visited Swisherr Hoops Academy for their Club Day. (PS)

Kingston High creating communities through clubs

Clubs are new to Kingston High School this year and were made in response to last year's student feedback.

The feedback indicated that although students felt really connected to their grade groups and teachers, some students felt they didn't know their whole school community well.

The aim of clubs is to build a more inclusive community across grades 7-10 at Kingston High School and clubs are aimed at providing a space where students can meet like-minded peers with similar interests.

Clubs include Book Club, Chess Club, Astronomy Club, Mural Club, Diversity Club, Christmas Trees for Kingborough Club and many more.

Clubs are organised weekly by teachers, who invest their time into organising these activities.

In my Book Club each week a student volunteers from the class to review a book, the student tries to convince their peers that they should read that book.

Around the school Mural Club has been painting ceiling panels, adding a unique artistic touch to our classrooms, whilst Diversity Club continues to raise awareness and funds around important social issues.

Clubs Day differs from weekly clubs time and was an all-day activity this term.

Brazilian Ju Jitsu Club went to The Hybrid Training Centre in Argyle Street, High Performance Basketball Club visited Swisherr Hoops Academy, and Board

Games Club tried their skill at an Escape Room followed by games at Area 52.

The wide range of activities on offer during this day meant that students from all grades were engaged in an area of interest while learning about teamwork, leadership and self-regulation.

Our school library even received a boost when our Book Club purchased some books for our Kingston High Library.

This new initiative has been highly successful during 2021 and staff and students are already looking forward to a bigger and better Clubs Program next year and beyond.

Report provided by Noah Gladdish, Kingston High School grade 10 student

ALLOWING STUDENTS TO TRULY EXPLORE THEIR OWN PASSIONS AND INTERESTS

Through our new 'Clubs' program, students participate in chosen activities with their peers and teachers to foster a sense of community and connection across grade groups.

They explore areas of passion and interest more deeply whilst developing their personal and social growth.

Kingston High School welcomes new enrolments and continuing students for grades 7 – 12 in 2022.

At KINGSTON HIGH SCHOOL we value:
harmony, diversity, achievement, learning & citizenship

Kingborough Real Estate Guide

Exceptional family home in sought-after position

Commanding a high side of the street position, this appealing and substantial property is the ideal family home.

In the same hands for over 30 years, this brick and tile property has been fastidiously maintained and updated. The living area features high ceilings, oversized windows and sweeping neighbourhood and mountain views.

A heat pump and ceiling fan keeps the home comfortable throughout the year and a cosy woodfire is perfect for the colder winter months.

An attractive brick feature wall creates a central heat bank and alludes to the high-quality construction of the era.

The timber kitchen has ample bench space, breakfast bar and walk-in pantry and is positioned to oversee children at play in the rear garden.

The dining area provides access via sliding-glass

doors to a spacious outdoor entertaining zone. Partially covered, with a paved patio, retaining wall and expansive lawns, the enormous yard will accommodate and delight gatherings of family, friends and children. A wider than average hallway leads to three good-sized bedrooms, all with built-ins. The master bedroom is generous, with an ensuite and large, north-facing bay window. The contemporary main bathroom has been recently updated and is spacious, clean and bright. The home has new carpet and LED lighting throughout. The enormous, fully fenced, rear garden is bathed in midday and afternoon sun. There are abundant, productive fruit trees, a berry patch, raised veggie beds, a greenhouse and garden sheds. A sizeable double-door garage with large work benches offers plenty of room for parking and a workshop.

Fall Real Estate, Kingston Beach

Mt Nelson lifestyle,
sunshine and views

Designed by award-winning well-known Hobart architect, Lawrence (Bill) Howroyd, and built in 1984, this timber, three-bedroom, one bathroom pole house offers an appealing lifestyle in Mount Nelson.

Mount Nelson Signal Station, with its walking tracks and beautiful views over Hobart and beyond, is only a short stroll away.

A five kilometre, gently descending track to Hobart, the Truganini Track and other gentle or vigorous bushwalks can be found at this location.

A long dining and living area lead to an outstanding entertaining deck running the length of the house, perfect area for a barbeque on summer evenings, or to relax and enjoy Mount Wellington views in the distance.

The living areas are north facing towards beautiful Mount Wellington, with afternoon sunlight.

The three bedrooms, all with built-ins, are located on the south side of the home, away from direct sun.

The central bathroom features a magnificent "show-stopper" skylight, separate bath, shower and toilet.

The timber lined, light filled bathroom opens into the laundry with easy access to the back yard.

There is a wood heater in the lounge, two electric panel heaters and also heating in the bathroom.

Under the house is a handy storage room and/or workshop area, with a workbench, cupboards and a sink.

This area opens to an undercover carport, ideal for camping and holiday gear.

Currently tenanted at \$480 per week until March 9, 2022.

2021 Young Archie Awards

Young Archies show a stroke of genius

Tasmania's much-coveted Young Archie Awards were handed out on September 4, with numerous, budding, Kingborough-based artists among this year's winners.

The portrait competition, open to students in Department of Education schools and colleges, is based on the renowned Archibald Prize.

The portraits portray someone personally known to each young artist.

The artists draw, paint or use collage to create their masterpiece.

This year's Commissioner for Children and Young People's Award was won by Myrtle Witt of Kingston High, for a portrait titled "Chubby Cheeks".

Taroona High students took out all three awards in the Year 9 to 10 category.

Mack Brown received the Category Winner award for a portrait titled "Uncle G".

Solana Bodley received a Highly Commended for her piece, "Euphoric".

Grace Ren received a Highly Commended for "Little Boy".

Hobart College student Audrey Carter received a Highly Commended award in the Year 11 to 12 category.

Winning artworks are on display in a virtual gallery and are physically touring the state also.

The not-to-be-missed Kinder-to-Prep collection contains a kaleidoscope of colours and characters.

The virtual exhibition is found at <https://www.education.tas.gov.au/students/awards-scholarships-students/young-archies-awards/>

The travelling 2021 Young Archies Awards exhibition will be on display at the Hobart Library from September 7 to 18.

<https://publicdocumentcentre.education.tas.gov.au/library/Shared%20Documents/2021-Young-Archies-Awards-%20Prize-Winners.pdf>

In this week's edition of the *Kingborough Chronicle*, we have selected artworks from the Kinder-to-Prep category of the gallery, created by talented local pupils.

See next week's *Kingborough Chronicle* for more coverage of the delightful Young Archie Awards.

I Love You Mummy

Layla G, of Illawarra Primary School, drew and painted a portrait of her mother. "I love my mum because she is so beautiful," declared Layla. (PS)

Self-portrait

A self-portrait in oil pastels, by Taroona Primary School student Delilah N, is part of the Kinder-to-Prep collection. "This is me. I used oil pastels and black pen to do the outline," explained Delilah. (PS)

My Brother Alexander

Charlie N, of Taroona Primary School, used his fingers to paint a coffee and turmeric portrait of his brother. "This is my brother Alexander. I did a sketch of him first and then used finger-paint made with coffee and tumeric for painting. I added colour with crayons and pencils," Charlie noted. (PS)

Self-portrait

Taroona Primary School student, Julian C, entered a self-portrait in the Kinder-to-Prep category. "This is my picture of me," declared Julian. (PS)

2021 Young Archie Awards

Daisy

A portrait titled *Daisy* by Margate Primary student, Etta A, is now on show in the Kinder-to-Prep category of the Young Archies Awards exhibition. “When I’m lonely Daisy cheers me up. We share special memories,” commented Etta. ^(PS)

Marin

Marin P, of Bruny Island District School, used pastels to create her self-portrait. “I like bright colour. I chose orange pastel to make me look happy,” explained Marin. ^(PS)

Myself

A self-portrait in coloured pencils by Illawarra Primary School student, Albie S. “I drew myself using colour pencils,” said Albie. ^(PS)

Jack

Mitch B, of Bruny Island District School, used pastels to paint *Jack*. “I made my drawing with pastels. I wanted to show a happy feeling,” Mitch said. ^(PS)

Kingborough Lions United Football Club played against the Devonport Strikers Saturday, September 10. The Strikers were top of the ladder and expected to win the trophy for the 2021 season until Lion's player, Ben Hamlett, dropped a bombshell, scoring a long-distance goal to take the lead 2-1 in the dying minutes of the second half of the last game. The Strikers missed out to the Glenorchy Knights who defeated Launceston to take top spot. (PS Carolyn Whitehouse)

In the WSL, Kingborough Lions United Football Club drew with the Devonport Strikers 3-3 with the Lions finishing third for the season. Former Kingborough Tigers star, Hugh Dixon, has enjoyed a strong season in the WAFL with East Fremantle. Hugh booted five goals in their final game against West Perth, and 14 goals in his last four games after returning from an injury. Hopefully Hugh's recent form and dangerous scoring ability is putting his name back on the radar of AFL clubs with the upcoming 2022 draft. (PS AFL Tas)
