

An exhibition of collaborative works by the Handweavers Spinners and Dyers Guild of Tasmania Inc. was on display at the Kingborough Hub from October 9 to 16. Pictured are guild members Eric Cave, Joy Rees, Jillian Brammer and Sue Hastie with a creation titled *Cloak for Titania Queen of the Faeries*. See page 7 for more on the Travellers' Cloaks exhibition. (PS)

Pipeline follow-up

Additional details have been provided to the Kingborough Chronicle regarding the report on October 12 concerning the Federal Government's \$5 million pipeline grant from Blackmans Bay to South Arm.

The first phase of the venture, known as the South Arm Recycled Water Pipeline, proposes to construct a pipeline from Blackmans Bay Water Treatment Plant to the site of the proposed Arm End golf course and recreation reserve at South Arm.

Deputy Prime Minister, Barnaby Joyce MP and Assistant Minister for Industry Development, Senator Jonathon Duniam first made the funding announcement on August 11.

Senator Duniam's office confirmed the pipeline will supply water to South Arm, including the Arm End development, however the *Kingborough Chronicle* was told to contact the Arm End to find out the total cost of the pipeline and who else will benefit.

According to a document supplied by Arm End, dated June 2021, the existing agricultural land use activities at South Arm are "currently very limited" and "only 14 hectares of land is actively utilised for cropping (potato production), floriculture and olive production".

Limiting factors include the low rainfall, lack of irrigation water supply and the small size of individual land parcels.

There are "21 individual property titles ranging in size from two to 53 hectares".

Of the 635 hectares of land zoned as a "rural resource" at South Arm, "around 271 hectares is either unavailable or unsuited to irrigation".

"The proposed South Arm Pipeline development will allow for the transfer of 730 ML of class A recycled water to the South Arm peninsula annually.

"It is forecast that an annual 200 ML will be used on the Arm End Golf Course and Recreation Reserve."

In a presentation to Clarence City Council in June 2018, the company estimated the cost of the pipeline to be \$3 million, with an additional \$1.5 million for a second phase southern route.

The *Kingborough Chronicle* sent questions to Arm End project manager Craig Ferguson on Thursday, October 12, with responses to be provided in our next edition.

The National Water Grid Authority's webpage provides one sentence regarding the \$5 million in public funds given to the privately-owned South Arm Recycled Water Pipeline project.

"A new recycled water irrigation scheme will be upgraded, to provide high-quality irrigation water for the region's primary producers to transition to higher value agriculture," states the National Water Grid Authority's webpage.

A document titled *Blackmans Bay to South Arm Recycled Water Pipeline Development Proposal and Environmental Management Plan (DPEMP)* was prepared by Mary Ann's Island Pty Ltd in 2018 and is available online.

A media release from M&M Communications director Mark Thomas on September 30, said the public money will enable the pipeline project to proceed.

"Arm End said today the Federal Government funding injection of \$5 million will enable the South Arm Pipeline Project to proceed," said Mark Thomas.

Tasmania in lockdown

The Tasmanian Government imposed a snap three-day lockdown for southern Tasmania starting 6pm Friday, October 15 after a 31-year-old male travelled from Melbourne to Hobart on Monday, October 11 without a border pass, escaped hotel quarantine and tested positive for COVID-19.

The male travelled to Bridgewater before being returned to hotel quarantine. The man has reportedly not been cooperative with police and refused to wear a face mask.

The lockdown included all Kingborough, Channel and Huon Valley areas, along with the majority of southern Tasmania.

The Tasmanian Government said there are only five reasons to leave home during the lockdown which include shopping for essential supplies within five kilometres of your home or closest store, personal exercise medical or healthcare appointments, to work if an essential worker, or to school if the child is not able to learn from home.

Masks must be worn when leaving your home for any of the above reasons.

At the time of print the lockdown was expected to end 6pm Monday,

October 18.

On Wednesday, October 13, two students from Blackmans Bay Primary School were sent home after they were notified as being on the same flight as the man who tested positive from Melbourne to Hobart.

The COVID-19 scare has so far been avoided at Blackmans Bay Primary School with the school informing the community on Wednesday, October 13 that Public Health had assessed its situation and deeming it low risk. Both the students and their parents were tested for COVID-19 with results coming back negative on Thursday, October 14.

A notice on the school's website gave an update on the COVID situation "We have just been advised by Public Health that the results of the students from Blackmans Bay Primary are negative.

"They will remain in quarantine for the duration of 14 days.

"This is very reassuring for our school and community.

"We have been advised no further actions are required other than following our standard covid safe plans and advising testing if anyone shows any symptoms."

address and telephone number should be included.
Readers are encouraged to keep their letters brief
and to the point. Letters of 250 (maximum 500) words
is preferred. All letters are to be submitted Thursday
noon before publication. It is the newspaper's position
that if you wish to pass judgement on community issues
and/or individuals that your name and suburb is pub-
lished. Letters with pen names will not be considered.

Antarctic 'old timers'

Dear Editor,
Interesting article about the function to mark 40 years
of the Australian Antarctic Division (ADD) to Hobart.
I just wonder who went?
Just the usual hangers-on I expect.

It certainly wasn't any of the people who actually
worked for the AAD at the time and had to make their,
and its, transfer happen at the same time as keeping
operations going.
There was universal surprise about the function
amongst many of the 'old timers' involved when it was
revealed in the article in the *Kingborough Chronicle*.
Let's hope whoever organised the soiree remember
them next time they feel like such a gathering.

Martin Betts
AAD 1968-2005
Lower Snug

Upside-down world

Dear Editor,
I am astonished by the following situation.
On mainstream television, almost every night, I am
told there is terrible homelessness and an affordable
housing crisis.
And if I am not mistaken, not many months back I was
told long-time-residents of Kingborough are literally
unable to afford to rent a home in the area.
One of the reasons for housing affordability problems I

believe is rising rates, adding to rent costs for these peo-
ple who need a home to live in.
Yet somehow, there is playground equipment sitting
cosy every night, in what is a multi-million-dollar project
that was (am I to assume) prioritised before solving and
assisting the alleged very serious homeless and afford-
able housing crisis.
Can someone please rationalise how this can happen
in a modern society I ask?
Because in my opinion, it is utterly astonishing this can
happen.
Does nobody see or understand that without spending
millions on an extravagant playground (at the old
Kingston High site I believe), rates could have either been
reduced or, at least, put a stop to increases for a period.
This would obviously be, I believe, a very important step
to helping solve the affordable housing crisis.
Making sure the fabric of society is maintained for all is
so important, and solutions start locally, yet we seem to
have, in my opinion, lost our way as a society.
I want answers, and I am not alone in wanting answers.

Huntingfield

Future-proofing Kingborough's economy

**Kingborough Council has welcomed an announce-
ment of funding from the Federal Government to
develop an economic plan for the municipality.**
The funds have been made available via Round 5 of the
Building Better Regions Community Investments Stream.
In a media release on October 11, Mayor of Kingborough,
Cr Paula Wriedt said the municipality was growing and
transitioning from its traditional regional suburban roots.
"As one of the fastest growing areas in southern
Tasmania, council wants to make sure that we future
proof Kingborough's economy," Cr Wriedt said.
"Kingborough is a highly desirable municipality with a
range of services and natural amenities, but it has
limited opportunities in local employment and a high
reliance on people driving to Hobart for work.
"This funding will allow council to develop an economic
road map for Kingborough which alongside the current
and future developments in Kingston will transform this
municipality into a regional economic hub."
Senator Eric Abetz said the funding would be used to
better understand the economy in the municipality and
provide a mechanism to build resilience and grow local

productivity.
"This funding is an important lever which will guide
business development, allow a greater use of local sup-
pliers and create more jobs," Senator Abetz said.
"The Federal Government understands how important
it is for Kingborough to develop into a self-reliant
economic centre."
Federal Member for Franklin, Julie Collins MP
congratulated Kingborough Council.
"Congratulations to Kingborough Council on its
successful application to the Building Better Regions
Fund," Ms Collins wrote.
"Kingborough Council will receive taxpayer funding of
\$20,000 to assist the Council in assessing opportunities
to expand and develop local businesses across the
Kingborough region.
"This is a great opportunity for the Council to be able
to develop further plans to ensure local Kingborough
businesses are able to grow in the region, employing
more locals and boosting the local economy.
"I look forward to meeting with the Mayor and Council
in the future to talk about this funding."

Blackmans Bay to supply water

Continued from front page

No arrangement is currently in place between TasWater and the proponent regarding leasing of land at the Blackmans Bay Water Treatment Plant site.

The *Kingborough Chronicle* wrote to TasWater on September 29 regarding their involvement in the project. “Our involvement is limited to the supply of treated effluent from our Blackmans Bay Sewage Treatment Plant,” replied a TasWater spokesperson.

Another TasWater spokesperson advised the *Kingborough Chronicle* on October 15 that there is no arrangement is currently in place with the proponent, Mary Ann’s Island Pty Ltd, regarding the leasing of land at the Blackmans Bay Water Treatment Plant site.

“TasWater is working with the proponent and is still assessing the options,” stated the TasWater spokesperson.

Arm End project manager Craig Ferguson thanked both the Federal Minister Jonathon Duniam and State Minister Guy Barnett for their support following the funding announcement.

“The pipeline will provide water to the western part of the South Arm Peninsula, including the Iron Pot Golf Club and the South Arm Community Club and RSL,” said Craig Ferguson.

“We will also provide on five access points for the South Arm Volunteer Fire Brigade.”

Mr Ferguson said the infrastructure “will be provided free of charge by Arm End to benefit the entire community of South Arm”.

Mr Ferguson said the project was close to achieving its goal of providing Class A Water to the peninsula and all users.

“Our future goal is that the South Arm community has access to Class A Water in a Tasmanian-first project which takes recycled water and converts it for community and agricultural use.

“The Pipeline Project and Arm End site development construction will continue through 2022.

“The South Arm Pipeline project has the potential to transform the Peninsula just as the Coal River Valley water scheme has done.”

Senator Jonathon Duniam with Arm End project manager Craig Ferguson, Minister for Primary Industries and Water, Guy Barnett MP, Member for Franklin Nic Street MP. Arm End said the Federal Government funding injection of \$5 million will enable the South Arm Pipeline Project to proceed. (PS)

Taroona toilet fire investigated

Tasmania Police is seeking information from the community about the deliberately lit fire which damaged the public toilets at the Taroona Beach playground on October 8 to 9.

The offenders moved two wheelie bins from the playground into the toilets and set them alight causing around \$20,000 damage.

If you know anything that would assist the police investigation, please phone police on 131 444 or Crime Stoppers anonymously on 1800 333 000 and quote the reference number OR671197.

Woodbridge Recreation Ground Master Plan

Have your say on the new Woodbridge Recreation Ground Master Plan.

Kingborough Mayor, Cr Paula Wriedt said Kingborough Council is seeking community input into the proposed Woodbridge Recreation Ground Masterplan.

"The Recreation Grounds at Woodbridge are an important part of local life, hosting the local soccer club in winter and the cricket club in summer," Cr Wriedt said.

"Additional to these seasonal teams, it is used by local

community groups as well as the Woodbridge District School for their Athletics Carnivals.

"This proposed new masterplan outlines a number of improvements designed to address the safety issues and improve the experience for players and spectators.

"Feedback from the community highlighted that negotiating the driveway crossover and existing car park of the grounds brought children and adults into proximity with moving vehicles.

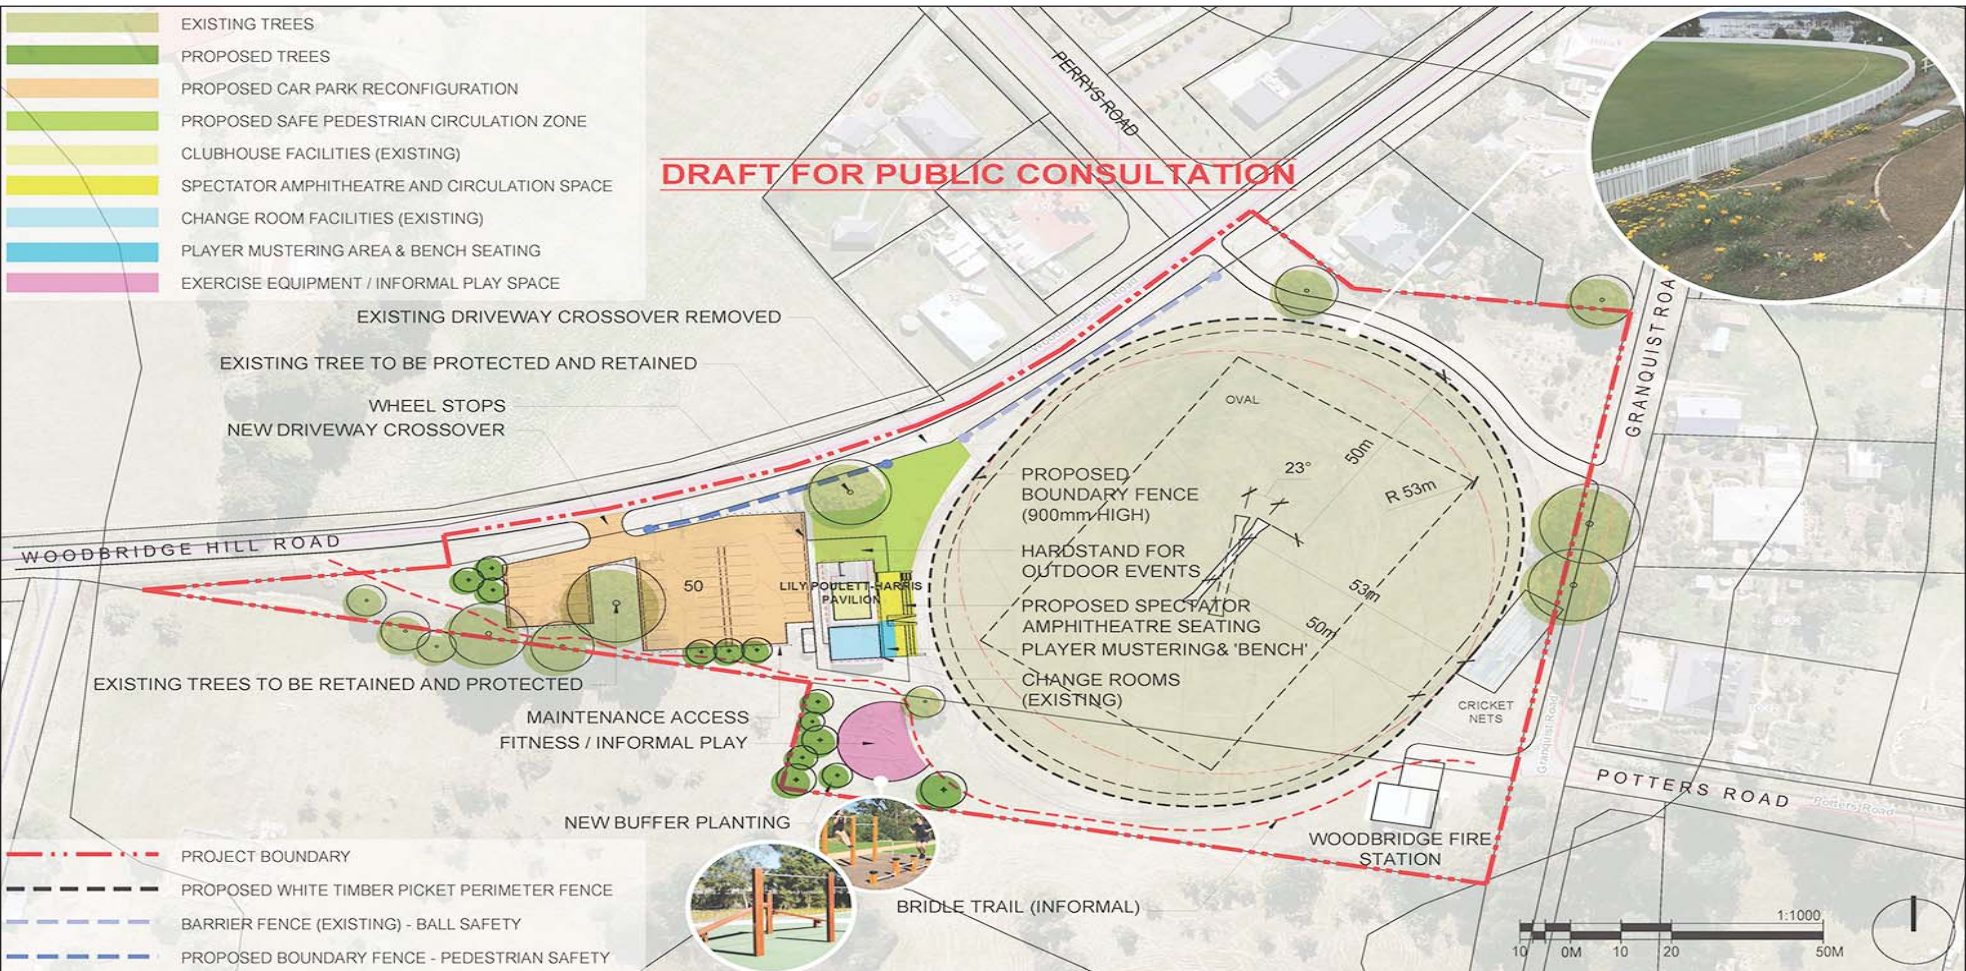

"Currently, temporary measures are in place to delineate between the cars and pedestrians, but this Master Plan proposes to decommission the existing driveway crossover and establish a new one further west on Woodbridge Hill Road.

"As well as safety, the plan proposes a pitch rotation to improve field dimensions and a boundary fence that will improve playing field functionality by containing ball movements.

"The Master Plan proposes a low-set spectators' amphitheatre as well as exercise equipment located directly south of the pavilion.

"I encourage everyone in the Woodbridge community as well as the involved stakeholders to have their say on this proposal," Mayor Wriedt said.

An online survey can be found on council's website www.kingborough.tas.gov.au/woodbridgerecreation-ground-master-plan/ until October 24.

Kingborough Council is seeking community input into the proposed Woodbridge Recreation Ground Masterplan. The plan outlines a number of improvements designed to address safety issues and improve the experience for players and spectators. (PS)

National Carers Week

There are 14,418 unpaid carers in the federal electorate of Franklin, according to figures released by Carers Tasmania.

In a media release on October 13, marking National Carers Week, Labor Senator for Tasmania, Carol Brown said an unpaid carer, or 'informal carer', may not even see themselves as a carer, but they are someone who provides essential support to someone else, out of love, loyalty, kindness or empathy.

Anyone, anytime, may become a carer due to life's unexpected twists and turns.

For the person in need, whether living with a disability, mental illness, chronic condition, life limiting condition, addictive behaviour or who is frail aged, the physical, practical or emotional support of a family member, friend, neighbour or colleague is a major support for their wellbeing and quality of life.

Care might need to be provided suddenly due to ill-

ness or injury in some cases, in others as the result of a gradual development over time.

It may also be episodic or occasional in nature.

While carers are a vital support for another individual or family member, their contribution adds up to even more than that.

"Carers Tas shows that at present, in Tasmania, there are more than 80,100 primary carers," said Senator Brown.

"Seventy-four per cent of them are aged 65 years and above.

"Equally significant, more than 9300 carers are under the age of twenty-five.

"These figures are really important.

"They remind us that every day we should appreciate and acknowledge carers.

"They are too often the forgotten, or invisible people, but who are doing an almighty job at an individual level and for the benefit of society, Tasmania and the country."

Tyres dumped near jetty

Huon Aquaculture employees recently discovered 12 tyres and rims illegally dumped near their operations at Gunpowder Jetty in Howden.

A pile of green waste, bags and boxes of general household rubbish were also found in the same area.

Huon's Community Relations Manager, Pene Snashall, said this is not the first time this has happened.

"Our teams work hard to make sure rubbish does not escape from sites and every week, crews undertake clean-ups in the company's south east region to ensure that Tasmania's coastline is clean and safe for the community and for visitors who support Tasmania's tourist economy," said Ms Snashall.

"We are noticing an increase in dumped household rubbish around our sites as well as along most shorelines and roadsides.

"We want to see an end to all marine debris (from all industries), and we continue to improve internal practices to stop industry debris at the source, as well as undertaking regular shoreline clean-ups to monitor exactly what is being lost and where it is ending up.

"However, a lot of the rubbish that we find on the clean-ups is not attributable to the salmon industry."

Ms Snashall said the team were quick to remove the dumped rubbish at Howden.

"They loaded it all in the back of the company ute and disposed of it in our skip bin," she said.

"We will also be looking at stepping up security around our sites in an attempt to discourage further dumping.

"We've had a strong response from Kingborough Council, they've committed to install signage and work with us and residents on other initiatives."

Huon Aquaculture is planning a coordinated combined industry and community clean up in January 2022.

October is Probuc Month, and The Combined Probuc Club of Kingston held a special morning tea to coincide with its regular October meeting. (PS)

Safer community committee

Nominations are now open for membership of Kingborough Council's Community Safety Committee.

Deputy Mayor of Kingborough, Cr Jo Westwood said the council was seeking members for a two-year period, 2022 to 2023.

"Everyone has the right to feel safe and secure within the community, whether it be around roads, schools and in our public places," Cr Westwood said.

"The committee meets every two months at the Council Chambers during business hours and discusses a variety of safety issues impacting our community.

"The committee also receives regular briefings on relevant issues from Tasmania Police, the Department of State Growth and the Road Safety Advisory Council.

"It's a great space for people who like to engage with community issues and challenges, and who see themselves able to make a positive contribution within a team environment.

"Nominations are open to everyone, but we are par-

ticularly looking for participants who have an interest in developing safety mitigation strategies within our community.

"As a committee we are dedicated to building a safe, inclusive and equitable community where everyone feels socially connected, respected and valued," Cr Westwood said.

Past Rotarians welcome to celebrate 50th anniversary

The Rotary Club of Kingston is celebrating 50 years of service to the Kingborough community later this year and are seeking past Rotarians to join them in the celebrations on November 27.

Over the past five decades many Rotary members have given years of service to the Kingston club before retiring. John 'Jaws' Peterson and the 50th Anniversary Committee is hoping former Rotarians will contact the club to join in the major milestone.

"The 50th Anniversary Committee have done their best to find all past Rotarians through our contacts, however we know there is more we haven't been able to contact," said John.

"We would love them all to join us for the 50th celebrations as they have been involved in all the wonderful projects and events the Rotary Club of Kingston have provided the community over five decades."

Any former Rotary Club of Kingston member can contact Doug Ralph on 0408 293 164 or email attendance.kingston@rotary9830.org.au for more information.

A Day on the Beach cancelled

The committee for the popular Kingston Beach Australia Day celebration A Day on the Beach, has decided to cancel the event, for a second year in a row.

A Day on the Beach Secretary, Daniel Hulme said the committee made the difficult but necessary decision to cancel A Day on the Beach 2022, however they are hopeful the event will return in 2023.

"It became apparent through several discussions that it would be impractical for us to take the measures needed to comply with the current public health directions," said Mr Hulme.

"We did not want to proceed with our event unless we could strongly guarantee the health and safety of the public.

"We understand that this is disappointing for all our stakeholders and the community.

"We share your disappointment."

"We hope that by the time Australia Day 2023 comes around the worst of the pandemic will be past us."

Travellers' cloaks exhibited

Locals were treated to an exhibition of collaborative works by the Handweavers Spinners and Dyers Guild of Tasmania Inc, on display at the Kingborough Hub between October 9 and 16.

The Travellers' Cloaks exhibition included works from local members and others around Tasmania.

Local group member Sue Hastie said the collaboration provided guild members an opportunity to learn new skills.

Collaborators from the Geeveston group created a work titled *Cloaked in Secrecy*.

Made from wool fibre, alpaca fibre, silk and eucalypt leaves, the group's work was inspired by the need to "try and protect the giants that oversee our environment" and keep our forests safe, after the Summer 2019 fires in the Huon directly impacted every member of the group.

A collaborative effort from Burnie Spinners and

Weavers and Kingston Spinknits used hand dying, knitting and stitching techniques to create a lacy bed cloak titled *Dreaming of the Colours of Summer*.

Collaborators from The Warped Weavers group at Battery Point used the technique of double weave to produce iridescent cloth to create a piece titled *Cloak for Titania Queen of the Faeries*, inspired by *A Midsummer Night's Dream* by William Shakespeare.

The guild's exhibition committee member Joy Rees said the original idea came from a poncho crocheted in the early eighties for her daughter.

Joy's granddaughter had called the poncho a 'travellers' cloak'.

The Kingston Spinknits group meets on the first Tuesday of each month.

For further information, visit their Facebook page.

An exhibition of collaborative works by the Handweavers Spinners and Dyers Guild of Tasmania Inc. was on display at the Kingborough Hub from October 9 to 16. Pictured is guild member Sue Hastie with *Cape Tribulation*, created by the Battery Point Thursday Group. (PS)

Intergenerational afternoon tea

Young hosts volunteered to provide a catered afternoon tea at the Twin Ovals Function Centre in Kingston for community members aged over 65 years recently.

Kingborough Council's Youth Services 'Christmas in July' afternoon tea was held during the school holidays. Intergenerational events such as this have been on

Kingborough Council's Youth Services/Positive Ageing calendar since 2012.

Sweet and savoury treats, coffee, tea and entertainment was provided.

Kingborough's elderly community members enjoyed a unique social gathering while Kingborough's young people gained hands-on catering experience.

Young hosts volunteered to provide a catered afternoon tea at the Twin Ovals Function Centre in Kingston for community members aged over 65 years. (PS)

Kingston cadets experience field competition

A Kingston-based Navy Cadet Unit joined more than 250 other Australian Army and Navy Cadets from around Tasmania for their Annual Field Exercise (AFX) competition during the school holidays.

A contingent of 16 Navy cadets and three adult members from the Kingston-based Navy Cadet Unit, known as Training Ship (TS) HOBART, participated in eight days of activities.

Commanding Officer of TS HOBART, Lieutenant Commander Alistair Barber, of the Australian Navy Cadets, said Kellatie Flotilla Australian Navy Cadets were invited by Australian Army Cadets to join them at Stony Head.

A series of competitions were held between two Australian Army Cadet Battalion, Tasmania companies; Alpha Company from the north and Bravo Company from the south, and the Kingston-based cadets were invited to join in.

TS HOBART Cadets manned the exercise command post and received high praise for their skill and professionalism over the radio.

"Prior to the competition phase, the cadets underwent lessons in navigation, field signals, section formations, setting up camp, first aid and communications," Lieutenant Commander Alistair Barber, ANC said.

"Cadets were placed in teams and navigated their way

between stands.

"Along the way, the teams were faced with scenarios including vehicle checkpoints, observation lanes, judging distances, leopard crawling while carrying an egg, team building scenarios and a massive minefield activity to name a few.

"Cadets took a break from their fieldcraft activities and took part in the cadet Olympics.

"There were 11 events the cadets rotated through and included boot throwing, weapons familiarisation, battleships, Chinese whispers and a memory game.

"Cadets enjoyed competing in a giant inflatable obstacle course before they completed weapons handling drills with the Austeyr F88, under the guidance of Australian Defence Force instructors," Lieutenant Commander Alistair Barber, ANC said.

"The Kingston based Navy cadets performed brilliantly and in an unfamiliar environment demonstrated excellent leadership and resilience over the eight days."

Cadet Leading Seaman Jack Lyons from Margate was selected to lead his peers.

"Jack was lucky to be selected to lead a section of Army and Navy cadets during the Annual Field Exercise, a role that jack excelled in without any underpinning training in Army field craft," said Lieutenant Commander

Alistair Barber, ANC.

"A true reflection on this cadet's leadership and his prior experience in the scouting system."

Governor of Tasmania, Her Excellency the Honourable Barbara Baker AC, and her husband Professor Don

Chalmers AO FAAL FAHMS, paid a visit to the cadets during the event.

Kingston has both Army and Navy cadets.

Further information is available from <https://www.cadetnet.gov.au/>

Kingborough Real Estate Guide

Family home in an enviable position

Built in 1988, this brick and tile family home has lots to offer those looking for the much sought-after Kingston Beach location.

An enviable position, with the sand and sea less than a kilometre from the front door.
Set on a 589 square metre block and boasting a very flexible floorplan there is much scope to individualise the property to suit the new owner's lifestyle.
The lower level of the home provides a large living zone with a reverse-cycle heat pump to keep the area ambient all year round.
The space provides adaptability to incorporate a formal dining area with a built-in sideboard and servery or a study space.
The recently renovated kitchen has white custom cabinetry with contemporary wood benches highlighted by feature subway tiles.
There is ample cupboard and countertop space available and the convenience of a casual dining area.
The master bedroom suite is on the ground level with plenty of space for relaxing and an ensuite bathroom.

There are sliding doors on to a private deck with views of Mt Wellington and glimpses of the ocean through the trees.
Upstairs you will find two, very generous bedrooms with built-in storage and a spacious fourth bedroom.
The family bathroom features a shower, bath and vanity and a separate toilet.
Set back from the road in a private position the home enjoys water glimpses and low maintenance yards perfect for the children or furry friend to play.
The green thumb will also love the endless possibilities and space the block provides.
Kingston Beach is a coastal area much loved by families and retirees alike for its beachside lifestyle.
With restaurants, coffee shops and parks, together with a short commute for supermarkets and amenities offered by the Kingston shopping hub.
Complete with great schools, medical facilities and public transport links to the Hobart CBD.
This home will suit a myriad of buyers looking to secure a home that brings a seaside lifestyle.

OUTDOOR LIVING

Outdoor areas covered at HFT Interiors

HFT Interiors supplies awnings to fit windows of all shapes and sizes, suitable for a range of exterior settings, from terraces and patios to large entertaining areas.

The popular, retractable folding arm awnings are available in a variety of design options, including crank or motorised operation, integrated rain hoods, wind protection systems and sun and wind sensors.

Luxaflex canopy awnings lend traditional charm to an outdoor area and come in an assortment of styles and colours.

These awnings are designed to be long lasting and low maintenance.

Evo awnings represent the ultimate in design and function, providing UV protection, air flow control and ease of operation.

For the classic look, HFT Interiors can supply fixed metal awnings and metal louvre awnings.

These aluminium awnings offer great protection from the hot Australian sun.

HFT Interiors are conveniently located in Mertonvale Circuit.

Visit the showroom and meet the friendly Luxaflex specialists.

HFT Interiors has summer covered, with a large range of modern and traditional awnings to suit all windows and spaces. View the showroom in Mertonvale Circuit (PS)

Sophistication in garden and landscaping design at Clennett's Mitre 10

Clennett's Mitre 10 Landscape Centre was recently engaged to design and construct a landscaped garden area for the Tassie Homes' built Hollyhock House in Kingston.

The Clennett's Mitre 10 team used a blend of locally quarried limestone dressed rock, instant turf and mulch, to create a well-balanced, low maintenance garden and dedicated entertainment zone, including a fire pit and barbeque.

A picturesque array of lavenders, weeping cherry's, silver birch and pittosporum shrubs were planted and framed with brick edging and steppers.

Landscape Manager James Morris said the design concept and material selection were combined to achieve the desired result.

"Contemporary design, simplicity, subtle sophistication and a deliberate use of texture, colour and clean lines," noted James.

Clennett's Mitre 10 Landscape Centre designed and constructed a functional and sophisticated outdoor garden space, for this Kingston display home recently. (PS)

CLENNETT'S MITRE 10

LandscapeCentre

SPRING HAS SPRUNG

Here at Clennett's Mitre 10 Landscape Centre we are celebrating spring with some mighty helpful products and advice.

We offer an extensive product range and qualified landscapers who can design & construct your dream outdoor area from a small courtyard space to a complete backyard makeover.

With Summer only around the corner, its time to get those garden beds mulched up to retain moisture, lawns fed to stay green during those long hot days and the vegetable garden producing an orchard of fruit and vegetables.

Our qualified and helpful team can build your landscape dream.

We offer natural stone dry stack walling and paving, synthetic turf, firewood, brush fencing, dressed rock, concrete paver's and walling, as well as all those bulk soft landscape products from our new Landscape Centre located at 1 Mertonvale Circuit, Kingston

All these products can be delivered via our 4 trucks as well as free trailer hire for those who wish to do it themselves.

Visit us to check it out for yourself or phone 6229 0874.

Open 7 days a week.

Hit the open road

With summer just around the corner and warmer weather upon us, it's time to hit the open road and take off on an adventure.

The Kingston Auto Repairs (KAR) team know all-there-is-to-know to ensure vehicles are in tip-top condition for on-road or off-road journeys, near or far.

Owner Armin Baier, a motor vehicle enthusiast himself, has more than 40 years of expertise and a team of qualified professionals on hand.

Armin has a reputation for efficient, cost effective and honest work.

"We love fixing cars, that's why we're so good at what we do," said Armin.

"Four-by-fours are our passion.

"We're going off-road every chance we get.

"But we do also specialise in fixing and servicing all types of cars.

"We pride ourselves on clear communication and our reasonable pricing policy, plus we've been around long enough to solve any motor vehicle issue."

KAR provide a complete range of services for vehicles, including fitting and balancing of tyres, general repairs and maintenance, brake repairs, suspension, auto-electrics, gearbox and differential repairs or replacements and more.

KAR are a Tasmanian Automotive Chamber of Commerce accredited repairer, an RACT authorised repairer, and are also an Approved Inspection Station centre.

Contact KAR in Huntingfield on 6229 3359 or at service@kingstonautorepair.com.au

Sudoku is a number placing puzzle based on a 9x9 grid with several given numbers.

The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once.

Quiz night for wildlife hospital

A quiz night fundraiser was held on Saturday, October 2 at the Kingborough Senior Citizens Club to raise much needed funds for the Bonorong Wildlife Sanctuary Hospital.

Fee Connolly of Huntingfield is one of Bonorong's volunteer wildlife rescuers.

"With tourist numbers down considerably, funds are needed to run the wildlife Hospital and the 24-hour Wildlife Rescue Service," explained Fee Connolly.

"Local businesses gave generously to make sure there were plenty of lucky door, raffle and silent auction prizes.

"Even during these tough times, we're amazed and thankful they were happy to support such a wonderful organisation.

"Quizmaster David Walch hosted the evening and an incredible \$8000 was raised.

"Attendees came dressed in Bonorong colours.

"One table got really creative and came dressed as colourful eastern rosellas.

"A great night was had by everyone.

"I'm one of Bonorong's volunteer wildlife rescuers.

"They're doing it tough so I just decided to run a fundraiser for

them, with the help of my mum, Marie, who's 88 by the way.

"She's the one who went around local businesses getting donations, and some friends helping out too.

"David Walch, the Quizzer of Oz, donated his fee too, which was a huge saving.

"He's a volunteer wildlife rescuer too.

"Some of the animals we rescue are through Bonorong's service in the Kingborough area, Greg Irons runs a terrific 24-hour service.

"Tasmania is the roadkill capital of the world.

"Last year Bonorong received 14,500 rescue calls which included calls relating to wildlife needing assistance in the Kingborough region.

"There are dozens of volunteer rescuers on call in this area to help wildlife in need.

"The vets in Kingston are often the first port of call for injured animals.

"The lucky ones will then be transported by rescuers out to Bonorong for further care at the wildlife hospital, then hopefully for eventual release."

If you find an injured animal, please call Bonorong's 24-hour hotline on 0447 264 625.

An orphaned wombat cared for by Bonorong. (PS)

A quiz night fundraiser held at the Kingborough Senior Citizens Club on October 2 raised \$8000 for the Bonorong Wildlife Sanctuary Hospital. (PS)

Communities prepare for fire season

Southern Channel communities are gearing up for the start of the fire season, with phone links between neighbours seen as a key tool in fire emergency programs.

South Channel Ratepayers and Residents Association (SCRRA) is hosting an information session at the Middleton Community Hall on October 24, focussing on setting up an emergency phone tree to help families make better decisions when fire threatens.

The question of where to stay-or-go has been a major point

of discussion since the Black Saturday bushfires in Victoria in 2009 and the more recent disastrous outbreaks in NSW.

The SCRRA embraces communities from Flowerpot to Gordon and is planning its fire emergency program in collaboration with the Tasmanian Fire Service and Kingborough Council.

"With the forecast of a dangerous fire season ahead and the likelihood of strong winds we feel some urgency in getting people prepared for the coming season," Middleton resident and SCRRA member Gloria Lonergan said.

The association's initiative is funded in part by a grant from Get on Line Week.

Kettering has had a community fireguard initiative operating for more than 10 years, with a phone tree linking householders in a number of streets with fire updates.

Each program working under a street co-ordinator lists householder contacts and the availability of resources at each address, including the location of farm dams which might be needed by fire fighters and livestock that may require protection.

Householders are also advised of the nearest safer place, such as the local community hall in the case of Kettering.

The Coningham and Lower Snug Community Association has, with the help of sponsors, put together fire emergency kits for 'at risk' households.

The kits include a radio and long-life food items.

One of the kits will be the lucky door prize at the information session on October 24.

See next week's *Kingborough Chronicle* for a special Fire Awareness feature.

Kingborough's Allstars state champions

Australian Allstar Cheerleading Federation held a virtual competition for cheerleading stunt groups and dance duos around Australia recently.

KC Allstars entered two teams called Midnight, a stunt group of five girls, and Onyx, an assisted partner stunt group with three girls.

Both teams are level 3 and open section, comprising cheerleaders aged 14 and over.

The teams filmed their routines on September 21, under the required regulations explained Pru Ryan from

the KC Allstars Cheerleading.

"We then submitted the routines online for judging on Wednesday, October 6," said Pru Ryan.

"Australian Allstars Cheerleading Federation (AASCF) had an online awards ceremony on their Youtube channel for everyone to watch at home.

"We were very excited as both the teams took out first place making them State Champions.

"Not only that, but they also both qualified to compete in AASCF's National Stunt Virtual Competition in

November.

"To qualify, your stunt team has to place and receive a certain score.

"This means only the top stunts are able to enter which makes it for a harder competition.

"Our wonderful Head Coach, Nicole Sorrentino, has been working very hard with the girls to get them to where they are today," said Pru.

"The club has had a busy year, working on their skills and have a state competition coming up on the

November 13 and 14, run by Infinite Spirit.

"This will be KC Allstars first live competition and they are looking forward to having their whole program take to the competition floor.

"Our open level 3 team, Black Diamonds, will also be competing in AASCF National Virtual Cheerleading Competition.

"We are hoping to take the same team to Brisbane on November 26 to compete in CheerBranz National Competition," Pru said.

KC Allstars Cheerleading team Midnight included Phoebe Drumm, Jess Ryan, Nina Handicott, Tala Castro Sherrin and Anneka Handicott. (PS)

Targa moves anniversary date

In order to maximise the impact of Targa Tasmania's 30th anniversary event, organisers have reverted to a traditional late-April date to move beyond any likely COVID-19 restrictions.

The event was due to move to an earlier timeslot in 2022, from March 8 to 13, but will now be held from Tuesday, April 26 to Sunday, May 1.

The later date also facilitates the running of Targa High Country from February 11 to 13, the same slot used earlier this year for the Mt Buller-based event, and away

from the scheduled November 2021 dates that were likely to still be heavily impacted by COVID-19 protocols.

Targa Australia CEO, Mark Perry, said the new dates buy both events vital time for Australian states to move beyond severe pandemic restrictions.

"The thirtieth running of Targa Tasmania is a huge opportunity for everyone who has been involved over the years to join in and celebrate this magnificent milestone," Perry said.

"Our competitors and tour participants come from all

over Australia, and people need certainty in planning their travel and confidence that the event will take place.

"This new schedule buys everyone an additional seven weeks and in our early survey of competitors this was welcomed, seen as a real plus.

"We want to make the 30th anniversary something special - the event of the year for motorsport and car enthusiasts.

"We have some exciting things planned, not just for our entrants but all the Targa fans in Tasmania as well.

"These might have been in doubt with a March event but now we can continue to build on our exciting plans to make the 30th Targa Tasmania something really special.

Targa Tasmania will get underway on Tuesday, April 26, with participants spending the first three nights in Launceston.

The competition cars will then spend the Friday and Saturday nights in Strahan, while tour entries will stay in Cradle Mountain.

The event will conclude in Hobart on Sunday, May 1.

On Sunday, October 3 the Kingborough Bowls team travelled to Adventure Bay for the annual Kingborough and Bruny Bowls Day with the Bruny Bowls Club. (PS)

In spite of the inclement weather, four rinks and 32 bowlers completed 12 ends, with Bruny winning in a very tight finish. A BBQ lunch was cooked and enjoyed in the undercover area. (PS)

Bowling across the islands

Recently a Memorandum of Understanding was agreed between the Kingborough and Bruny Bowls and Community Clubs to foster community relationships.

On Sunday, October 3 the Kingborough Bowls team travelled to Adventure Bay for the annual Kingborough and Bruny Bowls Day.

In the absence of Kingborough President, Lorraine Walker, Bruny's President, Mick Baillie welcomed Mike

Harris, John Rosevear and all the bowlers.

In spite of the inclement weather, four rinks and 32 bowlers completed 12 ends, with Bruny winning in a very tight finish.

Bruny winning skips were Scott Bennett, Martin Hampson and Gary Baker.

The game was a great lead up to the first Saturday Pennant Game against Kingborough at their home ground.

Hayden Evans in U11 shot put. (PS Carolyn Whitehouse)

Benson Reynolds ready for the U6 100m. (PS Carolyn Whitehouse)

Jamie Fleming won the Under 14 Championships and Curtis Mead was the Under 21 Runner Up for the State Golf Croquet Championships hosted by the Kingston Croquet Club. (PS)

Under-age Croquet Championships

The last week of school holidays proved to be a great time to conduct the Under 21 and Under 14 State Golf Croquet Championships at the Kingston Croquet Club.

The Under 14 event was contested by four boys, all living locally and attending schools in Kingborough including two from Taroona High School and two from St Aloysius Catholic College.

A round robin was played to determine seeding for a knockout final.

Reid Tracey won all his games in the round robin but

was beaten in the round of four by the eventual winner Jamie Fleming.

Runner up in the event was Jeremy Munnings.

The Under 21 event was conducted as a round robin with each match determined by best of three games.

Under 14 Champion Jamie Fleming also competed in this event.

The Under 21 event was won by Curtis Mead of the Latrobe Club with Jamie beating the other entrants to finish as runner up.

GOLF RESULTS

Group of new and returning members at the Kingborough Bowls Clubroom on October 14. (PS)

Pennant Season commenced

The Bowls Tasmania South 2021-2022 Pennant Season commenced Wednesday, October 13, with three Kingborough Bowls and Community Club teams playing in the Wednesday Competition.

Kingborough's Division 1 team travelled away to play at the Howrah Bowls Club where their hosts claimed the upper hand on the day.

Howrah won on two of the three rinks played and defeated Kingborough overall 61 shots to 50.

Kingborough's winning rink skipped by Shane Garth with Peter Kirby, Geoff Price and Darren Reeve won 19-14.

Division 3 played their game on grass at home at Margate against the visiting North Hobart team.

This game was a close encounter which could have gone either way for the whole game.

Kingborough, although they only won on one of the three rinks played, defeated the visitors by three shots overall, 59 shots to North Hobarts 56.

Fred Shead's rink of Michael Harris, Robert Stanton and Bruce Moran pulled away towards the end of the game for a convincing 25-12 win.

Division 4 travelled to the Brighton Bowls Club for their game, where they were defeated overall by their hosts, 59 shots to 49.

Brighton won on two of the three rinks played, with John Mac's rink of Bernie Holland, Lindsay Pearce and Bill Mus having a 20-17 win for Kingborough.

On the afternoon of Thursday, October 14, after club training, the board of the Kingborough Bowls and Community Club held a welcoming reception in the club room for 28 new and returning members who have joined the club this season.

Club President Lorraine Walker welcomed members and presented each of them with a small gift.

All attending members enjoyed light refreshments during the proceedings.

The Kingborough Little Athletics Club (KLAC) held its first meet of the season on Saturday, October 9. Due to recent wet weather, Gormley Park was not suitable, resulting in events being held at Clennett's Lightwood Park. KLAC was hoping to be back at Gormley next Saturday. Charlotte Dale in U11 shot put. (PS Carolyn Whitehouse)

Pat Lee gives thumbs a up to the start of the Wednesday Pennant Season. (PS)
