

## Kettering remembers

**The Kettering community gathered at 5pm on November 11 to remember those who died or suffered in armed conflicts, laying wreaths in appreciation of their sacrifices.**

This year marks the 103rd anniversary of the Armistice that ended the First World War in 1918.

The Battle's Over was played on bagpipes by The Old Pretenders and Spent Sporrans pipers.

While Australians generally observe one minute's silence at 11am on Remembrance Day, Kettering's ceremony was timed to coincide with the time and place where the Armistice was signed, in early hours of the morning at Le Francport near Compiègne in France.

The Armistice came into force at 11am Paris time on the same day.

Thus, one minute's silence is observed and wreath laying ceremonies are held around Tasmania and around Australia every year on the 11th hour of the 11th day of the 11th month.

A national ceremony was held at the Australian War Memorial, with the event also marking the 80th anniversary of the opening of the memorial, during the Second World War.

The Australian War Memorial was unveiled by the Governor-General, Lord Gowrie on November 11, 1941.

The Kettering service commenced with the marching band of pipers, veterans, service men and family members who made their way to the cenotaph and assembled locals outside the Kettering Community Hall.

The ceremony was led by Kettering local Colleen Frost, commencing with a Welcome to Country.

Local veteran David Archer read a poem and gave a tribute on behalf of the Returned and Services League of Australia veterans.

Kettering locals Linely Chopping and Ted Domenny shared family stories.

Flowers were placed beside the memorial by community members, with Kingborough Council represented by Sue Bastone.

"Today we honour the previous owners of this land, who fought and battled courageously over many years to protect their homeland," said Colleen Frost. Colleen also paid tribute to the Indigenous Australians.

"Sadly we all deeply regret this time in history (and) regret that this war was never accurately recorded."

Colleen reminded the gathering that Remembrance Day has also been known as Red Poppy Day.

"The red poppy symbolizing the shadow of sorrow and death of the many people known in our community and throughout this great country who were lost at war," noted Colleen Frost.

"The service men and women who fought for our freedom, with thousands of lives lost in fierce battles.

"Many unknown to us.

"Today we remember those brave service people, and recognize to this day the sadness experienced by their families at home.

"We honour those who never returned to their homeland or families.

"We especially honour our Indigenous soldiers, who because of their colour were never awarded medals.

"Today we pray for the lives of those who rest here in Kettering, the surrounding Channel districts and beyond.

"We pray for every family who has been affected by the horrors of war."

Lest we forget.

## Twin wickets or third ground?

**A meeting of stakeholders to discuss the potential to install a second wicket at Kingston's Twins Oval has been confirmed for Monday, November 22.**

The *Kingborough Chronicle* received confirmation of the meeting from Mayor of Kingborough, Cr Paula Wriedt on November 11.

"I have organised a workshop on November 22 with the Kingborough Tigers Football Club, AFL Tasmania, Cricket Tasmania and Kingborough District Cricket Club and all Councillors to discuss the options going forward," confirmed Mayor Wriedt.

Tigers Football Club's president, Paul Gadomski, said the meeting had been organised to gain an understanding on proposed logistics surrounding the installation of a second wicket.

"The Tigers sports club as a whole continues to make our position known that we fully support a second turf wicket within the precinct," said Mr Gadomski.

"The future growth of the Kingborough community requires more sporting infrastructure and we are committed to encourage Council, the Mayor and

all other sporting stakeholders in the precinct to focus on strategic thinking and work together to build a third multi-sports ground at the Twin Ovals with the second turf pitch in it.

"Such development will be integral to coping with future demand with cricket and Kingborough Little Athletics being the primary tenants of the new facility and also giving the Kingborough Lions Soccer Club and the Tigers Football Club over-flow access in the winter months."

Paul said Councillor Clare Glade-Wright provided verbal advice of a commitment by Mayor Wriedt, that no progress would be made on development of the turf wicket at Twin Oval 1 until a stakeholder meeting occurred.

"All sports at the Twin Ovals precinct must now come together and in conjunction with the council develop a future growth plan that caters for everyone's needs.

"No sport is above another and working together will deliver the right strategic outcome for the Kingborough community, in a balanced, well thought out approach, removing all risks associated with quick fixes and short-term thinking to deliver the right outcome for the entire community."

## LETTERS TO THE EDITOR

### Cycling and golf don't play well

Dear Editor,

As a member of Kingston Beach Golf Club, I find the  
release of the Draft Cycling Strategy (*Kingborough  
Chronicle*, November 2), proposing a shared  
walk/cycle path through our golf course, laughable.

Most local parks have signs displayed saying "no  
golf practice" for good reason.

Recreational walking/cycling in close proximity to a  
golf ball area is not compatible due to risk of injury.

I note in *The Mercury* on Saturday, November 13,  
Mayor Paula Wreidt defends the Kingborough Council  
strategy by inferring that the publication of a map with  
a line through private land is somehow not determina-  
tive of, or in any way intended to mean, a final deci-  
sion has been made on a shared pathway.

As the Mayor, being an ex-minister and highly skilled  
politician, would no doubt be aware, there is an old  
adage; never ask a question that you haven't already got  
an answer for.

I do note since at least 2017, two Councillors have sat  
as chairpersons on the Kingborough Bicycle Advisory  
Board, and Council engineering operatives have variously  
attended the same.

I note these same persons have variously recommended  
to Council approved expenditure on a range of initiatives  
that are listed on its website.

From pursuing the minutes of this bicycle advisory  
board, one item has been regularly canvassed since  
2017, namely a Browns River cycle trail through the golf  
course.

Yet management of the golf club, which has been in  
existence for over 100 years, has not been engaged by  
the Council or its consultants prior to public release of the  
Draft Strategy 2021-2030, that is likely to be costed at  
millions of dollars to fully execute and require significant  
State and Federal funding.

One wonders why?

But then I forgot we are assured by Mayor Wreidt that a

line on a map is not necessarily determinative of any final  
decision by Council especially when that line is located  
on land in other ownership and where external funding is  
to be sought from other levels of government based on  
these mappings.

### Destruction of homes is not a traffic solution

Dear Editor,

Regarding the destruction of homes at Dynnyrne,  
struggle to understand the imperative to spend many  
millions on a traffic "solution" that is destructive of her-  
itage and amenity, without social licence, that at-best will  
provide a short-term fix to a traffic problem.

All this without thorough exploration or incentive for  
other less destructive means.

# Mega market tradition

**The Rotary Club of Kingston is holding its annual  
Mega Market at Dru Point on Sunday, November  
21, from 8am until 2pm.**

The club's past president Mike Percy said the market  
is a long tradition that began around 30 years ago when  
the club commenced a car boot sale on Sundays in a  
supermarket car park in Kingston, prior to supermarkets  
being permitted to open on Sundays.

Rotarian Ross Jones recalls the first car boot sale,  
when he and two other sellers were present.

Within a few years, when shop trading hours  
changed, and the car boot sale was transferred next  
door to the Roberts building.

Ross can recall over 80 sellers on a particular day.  
"The Roberts premises could not accommodate  
them all so the market spilled out onto John Street.

"Eventually the Roberts building was sold to Coles to  
make additional car parking, and Kingston Rotary had  
to move the market to other locations including the  
rooftop of Channel Court, then to the Kingston Library,

Kingston Town carpark, the car park in the John Street  
Medical and the site of the old Kingston High School."

Ross said Rotary's weekly markets experienced a  
decline due to: Gumtree; competing markets around  
Hobart; changing attitudes about buying second hand;  
tighter regulations on home produced goods; higher  
insurance costs; and an inconsistent and less-than ideal  
market location.

Eventually about four years ago Kingston Rotary ceased

the car boot sale and decided to hold annual Mega  
Markets instead.

It is estimated that between the car boot sale and the  
Mega Markets, over \$250,000 of funds have been raised  
by the Rotary Club of Kingston to support local community  
projects.

Kingston Beach has improved access for all with a \$260,000 Kingborough Council project complete with beach ramp, a level pedestrian crossing and new disability parking spaces. Kingborough Mayor, Cr Paula Wriedt launched the new ramp at the Kingston Beach Surf Life Saving Club open day on Sunday, November 14.

# Council complaints policy consultation

**An updated draft of Kingborough Council's Complaints Management Policy was released for public input on November 8.**

Mayor of Kingborough, Cr Paula Wriedt said the draft complaints handling framework was available for residents and key stakeholders to provide feedback via the Council's website.

"The potential exists for complaints to be seen as a nuisance," Cr Wriedt said.

"Yet complaints can be an important resource to councils as they give valuable feedback about services and, if used effectively, are a catalyst for improvement. "Good complaint handling increases confidence in public administration," continued Cr Wriedt.

"On the other hand, mishandled complaints can carry a high potential cost, both financial and reputational.

"Council's current complaints management process is contained in within its Customer Service Charter.

"The updated policy builds on the Charter by providing more detail for both the community and Council staff about to how complaints will be managed in a consistent way across Council's operations.

"The complaints framework is based on the Victorian Ombudsman's guide *Councils and Complaints: A Good Practice Guide 2015*.

"Given the similar nature of Local Government across the country, the Victorian Ombudsman's resources can be easily adapted for Tasmanian Councils.

"A good complaint handling process increases confidence in public administration and generates financial benefits for an organisation, so it makes sense that we want to get this policy and process right.

"It is timely to revisit the way that customer complaints are dealt with at all levels of the organisation.

"This way we can ensure our complaints mechanisms are integrated throughout Kingborough's operational activities and are effective, efficient and promote fairness, integrity, and administrative excellence."

Around 150 people participated in this year's Walk4BrainCancer Tasmania event at Dru Point Bicentennial Park in Margate. It was the seventh annual walk organised by Tasmanian Senator and brain tumour survivor Catryna Bilyk.

# Heartfelt walk for cancer cure

**This year's Walk4BrainCancer event was a resounding success, with around 150 people participating at Dru Point Bicentennial Park in Margate.**

The event was the seventh walk organised by Tasmanian Senator Catryna Bilyk and it raised \$16,565. Senator Bilyk is a brain tumour survivor and a Cure Brain Cancer Ambassador.

In a media release on November 10, Senator Bilyk said she was grateful for the community's overwhelming support over the past seven years.

"While I am incredibly grateful for the number of people who come out year after year in support of this cause, I probably shouldn't be surprised given how many have been affected by this terrible disease," Senator Bilyk said.

"Sadly, brain cancer has a five-year survival rate of just 22 per cent and kills more Australian children than any other disease.

"Since 2014, thousands of Tasmanians have joined in my efforts to turn these shocking statistics around.

"Together, we have raised enough money to fund a small-scale clinical trial."

Senator Bilyk acknowledged that the walk took on a special significance for her as she was dealing with a brain tumour for the second time in her life.

"I appreciated the opportunity to walk in solidarity with others who have been touched by this disease, whether it's brain cancer and tumour patients or their friends and families," Senator Bilyk said.

This year's memorial address was delivered by State Member for Franklin, Dean Winter MP.

Speaking to the crowd, Mr Winter paid tribute to the struggles of brain cancer patients and those who had

lost loved ones to brain cancer.

Mr Winter spoke about his difficulty attending the event because of the painful memories it brought up of his mother's death nine years ago from glioblastoma, the most aggressive and deadly form of brain cancer.

"When the event first started seven years ago I was going to arrive, but I sat in the car and couldn't make it through the gates," Mr Winter said.

Mr Winter said that each year he had progressed a little further, and was met with applause when he announced, "and this year I'm going to walk with you."

More than \$200,000 has been raised with the help of the community through seven walks and Russell Morris's Ranelagh concert.

Senator Bilyk acknowledged and thanked everyone involved.

"We had some very generous raffle prize donors including Choices Flooring, the Briggs family, Betta Electric World, Priory Ridge Wines, Rockwall Bar and Grill, and Island Trophies and Print," Senator Bilyk said.

"I would also like to thank Woolworths Kingston Town for donating the goods for our sausage sizzle, Kingborough Council for providing the venue, St John Ambulance for choosing Cure Brain Cancer as one of their 'charities of choice' this year and providing medical support free of charge, and local entertainer Fiona Hutchison for the live musical entertainment.

"Volunteers Else, Margaret, Edna, Ray, Helen and Charlotte put in a stellar effort and have all volunteered for several Walk4BrainCancer events now, as has the event's official photographer, my husband, Robert.

"A special thank you goes to the Lions Club of Sorell,

which raised \$1000."

All funds raised from registration fees, donations, merchandise sales, the raffle and the sausage sizzle will go to Cure Brain Cancer Foundation to help in its mission to rapidly increase brain cancer survival and improve

the quality of life of brain cancer patients.

Donations of \$2 or more are tax deductible and are still being accepted.

Anyone who wishes to sponsor a walk participant can do so online at [www.walk4braincancer.com.au/walks/tasmania](http://www.walk4braincancer.com.au/walks/tasmania)

# The never-ending weedy roundabout story

**An arrangement between the Tasmanian Government and Kingborough Council is yet to be reached on the maintenance of overgrown vegetation on State-controlled roundabouts in the municipality.**

The Kingborough community may have noticed the thorny issue of weedy roundabouts on the Channel Highway has been sticking around all year, despite ongoing efforts of locals to uproot and remove the problem.

Responsibility for the problem resides with the Department of State Growth, the portfolio of Minister Jaensch MP.

Local volunteers have offered to assist in weed removal. Kingborough Council have also offered to undertake maintenance of the roundabout vegetation and advised the *Kingborough Chronicle* on September 16 that their discussions with the Department of State Growth appeared to be coming to fruition.

“Council has only recently received a proposal from the Department of State Growth (DSG) for Council to undertake maintenance on their behalf for the Margate and Altona roundabouts,” wrote Kingborough Council’s Director Environment, Development and Community, Dr Katrena Stephenson.

“Council is reviewing the proposal by Department of State Growth and may need to negotiate amendments. “Once an agreement is finalised, we can provide an update.”

The *Kingborough Chronicle* wrote to the Minister for State Growth, Roger Jaensch MP on November 10, seeking an update on whether an agreement had been finalised.

A spokesperson replied that a mutually suitable arrangement has not yet been reached.

“The Department and Council have discussed possible options for landscaping on the roundabouts. “This includes the possibility of providing Council with

funding to plant and maintain the roundabouts.

“To be viable, any such arrangement would need to be long term, and a mutually suitable arrangement has not yet been reached.

“We continue to maintain the roundabouts in line with our usual maintenance schedule, which is normally to cut the vegetation twice yearly to keep them tidy.

“The recent heavy rain and warmer weather has led to increased vegetation growth across southern Tasmania.

“The vegetation maintenance program operates year round, but ramps up in spring.

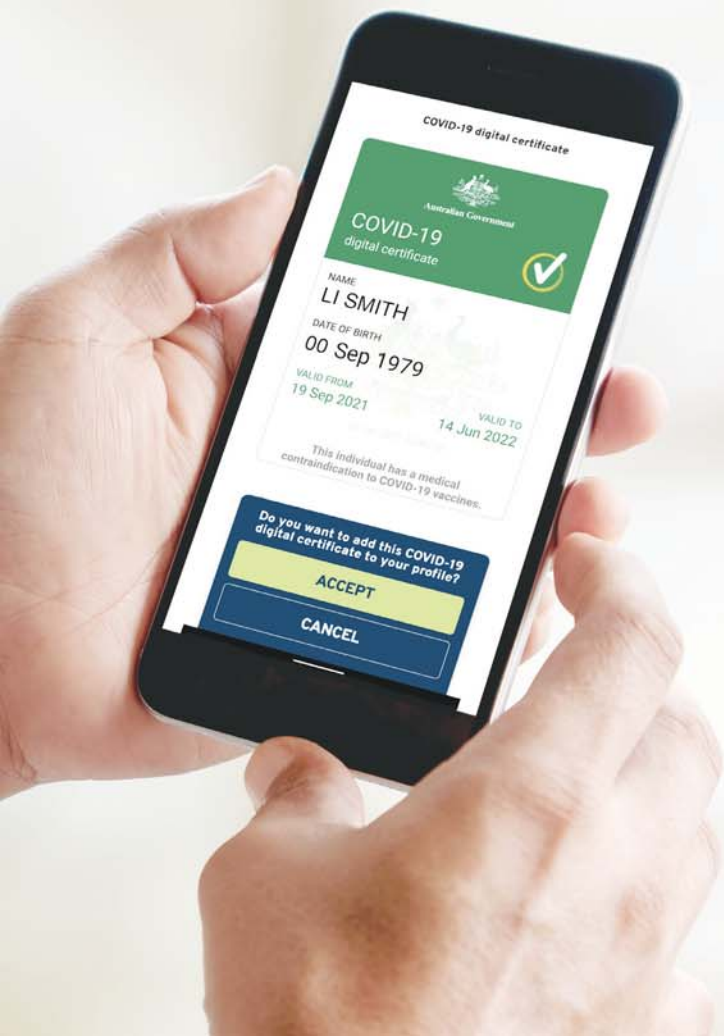

“Our priority for vegetation maintenance is to deliver effective treatments which deal with weeds and maintain sight distances.

“This helps us maximise use of the maintenance budget, focussing on safety issues such as fixing potholes and maintaining drainage and barriers.”

# Shop local this Christmas

**As the year heads into the festive season many locals are turning their attention to Christmas shopping.**

COVID restrictions through 2020 and 2021 resulted in many businesses in Kingston, Blackmans Bay, Margate and surrounds relying solely on local trade.

Businesses had to adapt and make changes to their product offerings and operations, with low stock availability and slower postage impacting also.

Karen Lockley from Stihl Shop Kingston thanked customers for their support and patience during the past year.

"It has been hard for so many, and we are so grateful because if it wasn't for everyone's wonderful support we would not have been able to keep staff employed and your gardens looking good," said Karen.

Kingborough has long had a strong local economy, with many small-to-medium sized businesses run by local families, and its crucial to keep this spirit alive.

Having successful businesses benefits everyone in the community.

It offers customers more choice, provides flow-on economic benefits to suppliers and delivery drivers, supports local employment and provides opportunities for individual career paths.

By buying local, money is retained in the local area, helping to grow the above-mentioned benefits.

Damon Adams from Meredith's Orchard explained how his family business gives back to the local community because of

the great support of regular local customers.

"Local business keeps the money within Tasmania and is also injected back into the community in the form of local cricket and football clubs, along with schools and locally held events," said Damon.

"We buy from around 20 local farmers and approximately 35 Tasmanian businesses.

"Buying from a Tasmanian business is the best way of ensuring that money stays in our local community and economy to support each other."

The support from Kingborough locals to Kingborough businesses is more important than ever as this is the most significant trade period for many stores.

On Tuesday, November 23 and 30 the *Kingborough Chronicle* newspaper is publishing a special *Shop Locally this Christmas* advertising feature to showcase local businesses and products for the festive season.

The *Huon News* is running the same feature for the Huon Valley and far south on Wednesday, November 24 and December 1.

Kingborough and Huon based businesses are all welcome to advertise in these features by calling Matthew or Cheslea at the *Kingborough Chronicle* on 6229 3655, or Greta at the *Huon News* on 6266 3104.

The *Shop Locally this Christmas* advertising feature is a great guide for Christmas shopping ideas for the whole family and will ensure money stays in the local community.

**Purchasing from local suppliers and service providers helps our whole community. This Christmas, shop at the many wonderful local businesses in Kingborough. For gift ideas see our special advertising feature *Shop Locally this Christmas*, running next week and in the November 30 edition of the *Kingborough Chronicle*.**

# Vibrant oils on show

An exhibition of oil paintings titled *Colouring Our World* was held at the Kingston Beach Hall from November 12 to 14.

Artworks were exhibited by the Heritage Art Group with many pieces based around Tasmanian themes.

The paintings ranged in size from finely detailed miniatures to large works.

The Heritage Art Group is led by well-known prize-winning local artist Joan Humble OAM and includes members of the Kingborough community.

The group meet regularly at the Colour Circle studio in

Mt Nelson and have held 14 exhibitions since forming in 1987.

Some members have been painting with the group for a considerable time, between 19 and 32 years.

Many are also active members of the Art Society of Tasmania and the Australian Society of Miniature Art Tasmania Inc.

The *Colouring Our World* exhibition was at the KIN Space in Kingston Beach Hall.

The official opening by the Mayor of Kingborough, Paula Wriedt took place on Friday, November 12.

# Micro business grants

A second round of the Tasmanian Government's micro and small business grants program opened on November 10 and will close next week.

The grant round is aimed at small businesses still experiencing difficulties due to interstate COVID-19 travel and border restrictions.

"This new second round of the program will provide grants of between \$3000 and \$50,000 to eligible Tasmanian businesses," stated a joint media from Tasmanian Premier Peter Gutwein MP and Minister for Small Business, Jane Howlett MP.

"This funding will continue to support micro and small businesses operating in the tourism, hospitality, arts and

events, seafood and transport (hire car, coach tours) sectors.

"This round of the program is open both to new applicants and those who received support under the first round which ran across September and October.

"The first round of the program was highly successful, with over 3400 eligible Tasmanian micro and small businesses sharing more than \$42 million."

"The eligibility criteria will remain the same as the first round."

To apply go to [business.tas.gov.au](https://business.tas.gov.au) or call Business Tasmania on 1800 440 026 or email [ask@business.tas.gov.au](mailto:ask@business.tas.gov.au) Applications close at 2pm on November 25.

# Taroona Beach public toilets

Work has begun on refurbishing the public toilets at Taroona Beach which were damaged by vandals recently.

In a media release on November 4, Mayor of Kingborough, Cr Paula Wriedt said Kingborough Council had engaged a contractor to undertake decontamination and refurbishment work at the Taroona public amenities.

"Unfortunately, the heat damage and contamination from smoke from the vandalism was quite extensive,"

Cr Wriedt said.

"The public amenities block requires a full repaint.

"With summer just around the corner, the work has been expedited as the foreshore is a very popular spot for community members and visitors.

"Future upgrades of the facility will be considered in next year's capital funding allocation.

"We are looking to reopen the facilities on Monday, November 22."

# Nothing without joy

**Illawarra Primary Kindergarten offers a unique, award-winning program that is child-centred, play-based and inquiry-focused.**

The school recently achieved excellent results in the National Quality Standards Assessment.

Its teaching philosophy and learning environments in Kinder are inspired by the approaches of Reggio Emilia which views every child as competent, creative, and with rich potential.

The phrase "nothing without joy" is often attributed to early childhood educator Loris Malaguzzi, the Italian founder of the Reggio Emilia approach.

Illawarra Primary Kindergarten is committed to providing learning opportunities that build on children's natural curiosity and their ability to wonder.

The kindergarten seeks the ordinary moments that become extraordinary.

The lunch program sets the kindergarten apart from those elsewhere.

Every day the children grow, cook, and prepare a

variety of healthy meals.

Illawarra Primary Kindergarten's purpose-built playground is separate from the rest of the school grounds and features age-appropriate facilities including a full mud kitchen, undercover sandbox and water-play area.

The school values nature-based play opportunities and the playground reflects that.

Illawarra is a short walk to the Blackmans Bay waterfront and natural bushland, an educational asset which the school program utilises regularly.

Illawarra Primary prides itself on nurturing relationships with both children and their families.

Teachers provide daily photos and documentation to families that reflect on the children's thinking and learning journey and share their child's Kinder adventures.

Launching into Learning sessions cater for all children from birth to five.

All families are invited to explore the possibilities for learning, wonder and joy at Illawarra Primary School.

Joy is embedded in the teaching and learning approach at Illawarra Primary Kindergarten. (PS)

# Invaluable, free mobile laundry

**A mobile laundry service is now partnering with the Kingston Neighbourhood House to provide a free laundry service for needy locals.**

Orange Sky Laundry will be at the Kingston Neighbourhood House every Friday from 11am until 1pm. Orange Sky's service leader said the mobile laundry has been providing the same valuable service for the homeless in Hobart for the past five years. The charity's new weekly service at Kingston Neighbourhood House is the only shift south of Hobart.

"Orange Sky Australia commenced its free mobile laundry service in Brisbane in 2014," stated the Orange Sky service leader. "It takes approximately one hour to wash and dry a load. "While the machines are working it's a great opportunity to sit on one of the six orange chairs from the Orange Sky van and have a chat with the friendly volunteers. "They love a chat even if you don't have any washing, so come along and say hi to the team of Brett, Jamie, Lisel, Darren, Paul and Niruthi."

Orange Sky Laundry will be at the Kingston Neighbourhood House every Friday from 11am until 1pm. (PS)

## THE KINGBOROUGH COOK

*Chewy chocolate-gingerbread cookies*

**Local chef Kirsten Bacon has kindly shared her chewy chocolate-gingerbread cookies recipe, in time for Christmas baking and gift-giving.** "My lovely friend Paula has now made these twice for me," said Kirsten. "Once they were devoured by my children before I got home and the second time, they were under strict instruction not to touch. "I first had them over 20 years ago. "I absolutely love the combination of fresh and ground ginger, molasses, and chunks of semisweet chocolate that makes the cookies sophisticated enough for adults but chocolaty enough for children. "Also, a fantastic thing to have stored away in a tin ready for those visitors or place in a jar and decorate. "Homemade gifts are wonderful."

- INGREDIENTS:**
- 1 1/2 cups plus 1 Tablespoon unbleached all-purpose flour
  - 1 1/4 teaspoons ground ginger
  - 1 teaspoon ground cinnamon
  - 1/4 teaspoon ground cloves
  - 1/4 teaspoon freshly grated nutmeg
  - 1 tablespoon unsweetened Dutch-process cocoa powder
  - 1/2 cup unsalted butter, room temperature
  - 1 tablespoon grated peeled fresh ginger
  - 1/2 cup dark-brown sugar, packed
  - 1/4 cup molasses
  - 1 teaspoon baking soda

- 1 1/2 teaspoons boiling water
  - 210 grams of bitter (70 per cent) chocolate, cut into 1/4-inch chunks
  - 1/4 cup granulated sugar
- METHOD:**
1. In a medium bowl, sift together flour, ground ginger, cinnamon, cloves, nutmeg and cocoa.
  2. In a second bowl, beat butter and grated ginger until lightened. Add brown sugar, beat until combined. Add molasses; beat until combined.
  3. In a large bowl, dissolve baking soda in boiling water. Beat half of flour mixture into butter mixture. Beat in baking-soda mixture, then remaining half of flour mixture.
  4. Mix in chocolate; turn out onto a piece of plastic wrap. Pat dough out to about 1-inch thick; seal with wrap. Refrigerate until firm, two hours or overnight.
  5. Line two baking trays with baking paper. Heat oven to 180 degrees Celsius. Roll dough into 1 1/2-inch balls; place 2-inches apart on prepared baking trays. Refrigerate for 20-minutes. Roll in granulated sugar.
  6. Bake until the surfaces crack slightly, 10 to 12-minutes, rotating halfway through. Let cool on sheets for 5-minutes, then transfer cookies to a wire rack and let cool completely. Cookies are best the day they are made but can be stored in an airtight container at room temperature up to five days.
- This recipe makes around 24 biscuits.

## Thank you Kingborough and Huon residents

**Fall Real Estate management and staff wish to thank the residents of Kingborough and the Huon for their tremendous support.**

In 2015, Fall purchased a small building on the corner of Beach Road and Windsor Street that had previously housed a Telecom exchange, to open a sales and property management office, as many locals had enquired about listing, selling and managing their properties. Local real estate professionals Donna Paton and Gillian Sanders promptly joined other Fall Real Estate Kingborough staff Kim Chandler-Storey, Kelly Fall and Julie Gray and the tiny office became a hive of activity. Demand was such that a decision was made to expand and build on the vacant block of land in front of the existing tiny office.

Three years ago a Tim Penny Architect designed building was opened at 31 Beach Road and the business continued to grow. Huon personality Peter Clark joined the Kingborough and Huon team as a residential and rural agent. Well-known real estate teacher John Soundy joined, as a residential and commercial agent and auctioneer, and Naomi Van Schie and Lillian Jones joined the property management team. Now a leading real estate agent in the Kingborough and Huon region, Fall management and staff wish to extend their sincere appreciation for the tremendous support the company has received. The team looks forward to serving the Kingborough and Huon residents in all real estate sales, auctions and property management activities.

The Fall Real Estate team in Kingston Beach outgrew the original office, a former Telecom exchange. A Tim Penny Architect designed building was opened three years ago and the business continues to grow. (PS)

DEPARTMENT of STATE GROWTH

Davey Street Rehabilitation Work

Thank you for your patience as we repair the road surface on Davey Street.

**Detoured access into South Hobart**

Until 28 November, between the hours of 6.30pm and 6.30am, there will be **occasional detours for traffic from Davey Street into South Hobart** while we lay new road surface at the intersection with the Southern Outlet. Please refer to local signage and allow for an **extra 15 minutes travel time**.

**The detour**

Light vehicles can detour to South Hobart via Lynton Avenue.

Heavy vehicles will be detoured onto the southbound lanes of Southern Outlet, turning at the Olinda Grove interchange to return into South Hobart via the northbound lanes on Southern Outlet. They can then access South Hobart via the left turn lane on to Davey Street, which will remain open.

Emergency services will be escorted through the worksite to access South Hobart.

**Ongoing traffic changes**

We will be working nights between **6.30pm to 6.30am** from **Sunday to Thursday**. Where a shift is lost due to poor weather conditions, work may be rescheduled to include **an optional Friday night**. Night time lane closures and reduced speed limits will be in place. Motorists should allow up to **eight minutes extra travel time** during the roadworks period.

Two lanes of traffic on Davey Street will remain open during nightworks.

Please follow speed limits and the directions of traffic controllers and signs. A reduced speed limit will also be in place during the day for the roadworks period.

**Other changes**

There will be no street parking available in the work location.

There will be some temporary, nightly disruptions to bus stops. Please follow your service provider's alerts and look for any local signage.

This project supports the delivery of projects within the Hobart City Deal. For more information about this project, visit [transport.tas.gov.au](https://transport.tas.gov.au).

Kingborough Park and Ride Facilities

We are building two park and ride facilities for the Kingborough region.

One will be built in **Huntingfield** near the Algona Road roundabout, and the other will be built on **Browns Road** in Firthside.

The park and ride facilities have been designed to be safe and inviting spaces, with better commuter parking and passenger transport services.

This supports the suite of projects within the Hobart City Deal.

Traffic changes

We will be working between **6am** and **6pm** from **Monday to Saturday**, starting with the Firthside facility on **Monday, 16 August 2021**. There will be lane closures and a reduced speed limit. Road users of Browns Road and Huntingfield Avenue should allow up to eight minutes extra travel time. Please keep to speed limits and follow the directions of traffic controllers and signs. No traffic impacts are anticipated to the Channel Highway, Algona Road Roundabout and Southern Outlet.

Parking changes

During construction there will be changed parking conditions.

Please allow extra time to park and follow the directions of traffic controllers and signs.

Bus changes

There may be some temporary disruptions to bus timetables and stops. Please follow your service provider's alerts and look for any local signage.

## Barefoot bowls and all

**Presenting the Kingborough Bowls and Community Club's weekly roundup, courtesy of Pat Lee.**

### **Bowls Tasmania south pennant competitions**

The Bowls Tasmania south pennant competitions on Saturday, November 6 looked set to be impacted by inclement weather once again, with the forecast of a storm due to hit at 2pm.

Thus, many games commenced earlier than usual to reach the required number of ends to be played, so a result could be obtained in case of bad weather.

Kingborough's Premier Division team had the luxury of playing undercover in the Donald Hazell Indoor Centre, safe and dry on the day.

They hosted the visiting team from the Cremorne Bowls Club.

Kingborough won on three of the four rinks played, for an impressive 96 shots to 65 shots win over the visitors.

Will Coad with his rink of Callum Dinning, Shane Garth and Robert O'Neill lead the way winning 28-13.

Jason Fowler with Anthony Rowe, Graeme Walker and Nathan Dinning won 28-19, and Ryan Guy with Jeff Parsons, Jack Butler and Brent Forsyth won 23-11.

Division 1 enjoyed their day out when they travelled to Buckingham Bowls Club at Newtown for their game.

They defeated their hosts on all four rinks played, for 102 shots to 59 shots overall win.

Maddison Johnson with Ann Hinkley, Daniel Holland and Iain Dinning won 30-13.

Michael Andersch with Vince Grimes, Ian Harris and Laura Beat won 25-12.

Tony Verrier with Ken Du Bois, Lynn Barlow and Jim La Duke won 26-19 and Tony Clarke's rink of Conrad Westhead, Geoff Price and Michael Steele won 21-15.

Division 3 played their game at Buckingham too, making a clean sweep also on all four rinks for an overall 77 shots to 53 shots win.

Fred Shead with John Iles, Lee Shead, and Mike Westlake won 21-13.

The rink of Allen Sculthorpe with Mark Drake, Brock Bricknell and Paul Clements won 18-14.

Greg Riley with Sue Mann, Tyler Forsyth and Terry Thompson won 20-13 and Anthony Sculthorpe with John Mac, Vicki Bannister and Bruce Moran won 18-13.

In a close game, Division 4 played host to the visiting Royal Hobart Bowls Club team on grass at Margate.

When the game was called off due to the torrential rain around 3.15pm, the required number of ends had been played to give a result, with Kingborough winning overall 68 shots to 60.

Kingborough won on three of the four rinks played.

Phillippa Martyn with Peter Oates, Sally Bowes and Nadine Seabourne had an excellent 23-9 win.

Carmel Rainbird with Kerrie Lane, Frances Phillips and Roger Duggan won 23-14, meanwhile Pat Lee with Les Connell, Bill Reeve and Stuart Traill snuck over the line, 16 shots to 15.

Division 5 travelled away to Claremont Bowls Club for their game and unfortunately didn't have the day they'd hoped for.

They became the only Kingborough Division to lose on the day when Claremont defeated them on all three rinks played, winning overall 69 shots to 41 shots.

Division 7 had a convincing runaway win over the visiting Cremorne Bowls Club team on grass at Margate.

They defeated their guests on both rinks played for 43 shots to 15 shots drubbing.

Michael Cawthorn with Ian Cockshutt, Robert Wallace, and Roger Bastone won 22-6 and Ray Palmer with Geoffrey

Tomlin, Hugo Connor and Todd Broadby won 21-9.

### **Wednesday mid-week competition**

In the Wednesday mid-week competition, rain again came into play.

Division 1 travelled away to Cremorne, where the game was washed out resulting in both teams sharing points on the day.

Division 3 played in comfort in the Donald Hazell Indoor Centre, against the visiting Royal Hobart Bowls Club team.

Playing on synthetic green helped the visitors to some extent as their home green at Hobart is synthetic, and this saw Royal Hobart come away winning on two of the three rinks played.

However, Kingborough succeeded in a three shot win overall, 57 shots to 54.

The Kingborough/Bruny Island rink skipped by Pat Lee with Geoff Eddington, Penaia Lese and John Kobylec had a runaway 26-11 win which brought the team home.

Division 4 also played in the Donald Hazell Indoor Centre against the visiting team from Cremorne Bowls Club.

Unfortunately, Kingborough lost on all three rinks played with Cremorne defeating them overall 65 shots to 50.

### **Thursday women's pennant competition**

In the Thursday Women's Pennant Competition all three Kingborough teams came away with wins.

Division 1 played indoors at home in the Donald Hazell Indoor Centre against the visiting Sorell Bowls Club team.

Kingborough won on all three rinks played, defeating Sorell Overall 66 shots to 40.

Vicki Bannister's rink of Sue Mann, Greta Murray and Pauline Connell led throughout the game and won 27-13.

Sue Clark with Kerrie Lane, Lee Shead and Maddie Johnson won 21-14 and Leonie Price with Karlene Beadle, Nadine Seabourne and Judy Traill won 18-13.

Kingborough's winning rink of Lorraine Walker with Theresa Direen, Ida Jones and Glenus Johnson won 22-11.

Division 4 also played at home at Margate against the visiting team from Brighton Bowls Club.

They defeated the visitors on all three rinks played for an overall 74 shots to 59 shots win.

Maureen Sculthorpe with Kay Ashlin, Michael McGinniss and Janene Stubbs won 28-19.

Jean Hemmings with Margaret Thorp, Roger Bastone and Dot Peterson had a 22-17 win.

Meanwhile Elaine Cockshutt with Carlene Crane, Ray Palmer and Nona Clark managed a one-shot win, 24-23.

### **Barefoot bowlers**

Although sessions are called barefoot bowls, most participants prefer to wear comfortable flat soled shoes.

The Thursday evening barefoot bowlers are developing their bowling skills week-by-week under the watchful eye of club member Bruce Moran.

The group members are thoroughly enjoying the sessions and are now playing fierce competition each week.

Members enjoy a barbeque meal before getting into the action of the night.

Bowling experience is not required as tuition is provided to new bowlers prior to the competition stage.

Anyone interested in joining is welcome to contact the club for more details or just turn up at around 5.30pm on Thursdays.
