## Giving tree sharing joy throughout Kingborough

### The giving tree is spreading joy.

The Kingborough Helping Hands (KHH) Giving Tree was launched in Channel Court Shopping Centre on November 26.

Local school children from St Aloysius Catholic College enthusiastically assisted with the decorating of the tree, which stands outside Woolworths.

St Aloysius Catholic College teacher Carol Reynolds said the children represented three classes of Grade 3 students.

The local Woolworths team have volunteered their time for a number of years to assist KHH deliver and unload stock for hampers.

The team from Raine and Horne delivered eight bicycles, one of which was donated by an anonymous donor.

The bikes were assembled by KHH volunteers Chris Burrige and Rob Atkin. Lucy Newton and Emily Direen delivered toys and gifts on behalf of the team at Glendon Insurance Brokers in Kingston.

The Glendon Insurance team and Woolworths staff-volunteers assist KHH volunteers each year to pack and deliver grocery hampers to Kingborough's most needy.

Meanwhile, Lucy and Emily's work colleague Liane Bogert assists with the wrapping of donated gifts.

KHH president Edna Pennicott OAM said KHH distributed 900 gifts last year and would be very happy to receive any gifts until December 22.

"We appreciate new goods for adults and children for Christmas," said Ms Pennicott.

"We're happy with anything. The focus this year is on the working-class poor. These are the people that are struggling. We need small donations too, they all add up."

## Wolfe Brothers grab Golden Guitars

### The Wolfe Brothers have landed seven nominations in the 2022 Golden Guitar Awards.

Local duo Tom and Nick Wolfe hope to bring a few Golden Guitar's home. "We are blown away and beyond humbled to receive seven nominations in the upcoming Golden Guitar Awards," said Tom.

"After a few tough years for the music industry it has been wonderful to still be able to celebrate this. We are hoping we can bring a few Golden Guitars back home to Tasmania."

Tamworth Regional Council and the Country Music Association of Australia Inc (CMAA) announced the finalists on Tuesday, November 23.

The nominees were selected from more than 760 entries, which CMAA said was the largest number of submissions ever for the awards that celebrate its 50th iteration next January.

The Wolfe Brothers are joined alongside country music heavyweights such as Troy Cassar-Daley with eight nominations, Shane Nicholson and the duo of Felicity Urquhart and Josh Cunningham with five, and Angus Gill picking

up four nominations.

The nominated categories for the Wolfe Brothers include vocal collaboration of the year, music video of the year, contemporary country album of the year, heritage song of the year, group or duo of the year, with the highly prestigious nominations for song of the year and album of the year.

The 50th Golden Guitar Awards night is schedule for Saturday, January 22, 2022.

# LETTERS TO THE EDITOR

## Fifth lane

Dear Editor,

I enjoyed the letter by Simon Wright (November 23), discussing the proposed fifth lane from Kingston to Hobart.

He seems to have analysed the problem well, but I think his reference to engineers, logic and common sense is a little unkind.

I think engineers are quite good at logic and common sense, and part of the problem is that they are relatively low in the pecking order and are not asked, "is a fifth lane here a good idea", rather they're told, "design a fifth lane here".

Dr Wright makes several sensible suggestions and asks a few questions including why not change com-

muter behaviour?

I think I can answer that question.

Dr Wright's suggestions require many small changes to many pieces of the transport network.

Politically attractive solutions are those that require few big changes to few pieces of the network.

It is useful for Dr Wright to present numbers identifying the facts of the problem, but many people are not wonderfully numerate, and I think a plumbing analogy might help the understanding of the problem.

We have a four-inch pipe delivering traffic to a two-inch pipe. If we replace the four-inch pipe with a five-inch pipe, we'll achieve a good approximation of nothing.

## Breathing smoke is a problem

Dear Editor,

During this last winter, I like many others have experi-

ences breathing problems and other symptoms due to the proximity of a neighbour's chimney.

Regrettably the Kingborough Council seem to have a problem with smoke inertia.

It's not that I wish to trivialise the problem, but I wondered if a bowdlerised version of Wordsworth poem *Daffodils* could show a different perspective from a plant? Apologies to Wordsworth.

### Particulars on particulates

*I wandered lonely as a cloud,  
That floats like smoke on high,  
When all at once,  
I saw a bunch of particulates  
Floating by!  
The daffodils cried and cried,  
But no one heard their plea,  
The smoke is killing us on high,  
And all of us will die!*

# The basics of early childhood

The Basics Tasmania held an early childhood pop up event at the Kingborough Community Hub recently to show case the work of all early childhood educators in the Kingborough region and to celebrate the learning with families.

Many families participated and heard the key messages of the organisation:

- Maximise love, manage stress;
- Read and discuss stories;
- Count, group and compare;
- Talk, sing and point; and
- Explore through movement and play.

Eighty per cent of all brain development occurs in the first three years of life, so all community members can make a positive impact on a child's development.

There were many opportunities for children to play with a variety material, water, slime and beans and peas.

Some children practised their fine motor skills to make pretty bouquets to take home, while being supported by an educator.

There were many oral literacy experiences to read, talk and point to with the children while labelling items, listening to new vocabulary and asking questions.

A community health nurse was also available to ask questions about childhood milestones and the mental health issues many families experience after the birth of their child.

Mascot Percy (the possum) also made an appearance to chat with the children.

The event focussed on the importance of the first three years to ensure all children have access to high quality practices that promote and boost their learning now and into the future.

# Picnic in the Longley paddock

The Friends of Longley Area Group are holding a Picnic in the Paddock event in Longley on Sunday, December 5.

Mayor of Kingborough, Cr Paula Wright is scheduled to launch the *North West Bay Catchment Plan*.

This free family event will offer community members the opportunity to peruse information booths on Patula Nayri traditional fire methods; native flora, fauna and

property care; waterway protection; fire prevention and planning and more

Children will be entertained by local children's entertainer Crazy Daisy and enchanted throughout the day with magic shows, face painting and circus skills.

There will also be a jumping castle on site all day and a free sausage sizzle.

An interactive question and answer discussion with guest

speakers will be held in the middle of the day to provide a forum for community members to share views on maintaining and enhancing our local environment and to gain information from panel members.

The event is sponsored by the Kingborough Council and the Longley International Hotel Social Club.

The picnic will take place from 11am to 3pm, at the Matthews Road Recreation Ground in Longley.

# Opposition on bulldozing Dynnyrne homes

Over 2500 Tasmanians have signed a petition opposed to Infrastructure Minister Michael Ferguson's plan to bulldoze homes to widen the Southern Outlet.

Travellers along the Southern Outlet may have noticed red crosses on the fences of Dynnyrne homes.

Labor Member for Clark Ella Haddad MP sponsored the petition and was joined by affected residents when she formally tabled the petition in Tasmanian Parliament on November 24.

Ms Haddad said Mr Ferguson should "listen to residents and stop recklessly pushing ahead with this plan, a plan that would not actually do what is needed to address the traffic congestion issues on the outlet."

"Today I tabled the petition signed by over 2500 people calling on the government to stop this project and it is time their voices were heard," Ms Haddad said.

"Minister Ferguson continues to push ahead with his plan to demolish homes on Dynnyrne Road despite strong opposition from residents, and despite the fact the plan won't address the issue of traffic congestion."

"A short extra strip of road from Olinda Grove to Macquarie Street is not going to fix traffic congestion and the community can see right through this cruel flawed plan."

"Mr Ferguson is planning to unnecessarily demolish people's homes, plunging them into the most inflated housing market we've ever seen, at a time when Hobart is the least affordable city to rent in the nation and the housing crisis continues to grow."

"The Minister's performance in Parliament today was incredibly disrespectful to residents, and despite saying there would be "far fewer" than 17 homes demolished, it is clear he has no idea what the actual number is."

"Mr Ferguson should stop this project, it is cruel and will not do anything to fix Hobart's traffic woes."

SOS Hobart 2021 member Tony Dell said the residents' group placed the red crosses on the fences of 17 Dynnyrne homes whose owners were told by the Government's consultants, WSP and Pitt and Sherry, that their homes were to be acquired and demolished.

"The Government continues to deny that this happened but have, nevertheless, refused to be transparent and publicly advise how many homes will be affected and how."

"It is on this issue that Michael Ferguson MP continues, erroneously, to say SOS is being misleading."

"We know that at least two houses, numbers 34 and 40 Dynnyrne Road, have been acquired and we think also number 42, but at least another 11 are in limbo with the (State) Government playing ducks and drakes; telling one owner one thing, other owner's other things and then changing its mind."

"It is a classic divide and conquer strategy based on the necessity for negotiations with individual owners but, coincidentally, being used as an invalid excuse for its lack of public transparency about its intentions."

"We also know that the other three of the original 17 have been given a wink and a nod that they won't now be impacted, but no written formal confirmation."

"Also at least one of those three has been again approached to discuss a probable impact."

The *Kingborough Chronicle* wrote to Minister Ferguson on November 25, asking for confirmation of the number of houses to be demolished.

"Can Minister Ferguson please confirm the number of properties to be demolished under the Government's

current plan?"

"Has the Minister and/or the Tasmanian Liberals received political donations from private consultants, engineering and/or construction firms with potential to profit from removing homes and widening the Southern Outlet?"

"If so, would the Minister agree this could be a potential conflict of interest?"

Minister Ferguson did not confirm the exact number of properties to be demolished.

"Despite the incorrect assertions of Labor, there will be far fewer than 17 homes impacted by the project designed to help congested traffic move better," replied Minister Ferguson.

"Further, it should not be assumed that properties will be compulsorily acquired."

"I acknowledged in Parliament the concerns of those who signed the petition and I have instructed that property acquisitions should be minimised as part of this project, which will be to the benefit of the commuting public from Kingborough and the Huon Valley."

"The Southern Projects has, from inception to now, followed good governance and been subject to robust checks and balances, as have all our infrastructure projects. "There is no conflict of interest."

# The message on prostate cancer: get tested

**Former Member for Huon Paul Harriss is now living with advanced, metastasized prostate cancer and has an important message for Tasmanian men.**

Get tested. Around 550 Tasmanian men are diagnosed with prostate cancer annually, meanwhile over 100 die from the disease each year.

Cancer Council Tasmania have been raising awareness of prostate cancer during November, holding an event at the Southern Cancer Support Centre in Sandy Bay on Wednesday, November 17.

Former Member for Huon Paul Harriss was invited along to share his cancer journey.

Paul's story is a warning on how not following-up a prostate-specific antigen (PSA) test can lead to devastating circumstances.

The PSA test is a blood test used to screen for prostate cancer and it can be done at a GP surgery.

"A good mate of mine died at the age of 58 in 2001," recalls Paul.

"I visited him a number of times after he had a prostatectomy, but he died three years later.

"After that, I decided to get a PSA test every year and I was very disciplined about it."

Paul said in April 2019, he went for a yearly test and the result recorded a "blip".

"My GP said I should get another test in three months," recalls Paul.

"I put the pathology form beside my car keys as a constant reminder.

"But when it came time, it was July in the middle of winter and I just never got around to dropping into pathology in Kingston.

"I had no symptoms and no pain".

Paul Harriss eventually had his next test in December 2020.

"I went to see my doctor for the results and he said, you're in trouble," continued Paul.

"My PSA reading was 24."

Paul had nuclear scans in January this year and returned to his doctor.

"The scans showed that the prostate cancer had metastasized into my bones (in particular the) pelvis, ribs and spine, but not into any organs.

"However, my PSA had jumped to 156, and I found out later the alarm bells start ringing at 5.9, so this was very aggressive".

Paul was immediately put on hormone therapy and over three months his PSA decreased to 1, but in September this year it began increasing again.

The 67-year-old is now working with his oncologist to extend his life for as long as possible and enjoying time with his four children and 11 grandchildren.

"I have no symptoms and very little pain," notes Paul.

"It was just the PSA test that I missed.

"If I had gone for that test in July 2019, who knows what may have happened.

"But those are 'what ifs' and I'm not going to live my life thinking like that.

"My attitude is that we have to deal with it and do whatever we can to extend life."

Paul said his message to Tasmanian men is, to be informed.

"Whatever the suggested age to have the PSA test, talk to your GP and have the blood test," said Paul.

"It's once a year, a little needle.

"Don't be complacent.

"Don't be ignorant.

"Just do it."

Cancer Council Tasmania CEO Penny Egan said major risk factors for prostate cancer include age and family history.

"Cancer Council recommends that men get to know the symptoms of prostate cancer, and if they experience any of these symptoms, they should discuss their options with their GP," said Ms Egan.

"Every man has the right to decide for himself whether or not to be tested, and that his decision should be an informed choice."

**Cancer Council Tasmania CEO Penny Egan and former Member for Huon Paul Harriss raised awareness regarding prostate cancer during November. Paul Harriss is sharing his cancer journey and encouraging Tasmanian men to get tested. (PS)**

# eScooters hit Tasmanian streets this summer

**Electric scooters will be out and about on our streets this summer as another mode of transport, after the Tasmanian Government unanimously passed an amendment to the Traffic Act 1925.**

The eScooters are restricted to a speed of 15 kilometres per hour on footpaths, and 25km/h on shared paths, bicycle paths and local roads.

Anyone aged 16 years or over can use an eScooter provided they wear a helmet, comply with all road rules and are not using a mobile phone.

Tasmania Police have the power to confiscate devices ridden without due care and attention.

The uptake of eScooters has grown in popularity in cities globally as a cost-effective, low-pollution and convenient

transport alternative, replacing cars for short commutes.

In a media release on November 22, Minister for Infrastructure and Transport, Michael Ferguson MP said councils will have the power to restrict footpaths that should not be shared and to add divided local roads to the network on a case-by-case basis.

"These modern e-scooters, which contain a range of

safety features such as pedestrian detection sensors and poor rider behaviour detection, will be used at certain speeds on most local roads, footpaths, shared paths and bicycle paths," said Minister Ferguson.

"A public education campaign on the legal and safe use of eScooters will be delivered next month, and an evaluation of the regulatory framework will be conducted after one year."

# Bruny Island general meeting

**The Bruny Island Community Association held its annual general meeting on Sunday, November 14 with the president of the association, Bill Hughes, re-elected unopposed.**

The meeting inaugurated the Leigh Higgins Award for Volunteering, with Leigh himself the first awardee.

Leigh is a local ambulance service volunteer of 60 years, a former councillor and former principal of the Bruny Island District School.

Kingborough Councillor David Grace was awarded an honorary life membership of the association for his long-term service of Bruny Island ratepayers over 20 years.

**The Bruny Island Community Association (BICA) secretary Tania Mayne, award recipient Leigh Higgins, federal Senator Eric Abetz, candidate for the federal seat of Franklin Kristy Johnson, award recipient and Kingborough Councillor David Grace, BICA president Bill Hughes, State Member for Franklin David O'Byrne MP and BICA vice president Tammy Price at the BICA annual general meeting on Sunday, November 14. # Broadway musical theatre in Taroona

Students at Taroona High School have been busy preparing for this year's musical production of *The Addams Family*.

With the curtain rising on December 3, the production team are in full swing.

Introducing Taroona High School student Madeline Wapstra as the *Kingborough Chronicle's* guest columnist for the following article.

Madeline interviewed various cast and crew members to set the scene and usher the audience to their seats.

## Taroona High School presents *The Addams Family*

The Addams Family is a comedy musical, newly adapted for schools from the off-Broadway production, about embracing the quirks and wackiness of every family.

Taroona High School's production includes an orchestra from the school's music department, around 40 cast members chosen through auditions and many people working behind the scenes, including lighting and stage crews.

From the start of the year, the large number of students involved have been developing their skills and confidence needed to put on a full production.

Singing as a group and in solo with live music played by the production orchestra, learning dance routines, and working as a team with everyone involved.

"Spending time with students who share common interests and have the same end goal provides the strongest sense of community," commented Grade 9 student Lillian.

Students have learned just how much teamwork and cooperation is needed to produce a full production and know the comedic elements of the script and the people on the cast.

"The main things I have learned are the art of putting together a musical production and how to present myself on stage through my character in vocals and body language," commented Henry, who plays the character Pugsley.

"Getting to know my character and learning new ways to experiment with my character has been really fun, and it has also been really fun seeing all of the characters come together," commented Hanna-Jane, who plays Grandma.

Sessions run from 7pm to 10pm on December 3, 4, 6 and 7.

Tickets available through Taroona High School on the Qkr! App or via the Taroona High School webpage <https://www.trybooking.com/BVTGH>

# Something for everyone at the hub

A Baby and Kids Market, an art exhibition, a pop-up youth space, a community barbeque and giant games on the lawn.

There's much to see and do at the Kingborough Community Hub in the lead up to Christmas.

"The Community Hub is proving to be a very busy in the lead up to Christmas," said Kingborough Mayor, Cr Paula Wriedt.

"With a jammed packed schedule there is something for everyone with art exhibitions, markets, community BBQ's, pop-up youth spaces and music and food on Friday nights.

"This week an exhibition of St Aloysius Catholic College year 10 students, with almost 1000 pieces of art works will be held in the auditorium and include live performances.

The inaugural Baby and Kids Market will kick off at 10am on Sunday, December 5, offering a great opportunity for

families to pick up a bargain for Christmas.

"As well as the market there will be a community barbeque and giant games on the lawn and not to mention Tasmania's favourite play park a stone's throw away.

"Mission Australia and Council's Youth Services team will run a pop-up youth space featuring 'Barbeques and Beats' in the youth area of Kingston Park from 3pm each Thursday during December," Cr Wriedt said.

"Every Friday until December 17, Council are running a food truck and music night on the lawns behind the Community Hub.

"Friday Night Live Bites lets parents, friends and family relax on the lawns and listen to some live music while they entertained by a different musician every week."

# Parliamentary Friends of Dementia launched

The Parliamentary Friends of Dementia was launched at Tasmania's Parliament House on Tuesday, November 23 by a gathering of parliamentarians and community groups.

Initiated by Kingborough-based Dementia Friendly Tasmania Inc (DFT), and hosted by Dr Bastian Seidel MLC, the State's elected representatives gathered to throw their support behind reducing the stigma of dementia.

Representatives from allied organisations, the University of Tasmania's Wicking Dementia Centre and Dementia Australia were also present along with tri-partisan support, including Deputy Premier Jeremy Rockliff MP and Rosalie Woodruff MP, and Anita Dow MP.

Co-founder of DFT, Di Carter, said the Parliamentary Friends of Dementia will assist in raising awareness

across Tasmania.

"After a number of years of our volunteer group raising awareness and understanding of dementia across the Kingborough community, this event gave us a platform to spread our message State-wide," said Ms Carter.

"We have a vision to make Tasmania the first dementia-friendly state in Australia.

"With political and community support we think we can do that."

"With an astounding 69 per cent of people living with dementia experiencing prejudice, we need to do better.

"Let's be more inclusive and kinder, and support people living with dementia and their family carers who are too frequently misunderstood," encouraged DFT President Kath Shearer.

## Good education starts with great relationships

At Southern, we believe the strong relationships we build between teachers, students and their families help develop happy, secure kids and the best learning outcomes. Our pastoral approach is supported academically by the International Baccalaureate (IB) program from Kinder to Year 10, followed by our TCE program in Years 11 and 12.

As a Christian school, Southern seeks to align academic life with spiritual learning in dynamic and meaningful ways to help our students develop resilient, creative and successful lives.

# Eliminating violence against women

**The Zonta Club of Hobart-Derwent hosted a breakfast on Wednesday, November 24 to mark the United Nations International Day for the Elimination of Violence Against Women.**

Kingborough-based attendees included Independent Member for Nelson, Meg Webb MLC, students from Kingston High Z Club and local Zonta members.

The 2017 Tasmanian Australian of the Year Rosie Martin was also in attendance.

The CEO of Tasmanian Women's Legal Service, Yvette Cehtel addressed the gathering as the guest speaker.

Meanwhile, a report identifying outcomes of Tasmania's trial of electronic monitoring of family violence perpetrators was tabled in the Tasmanian Parliament on November 10.

The Department of Police, Fire and Emergency Management commissioned the Tasmanian Institute of Law Enforcement Studies to undertake a series of evaluations of the implementation of Project Vigilance.

Tasmanian Government said the report makes a number of recommendations, including that the electronic monitoring of family violence offenders continues and that the program be expanded to include medium risk offenders.

Tasmania's Attorney-General Elise Archer MP said the report follows on from a successful joint trial of electronic monitoring of family violence offenders, undertaken by Tasmania Police and the Department of Justice that demonstrated:

- a 76 per cent decrease of high-risk incidents;
- a 75 per cent reduction of assaults;
- an 81 per cent reduction of threats;
- a 100 per cent decrease in reports of stalking; and
- 80 per cent of offenders did not re-offend in six months following the removal of the monitoring device.

The Zonta Club of Hobart-Derwent's president Mandy Johnson said the November 24 breakfast event was held to raise awareness of the extent and consequences of sexual and physical violence against women.

"This is a central part of the work of Zonta International," noted Ms Johnson.

"In Tasmania the Hobart-Derwent Club has been involved from day one in partnering with Citizen Tasmania in the production and dissemination of the *One A Week* video."

The club's organised programme for the year, in partnership with Citizen Tasmania, involves clarify areas of action within Tasmania.

"Building a coalition of concerned, interested people leaves scope for involvement in many different ways," said Ms Johnson.

"From supporting emergency shelter; to innovative long term safe housing options; to educational activities to improve understanding and recognition of the issues in both men and young people, to looking at options for

legislative changes to support the elimination of violence against women."

Jireh House in Kingston offers 24-hour crisis accommodation and support services to Tasmanian women and children escaping domestic violence and experiencing homelessness.

Women in need of a safe place or assistance can

contact Jireh House on 6232 3850 or visit their webpage for further information and real stories at <https://www.jirehhouse.org.au/about-jireh-house/>

Kingston High's Z Club members were a welcome addition to the Zonta Club of Hobart-Derwent breakfast on November 24. The event was held to raise awareness of the extent and consequences of violence against women. (PS)

Carer recognition consultation

Initial input is invited on the development of Carer Recognition legislation, with further consultation scheduled to take place in mid-2022.

Unpaid carers play a vital role, contributing significantly to the health, wellbeing and security of family members and friends who are in need of support and assistance.

The Tasmanian Department of Communities has released a short *Carer Recognition Legislation Discussion Paper*, including questions.

The discussion paper acknowledges that a person's caring role may be:

- Lifelong, such as an ageing parent or a partner or child with disability, acquired injury or chronic illness;
  - Short term, due to injury, acute illness, or end-of-life care; or
  - Episodic, due to mental ill health or degenerative conditions.
- Anyone can become a carer at any time during their

life, as a child, a young person, an adult, in retirement or old age.

They may be caring for their partner, parent, child, sister or brother, a relative or a friend.

They may be carers for a few months, several years or decades.

The unique journey of carers means that many do not see themselves as 'carers'.

They do what they do because it is a natural part, or extension of, their relationship with that person.

Written, video and audio submissions are being collected, and an online survey can be completed at [https://www.communities.tas.gov.au/csr/policy/Policy\\_Work/carers\\_policy\\_and\\_action\\_plan/carers-recognition-legislation-consultation](https://www.communities.tas.gov.au/csr/policy/Policy_Work/carers_policy_and_action_plan/carers-recognition-legislation-consultation)

Submissions, including the survey, will close on Friday, December 10.

School croquet in Kingborough

Students from schools and colleges in the Kingborough municipality are participating in their first ever inter-school croquet competition.

The competition is being played at the Kingston Croquet Club over six weeks during November and December.

Kingston Croquet Club member students from St Aloysius Catholic College and Taroona High School, and students from Kingston High School who have been attending regular weekly coaching as part of their sports studies curriculum, are participating as team members.

The first week of competition saw 13-year-old Jamie Fleming, representing the Kingston Croquet Club, win the Croquet Tasmania Bronze Medal, Division 3 competition, over the weekend of November 6 and 7.

## Unique retail and design experience in Margate

One of Kingborough's most unique retail experiences has made its home in Margate.

Songbird has celebrated the colour and diversity of Australia's birdlife, in their range of handcrafted jewellery and gifts, at festivals and markets around Australia for over six years.

The opening of their first store sees the beginning of a new chapter.

Songbird's new store offers a nest full of unique and thoughtful gifts, home and lifestyle products ethically and sustainably produced by a growing line-up of local designers and makers.

The items are produced by people that share a love of birds and nature, including the exceptional work of global artisans, crafting with purpose.

Letting the imagination take flight, Songbird brings joy to people of all ages.

Founded by Alexandra Sommer, the Songbird range

has also been spotted in Peppermint Magazine, Birdlife Australia Magazine and Australia's largest design event, The Big Design Market.

Alexandra has developed her design and interiors experience across a range of commercial, education and developing contexts, passionately supporting small artisan groups and fair-trade enterprises internationally.

The range includes the signature Songbird whistle necklaces, earrings and paperweight whistles.

An exclusive stockist of Chalk Paint by Annie Sloan, Songbird offers a range of in-store workshops.

Rejuvenating, up cycling or repurposing home furniture has never been easier, or more fun.

Visit Songbird at [www.songbirdcollection.com](http://www.songbirdcollection.com) and on Facebook, or enquire in-store at 1/1726 Channel Highway, Margate for bookings.

Open Tuesday to Friday, 9am to 4pm, and weekends 10am to 3pm.

## Christmas on the green

Established in 1967, North West Bay Golf Club is Australia's southern-most, 18-hole, regulation golf course.

Perfectly nestled between Kingston and Margate, the club offers a highly challenging golf course and fantastic views of North West Bay.

With growing membership and sponsorship, North West Bay Golf Club is offering the following membership specials for 2021/22:

- Juniors up to 17 years of age, only \$60 per year
- Full-time university student, just \$30 per month
- Introductory memberships starting at \$65 per month

### Twilight Market

The golf club's Christmas Twilight Market is lighting up on Friday, December 10, from 4pm to 8pm.

With over 20 local stalls, distilleries, food vans and

live music, the Christmas Twilight Market is the perfect opportunity for families to come out, enjoy the evening, pick up some Christmas presents for loved ones and support the local community.

The venue has recently undergone a renovation on the inside, and is perfect for Christmas functions, birthdays and other events.

"With daylight savings here and a great summer ahead, whether you are a member or guest, we are hoping we see more and more people out on the course and in the clubhouse enjoying themselves," said club manager, Kirk Pinner.

The golf course is open seven days per week and the restaurant is open Wednesday to Sunday for breakfast and lunch, and Thursday evenings for dinner.

"From all of us at the North West Bay Golf Club, we wish all Kingborough Chronicle readers a Merry Christmas."

"With daylight savings here and a great summer ahead, whether you are a member or guest, we are hoping we see more and more people out on the course and in the clubhouse enjoying themselves," said North West Bay Golf Club manager, Kirk Pinner. (PS)

Ninapatina, in Ranelagh on Louisa Street, is the place for ethical Christmas shopping, including locally made products. There's a wide range of great gift ideas. (PS)

## Locally made at Ninapatina

Ninapatina, at 14 to 20 Louisa Street in Ranelagh, creates useful things decorated in a fine, weathered patina.

Rust that is. "We have a huge range of garden ware, metal art, fire pits, hooks, sculpture, and garden edging that we make ourselves right here in the Huon," said Nina Koops, owner and operator of Ninapatina.

"We source locally or ethically import pots and planters, crystals, home decor, ethical fashion, plants, art and craft, furniture and sculpture.

"We're proud to now offer a coffee cart serving up

piping-hot locally-roasted coffee and locally grown tea. "We have an extensive pantry serving up the best the Huon and Tasmania has to offer.

"Local produce, cheese, olives, chocolate, cherries, lavosh and charcuterie."

Make the trip down to Christmas shop, support locally made products, grab some tasty goods for get-togethers and have a coffee and a sweet treat or cheese platter while you browse.

It's the perfect place to take Christmas visitors to grab that little-something to remind them of their trip to Tasmania.

## The Beaute Spot salon is growing beautifully

The Beaute Spot salon has had a great year of growth since Lauren purchased the business in January 2021.

The salon at Westside Circle, Kingston (behind McDonalds) doubled in size in August 2021 with more treatments and services available for customers.

The Beaute Spots latest addition and experience is the infrared sauna.

The sauna has been a great hit, offering many health benefits. Lauren explained how important the staff are to her and the salon's valued customers.

"I'm very lucky to have the most amazing support from my team members, Lisa, Rachael, Hailey and Laura,"

said Lauren.

"They are very passionate about the industry and are always learning the latest and greatest treatments and trends."

A special Shopping Spectacular is being held at the Beaute Spot from Tuesday, December 14 to Saturday, December 18 with fantastic discounts on gift vouchers, Dermalogica products and more, providing the perfect gifts this Christmas.

The Beaute Spot remind their wonderful customers not to forget Christmas appointments.

# Reel in the best Christmas gift

**The RL Welding Marine Centre is the go-to Christmas shopping destination for the boat owner and fisherman in your world.**

The chandlery and marine centre is located in front of the workshop in Patriarch Drive, Huntingfield.

RL Welding is a long-established local family business that has operated in Kingston for over 20 years, manufacturing a wide range of products from electric gates to handrails and staircases.

More recently the talented team have been manufacturing stainless steel products for the recreational and commercial marine industry, including bow rails, davits, canopies, bait boards and other custom accessories and scientific equipment.

The new chandlery and marine centre showcases their beautifully hand-made items and a host of high-quality marine products.

Everything a boatowner would need is on the shelves. The new modern showroom has been set up with the

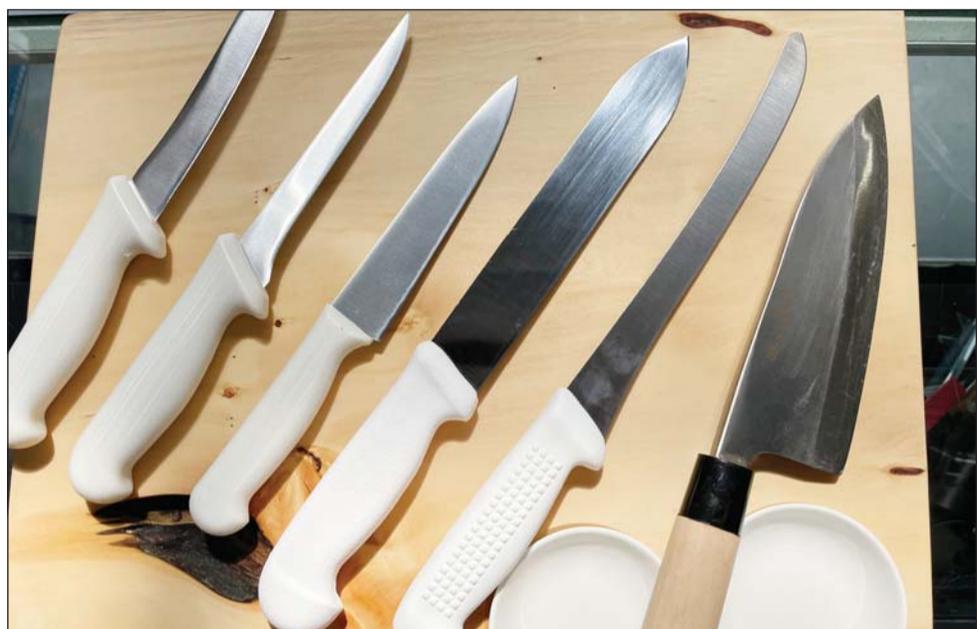

boatowner in mind, working from the front of the boat all the way aft.

From anchors and winches to Boatcatch systems, trim tabs, bait boards and even fuel tanks.

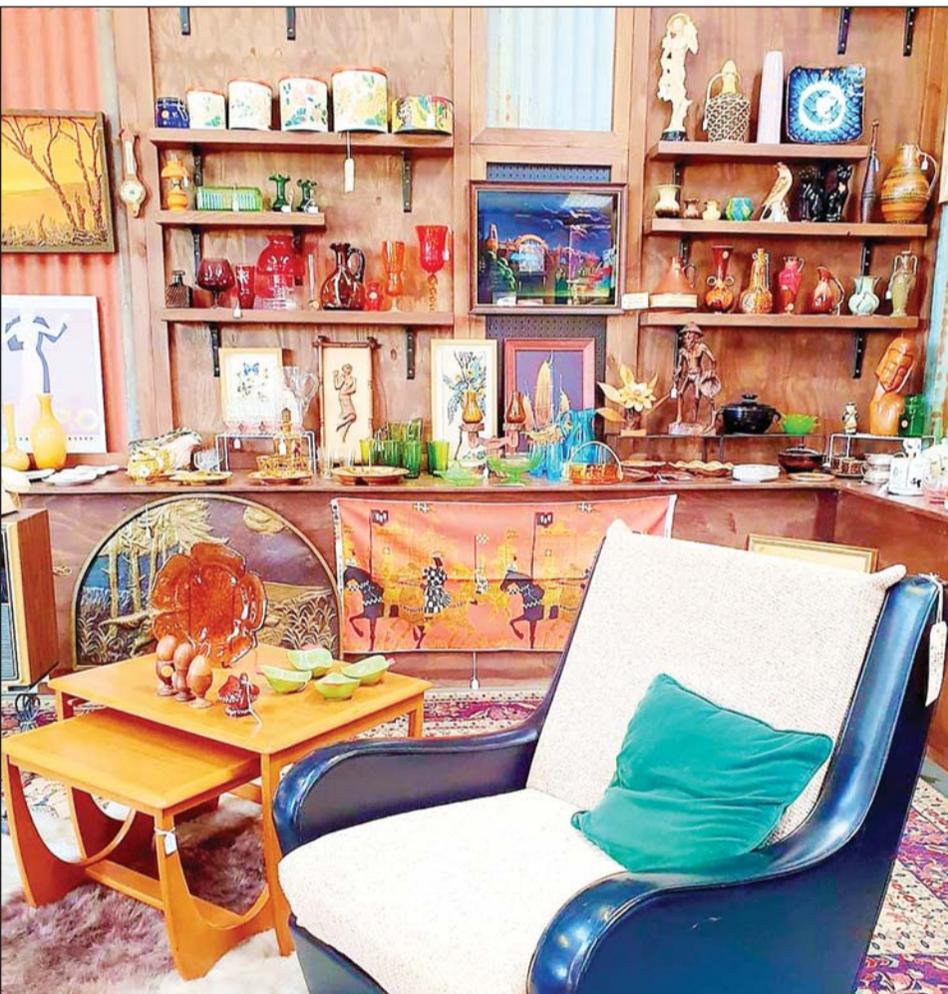

There is a working display of the Zipwake automatic trim control system and the prized RL Welding Pot and Line Haulers.

In the showroom you will see products and brands including BigVee Bow Stoppers, Boatcatch, Lone Star Marine anchors and winches, knife blocks, storage bins, safety products including flares, first aid kits, radar reflectors, lighting, electrical switches and fuses, Railblaza holding system, Icy Tech eskys and cool bags, PFD life jackets, wet weather clothing and footwear, fish and filleting knives, quality hand-made 'Joker' knives, rotating rod holders and more.

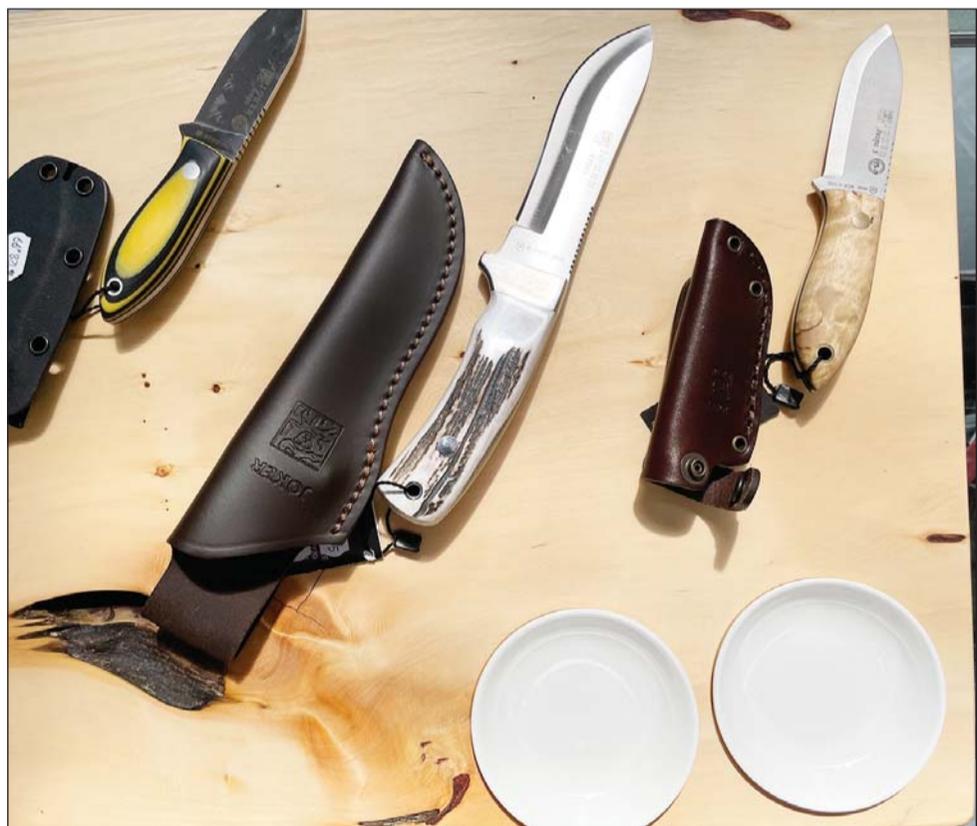

RL Welding's chandlery and marine centre is open from 8am to 5pm Monday to Friday and 9am to 12noon, Saturday at 2/22 Patriarch Drive, Huntingfield.

## A berry merry Christmas

**Berry season has arrived at the farm gate hut at Whispering Spirit in Franklin.**

Gooseberries and strawberries arrived first, followed by raspberries, sylvianberries, tayberries and red and blackcurrants.

All grown without the use of chemicals.

Just after Christmas, blueberries and heirloom tomatoes will be available.

"Come along to our farm gate hut and enjoy the atmosphere," said Whispering Spirit's Heidi Bauer.

"Pick some herbs for free and do some shopping at the produce stall, ring the cow bells loudly and we will help with anything else."

"Fresh breads, cakes and biscuits, and during the lead up to Christmas drop in for Christmas stollen.

"In the freezer there's ice cream made from berries, there's frozen berry delights and frozen fruits.

"Everything we make is homemade or home grown," said Heidi.

"Please talk to us if there's anything else you'd like to see added to our stall.

"We look forward to seeing you at our Farm Produce Hut!"

Whispering Spirit farm also welcomes enquiries from other outlets for their berries, especially blueberries, red and blackcurrants and heirloom tomatoes.

For organic, home grown and homemade produce this Christmas, call in and see Heidi and her family at Whispering Spirit's farm gate stall. (PS)

## Handmade market milestone

**The Kingston Beach Handmade Market recently celebrated a very successful 9th anniversary market on Sunday, November 14.**

Many customers and visitors commented on the quality and variety of stallholders the market has each month.

"We have an incredible range of products for sale at the Christmas markets this year," said Patricia, the Kingston Beach Handmade Market coordinator.

"Paintings and sculptures by local artists, beautiful cards, clothing, jewellery and candles and soaps, print-

ed textiles, plants, garden sculptures and locally made gin are just a small sample of what is on offer.

"Supporting local small business at Christmas has so many benefits.

"Keeping the money in our local community, supporting local employment and helping the environment by eliminating carbon miles.

"When you shop small you are backing the small businesses in Kingston that strengthen and diversify our community," Patricia said.

Huon Aquaculture proudly employ locals from our smaller country towns, with 75 per cent of its workforce having a rural postcode. This Christmas, Huon Aqua encourage everyone to take the time to give back to the community in which we live and work. (PS)

## Christmas close to heart

Did you know that 75 per cent of Huon Aquaculture's workforce have a rural post code?

These are people who may coach a local footy team, volunteer for the local fire brigade or participate in the local progress association.

Whatever their role, big or small, these skilled workers are passionate about their towns.

Regional communities are the backbone of Huon Aqua's farming operations, and its regional presence does not stop with its staff.

Huon Aqua is supported by hundreds of contractors, suppliers and businesses across the Huon Valley, the Derwent Valley, the North East, the Latrobe municipality

and the West Coast to keep operations running smoothly.

Of all the communities Huon Aqua have supported in 35 years of farming, the Huon Valley and Southern Tasmania has always been at its heart.

This where Huon Aqua's team choose to develop careers, spend leisure time and raise and educate families.

This Christmas, Huon Aqua encourage everyone to take the time to give back to the amazing community in which we live, work and grow.

Shop locally, support the local butcher, bakery, or even salmon farm by purchasing quality local products for family and friends to enjoy at this special time of year.

# Kingborough Real Estate Guide

## Much sought after, spacious Kingston villa

**One of only three villas sharing spacious and meticulously cared for grounds and gardens.**

This unit will be sought after by buyers looking for low maintenance, private and secure living with a level entry.

Modern and contemporary, the home is beautifully presented and will be the perfect downsizer, first home or a great addition to an investment portfolio.

The open plan living, dining and kitchen welcomes plenty of sun, while the tiled floor and neutral colours bring versatility and practicality.

The kitchen has ample workspace, including a pantry and plenty of cabinetry.

The lounge area sliding doors lead to a secure, grassed space, allowing room for children or furry friends.

An avid green thumb will also love the opportunity to

create and grow a garden border, hedge produce.

There are two bedrooms, both with built-in wardrobes and the generously-sized bathroom would certainly accommodate a bath if desired.

The garage has direct access to the house and a storage room at the rear, with direct access to the backyard.

Be amongst the Kingborough community with all its recreational facilities, shops, schools, Mertonvale

Circuit and of course the wonderful beaches.

Kingston shopping centre hub is just two kilometres away and offers several supermarkets, medical facilities and all the amenities and services that one could need.

Theatres, art gallery and museum outings in the Hobart CBD are only 13km away.

DEPARTMENT of STATE GROWTH

### Davey Street Rehabilitation Work

Thank you for your patience as we repair the road surface on Davey Street.

#### Ongoing traffic changes

We will be working nights between **6.30pm to 6.30am** from **Sunday to Thursday**. Where a shift is lost due to poor weather conditions, work may be rescheduled to include an **optional Friday night**. Night time lane closures and reduced speed limits will be in place. Motorists should allow up to **eight minutes extra travel time** during the roadworks period.

Two lanes of traffic on Davey Street will remain open during nightworks. Please follow speed limits and the directions of traffic controllers and signs. A reduced speed limit will also be in place during the day for the roadworks period.

#### Other changes

There will be no street parking available in the work location.  
 There will be some temporary, nightly disruptions to bus stops. Please follow your service provider's alerts and look for any local signage.  
 This project supports the delivery of projects within the Hobart City Deal.  
 For more information about this project, visit [transport.tas.gov.au](http://transport.tas.gov.au).

### Kingborough Park and Ride Facilities

We are building two park and ride facilities for the Kingborough region.  
 One will be built in **Huntingfield** near the Algona Road roundabout, and the other will be built on **Browns Road** in Firthside.  
 The park and ride facilities have been designed to be safe and inviting spaces, with better commuter parking and passenger transport services.  
 This supports the suite of projects within the Hobart City Deal.

#### Traffic changes

We will be working between **6am and 6pm** from **Monday to Saturday**, starting with the Firthside facility on **Monday 16 August**. Work on the Huntingfield facility will begin on **Monday 22 November**.

There will be lane closures and a reduced speed limit. Road users of Browns Road and Huntingfield Avenue should allow up to eight minutes extra travel time. Please keep to speed limits and follow the directions of traffic controllers and signs. No traffic impacts are anticipated to the Channel Highway, Algona Road Roundabout and Southern Outlet.

#### Parking changes

During construction there will be changed parking conditions.  
 Please allow extra time to park and follow the directions of traffic controllers and signs.

#### Bus changes

There may be some temporary disruptions to bus timetables and stops. Please follow your service provider's alerts and look for any local signage.  
 For more information about this project, visit [transport.tas.gov.au](http://transport.tas.gov.au)

# Selfless Tiger retires

**One of the Tigers Football Club's finest and most loyal players has called time on his TSL playing days.**

Marcus Davies has advised the club due to his career demands he can no longer commit to the standards required at Tasmanian State League level.

Having played with the Tigers from 2015 to 2021 and also holding numerous roles in high performance, coaching, community engagement, facility and operations management, Marcus has been an outstanding contributor to the growth and achievements of the club, both inside and outside the boundary fence at the Twin Ovals.

Tigers senior coach Trent Baumeler acknowledged Marcus and his time at the club.

"I am very honoured to be able to speak on behalf of the playing and coaching group at the Tigers regarding Marcus Davies.

"Marcus has been one of the constants of this football program and

club and leaves a great legacy for our next batch of leaders to pick up moving forward.

"Unfortunately, with the demands of his employment, Marcus can't commit to a State League level program to the level that he expects of himself and the level he has ingrained in our players.

"In true selfless fashion, Marcus has put his hand up to step back and hand opportunity to others.

"We all will certainly miss his energy, care for his teammates and passion for the yellow and black.

"He has lived the adage of leaving the club in a better place than how he found it, whilst we are of course sad to see him move on his relationships and friendships will endure and we know he won't be a stranger.

"Thanks for everything Marcus and we wish you all the best for the future."

**Marcus Davies from the Tigers Football Club has called time on his TSL playing days. Marcus played with the Tigers from 2015 to 2021 and held numerous roles in high performance, coaching, community engagement, facility and operations management.** (PS Carolyn Whitehouse)

In the Cricket Tasmania Premier League (CTPL) second grade competition, the Kingborough Knights (6-248) won against Glenorchy (8-201) at Kingston Twin Ovals on Sunday, November 28. The teams were catching up on Round 1, after games were abandoned in previous week due to wet weather. Pictured is Knights' Zac Curtain lining up the ball. (PS Carolyn Whitehouse)

Margate won both their matches in the Huon Channel Cricket Association (HCCA) T20 Division 2 competition on Saturday, November 27; firstly, in the game against Kingston Crows then against Blackmans Bay. Pictured is Margate's Oscar Carter, bowling during the second game. (PS Carolyn Whitehouse)

# Open triples grand final champs

**On Sunday, November 21 Kingborough members, Tony Verrier, Michael Steele and Gavin Cleary did themselves and the club proud when they won the grand final of the Bowls Tasmania South Men's Open Triples Championship at the New Norfolk Bowls Club.**

## Open gender pennant competition

After the sixth round of the Bowls Tasmania South open gender pennant competition, Kingborough's premier division team continued their dominating form by remaining the only premier division team remaining undefeated this season.

Kingborough have won five games and drawn one.

On Saturday, November 20 Kingborough premier division hosted the visiting Claremont Team in the Donald Hazell Indoor Centre at the Kingborough Bowls and Community Club.

Kingborough won on all four rinks, with an overall 98-shots to 56-shots win.

Jarod Long with Jason Commene, Darren Reeve and Craig Griggs won 29-12.

The team of Will Coad with Callum Dinning, Shane Garth and Robert O'Neill also won with an exceptionally good margin, 25-13.

Jason Fowler with Anthony Rowe, Graeme Walker and Nathan Dinning won 22-15 and Ryan Guy with Jeff Parsons, Jack Butler and Brent Forsyth 22-16.

Division 1 travelled away to the Huon Valley, playing their game at the Geeveston Bowls Club. Kingborough defeated Geeveston overall 75 shots to 58, winning on

three of the four rinks.

Mark Crawford's rink of Gavin Cleary, Lynn Barlow and Tony Verrier had the biggest win of the day, 26-12.

Tony Clark with Geoff Price, Daniel Holland and Michael Steele won 18-11 and Maddison Johnston with Ann Hinkley, Jim La Duke and Iain Dinning got up by one shot, 17-16.

Division 3 also had a good day out when they travelled away to the Sandy Bay Bowls Club.

Kingborough picked up all 14 points on offer when they defeated Sandy Bay on all four rinks played, winning overall 81 shots to 68.

Fred Shead with Les Connell, Lee Shead and Mike Westlake won 20-14.

The other three rinks were all close tussles with Greg Riley's rink of Sue Mann, Tyler Forsyth and Terry Thompson winning 18-16.

Anthony Sculthorpe with John Mac, Vicki Bannister and Bruce Moran won 23-21 and Allen Sculthorpe with Mark Drake, Brock Bricknell and Paul Clements won 20-17.

The 'home ground' advantage did not help Kingborough's Division 4 team when they hosted the visiting Beltana Bowls Club team on grass at Margate.

Beltana gave the locals a memorable bowls lesson, defeating them overall 94 shots to 51 shots, winning on all four rinks.

Division 5 also suffered a loss when they travelled away to play at the Howrah Bowls Club.

Howrah defeated them overall 66 shots to 49 shots.

Kingborough won on one of the three rinks played and drew on one also.

Peter Kirby with Gordon Hynes, Regina Hayes and

Elizabeth Rickards managed a 19-18 win.

Lee Connors with Fiona Hickey, Lindsay Pearce and Tony Chaffey drew 19-19.

Meanwhile, Kingborough's Division 7 team had a landslide victory against the visiting Royal Hobart Bowls Club team on grass at Margate.

Kingborough won on both rinks played, for an outstanding 69 shots to 15 shots drubbing over the visitors.

Michael Cawthorn with Ian Cockshutt, John Shipley and Roger Bastone won 39-8 and Ray Palmer with Hugo Connor, Geoffrey Tomlin and Todd Broadby won 30-7.

## Wednesday mid-week competition

In the Wednesday mid-week competition, all three Kingborough teams met stiff competition and were defeated on the day.

Division 1 travelled away to Glenorchy Rodman Bowls Club. Their host won on all three rinks and defeated Kingborough overall 64 shots to 45 shots.

Division 3 hosted a team from the Orford Bowls Club and in a game which could have gone either way all day, the visitors defeated the home team overall by just four shots, 56 shots to 52 shots. Kingborough won only one rink of the three rinks played.

Tom Ferguson's rink of Peter Oates, Jim Beadle and Michael Harris won 21-15.

Division 4 hosted the Glenorchy Rodman 1 team and were defeated overall by the visitors 78 shots to 48 shots, with Kingborough winning on one of the three rinks played.

Allen Sculthorpe with Robbie Wallace, Dale Saunders and Roger Duggan were well down in the initial stages of the game but fought back well to get a one shot win, 20-

19.

## Thursday women's competition

In the Thursday women's competition, Kingborough's Division 1 team had the privilege of hosting the visiting Dover RSL Bowls Club team in the Donald Hazell Indoor Centre.

The home team had an indoor field day, winning on all three rinks and doubling Dovers overall score 88 shots to 44 shots.

The highest winning rink on the day was Vicki Bannister with Laura Best, Greta Murray and Sue Mann who won 33-14.

This outstanding win was set up by the exceptional lead bowling from Laura Best, ably backed up by Greta.

Vicki stated that she had an armchair ride due to the skill from her front-end players.

Sue Clark and her rink of Kerrie Lane, Lee Shead and Maddie Johnston also had a day out winning 33-16.

Leonie Price with Judy Traill, Nadine Seabourne and Karlene Beadle also had a good 22-14 win.

Nadine found this game emotional as she'd been a Dover club member prior to transferring to Kingborough at the beginning of this season.

Ironically, Nadine played against the Dover rink where she'd previously played as a club member.

Division 2 found the going tough on the slow, heavy green at the Cygnet Bowls Club.

The Cygnet team handled the conditions much better than the Kingborough team, coming away with an overall win, 56 shots to 26 shots.

The game was called off due to the commencement of rain, but the required number of ends played to obtain a result had been reached.

Cygnet won on all three rinks played.
