Movement over salmon industry

The Tasmanian Government was warned last weekend that the growing movement against industrial salmon feedlots in coastal waters would spill into the next state elections.

ISSUE No. 672

The warning came as more than 100 crafts and 400 people on the beach gathered for the Join In Salmon Out protest at Coningham Beach and in the D'Entrecasteaux Channel on Saturday, March 18. Booker Prize winning author Richard Flanagan said if the government

failed to listen they would be punished at the polls. "We need an ICAC to investigate why this industry seems to be above the law and we need new representatives who listen to the people.

"For those politicians who would dismiss this I have just two words: teal wave."

Many of the watercraft, including sailing boats, fishing vessels, tinnies and kayaks encircled the 25 Tassal Sheppards lease feedlots on the Channel to demand they be removed from the waterway.

Killora Community Association's Gerard Castles, the lead organiser, said the protest against industrial salmon were getting bigger as plans to expand the industry were being drawn up by the government.

"The message is pretty simple," Mr Castles said.

"Get out of our water, get on to land or get out of Tasmania. "It's a toxic industry."

A spokesperson from Salmon Tasmania said "Salmon is a uniquely Tasmanian industry creating economic activity upstream and downstream around the state".

"Thousands of jobs are dependent on salmon farming both directly and indirectly and we are an important part of the economic lifeblood of many regional areas such as the Huon Valley and the Channel in the south, Strahan on the west coast, the southern region of the East

Coast and the north-west Tasmania," they continued.

"Furthermore, the industry had demonstrated a commitment to sustainability and the environment to ensure the industry's long-term

"This commitment has led to a global reputation for high-quality and sustainable farming practices, providing Tasmania with a competitive advantage in the international market and global career opportunities for our people and export opportunities for our knowledge, skills, equipment, and innovations.'

People from across the state, including from NWTAS for Clean Oceans, Tasman Peninsula Marine Protection, Marine Protection Tasmania from the East Coast and numerous groups from the south-east attended the protest.

LETTERS TO THE EDITOR

Are you paying attention?

I refer to the article 'Lower limits fall on deaf ears' (Kingborough Chronicle March 14, 2023).

There are good reasons why the State Government should not agree to the petition seeking 50km/h speed limits in Kettering and Snug.

The road conditions in both places are significantly different to those in Margate and Woodbridge, the road being wider, properly curbed and with much longer sight

Speed limits should be set according to the conditions and setting them too low will not improve road safety.

If people drive to the conditions and pay proper,

continuous attention to their driving they are very unlikely to be involved in a crash.

If they allow themselves to be distracted, however, they are very likely to crash regardless of the speed limit. Limits that are too low effectively turn safe and

responsible driving into an offence. They will be routinely exceeded and attempts to enforce

them will only encourage disrespect for the police. The current 60km/h limits in Kettering and Snug are

appropriate for the conditions and should not be changed.

The perils of procrastination

The roadworks in the middle of Kingston highlight the perils of procrastination.

Realistically, it is just a tiny piece of minor roadwork, but the chores that should have been done year by year over the past 20 or 30 years have been neglected for so long that a tiny piece of roadwork is causing gridlock at almost every intersection nearby.

Curiously, I think Council staff and even the Councillors themselves should not accept much of the blame.

They are as much the meat in the sandwich as we are, and plan silly improvements that we don't need because the rules of the game, mostly funding, don't allow them to plan sensible improvements that we do

A review of Councils is in the pipeline. Maybe that will fix some problems.

The Certificate IV Project Management training is delivered by the University of Tasmania and has been solutions to complex issues. Circular Head Aboriginal Corporation Community developed with the Local Government Association of TCF Chair Sally Darke said it was important that local

communities had the capacity to deliver on their own ideas and solutions to complex local issues

"Having people in local communities with project management skills will mean that ideas can be implemented locally with people who already have networks in those communities," Ms Darke said.

"A lot of project management training is focused on infrastructure projects, whereas this particular course is really targeted at program delivery - working with people to change behaviours, cultures to really deliver on key community initiatives.

"The feedback from north-west participants and UTAS has been overwhelmingly positive and so we are very confident that the program will be just as well received in the remainder of the state."

Circular Head residents Amber Power and Kori Kenny have both benefitted from the program.

"I had been in my role at the Circular Head Council for five years, but I had never found any formal training options that suited my lifestyle," Ms Power explained.

Projects Co-ordinator Kori Keny wants to bring her learnings from the program to better support her community's progress and resilience.

"Upskilling the people who live in our area not only benefits the individual, but the whole community," Ms Keny said.

"Local people understand the direct challenges and needs of the community and often know what the solutions are, but do not have the necessary skills and qualifications to address them.

"It has been a great opportunity to network with other professionals from various sectors, to collaborate and to share knowledge.

"The skills gained will help me to leverage existing assets and emerging opportunities to deliver successful projects in Circular Head.

The opportunity is open to all Tasmanians, with priority given to those living outside of City Council boundaries. Applications are now open for both the north and south, closing on March 31.

Tasmanian honour roll's latest inductee

Kingborough Mayor Paula Wriedt was inducted into the Tasmanian Honour Roll of Women on Friday, March 10 for service to community, advocacy and inclusion, education and training, government, public services and politics.

Cr Wriedt has represented Tasmanian communities for over 25 years in State and Local Government.

Despite at times dealing with personal insults and high-profile challenges, Cr Wriedt has demonstrated resilience, and an ability to make ongoing contributions. Paula was elected to the Tasmanian House of Assembly for the seat of Franklin in 1996 at the age of 27.

In 1998 she became the State's Education Minister, and at 29 years of age the youngest ever woman appointed to Cabinet.

While in that portfolio, she introduced significant policy initiatives including raising the school leaving age, banning corporal punishment, increasing teachers' wages, and elevating the status of childcare as early learning.

In 2000, she was the first Tasmanian member of Parliament to give birth during her office term, and she soon returned to her work, successfully juggling her Ministerial duties while being a new mother.

In 2002, Cr Wriedt was appointed Minister for Women and developed the Tasmanian Women's Honour Roll, with the first ceremony held in 2005 with 84 inductees. Cr Wriedt retired from the Tasmanian Parliament in January 2009 after battling depression.

This was a challenging period that attracted significant

Following her recovery, Cr Wriedt spoke openly about her own experiences to reduce the stigma around mental illness. In March 2010, Cr Wriedt was appointed as Chief

Executive Officer for Cystic Fibrosis Tasmania where she has been successful in growing the financial stability, reach and outcomes of the organisation.

Through this role, Paula has not only raised significant funds, but increased community understanding about this chronic, life-shortening condition.

In 2011, Cr Wriedt was elected as a councillor on Kingborough Council, and in 2021 became Kingborough's first female Mayor.

For the past eight years she has chaired Council's Disability Inclusion and Access Committee, advocating for improved facilities for people living with disability.

Cr Wriedt is a strong believer in social justice issues and continues to advance issues to make her community kinder and more inclusive.

New mural at Kingston High School

At Kingston High School, the abstract artist Bec Adamczewski visited to paint new life into our once bland environment.

She started painting on February 13, inspired by the surrounding hills, native plants, and the designs of the surrounding school buildings.

The vivid, undulating waves represent the water and the wind that cover Tasmania, demonstrating movement and mathematical waves.

Bec was happy to be chosen and thrilled with the results of the new mural that brightened the main entrance to Kingston High and the entire school!

It took seven hours to paint over several days and the

result was an amazing addition to the school's overall image, titled 'Ripple' for the blues and greens overlapping into waves.

The artwork intensifies with a broader range of colours as you walk further along the wall, broadcasting a welcoming feeling for everyone who enters.

"I hope the artwork will bring joy and vibrancy for many years to come," said Bec Adamczewski, artist of 'Ripple'.

Principal of Kingston High School Megan Bennell said "I love that it shows students and teachers the entrance to our school.

"It was boring to look out at plain concrete before."

Kingston High School entrance mural by artist Bec Adamczewski was completed during the first few weeks of the school year so the students could watch, admire and engage in the artmaking process. (*s)

Kingborough Mayor Paula Wriedt was inducted into the prestigious Tasmanian Honour Roll of Women on Friday, March 10. Paula was the original creator of the Tasmanian Honour Roll of Women in 2002 when she was Minister for Women. Pictured is Cr Wriedt with the Minister for Women Jo Palmer MLC.

Surviving your senior years

Kingston Neighbourhood House (KNH) is putting the final touches on their Seniors Program for 2023, the working title being the Senior's Survival Kit 'Surviving Your Senior Years'.

KNH's Bruce Geeves has developed a ten-week program addressing such interesting questions as:

- * Why do I only see my friends at funerals these days?

 * Why do I get my remote control and my keys confused?
- * Who values my experiences?
- * Why did I put my glasses in the fridge?
- * Can we please talk about something other than health issues and hip replacements?

Bruce said "As we mature we find sometimes our friends have moved away or don't get out as much

and we are wanting to create events and activities of interest that encourage us to move out of our comfort zone, meet new people and try new things.

"Ageing is not a sentence it is a chance to share and grow in confidence as we tackle issues that are important to us."

GPs, nurses and other community services that support KNH's involvement in the community that they love.

The program commences on Wednesday, April 12,

KINGBOROUGH TIGERS FOOTBALL CLUB JUST MEET THE TEAMS

From the Coaches' Box Tigers Senior Coach Trent Baumeler

We are content with our summer so far as we enter the final phases of our preparation with practice matches having commenced.

Our players have set strong attitudes and behaviours around how our football program runs, and we feel we have nad another strong summer of hard work to build a platform to give us every opportunity to have a successful 2023. Our reflection piece on 2022 is a process that takes place post season so that when we come into work in November our full focus is on what 2023 looks like and how a new group comes together and connects with each other.

Whilst 2022 will always hold fond memories for that group of players and coaches, we are firmly focused on what is right in front of us and the challenges that season 2023 will bring.

Our practice match against the Devils was very encouraging and being able to integrate some new faces into our system will stand us in good stead for our next practice game against last year's Old Scholars premiers Hutchins, which then leads into Round 1 traditional Good Friday clash against North Hobart.

As with every season, there is a two-way transition of movement amongst any playing group.

We wish all those departing Tigerland the best and they always know they have a home here at the Twin Ovals. Particular congratulations go to Jordan Lane and Zach Adams who were recruited by Port Melbourne in the VFL off the back of their strong performances in 2022; they are both fine young men who we will miss greatly.

Their recruitment again validates and shows why we need a tier one state league competition so aspirational players can be in a semi-professional environment and transition to higher levels and again shows the quality of our competition. Luke Graham has also decided to take a step back and play community football in 2023.

Luke is a two-time TSL team of the year member and has been a vital part of our team and club and will be sorely missed and we wish him well.

Joining Luke in taking a step back to community football are Jackson Keogh and Jake Doran and we thank them

or their efforts over the years. Brady Rees has been a very loyal Tiger and a great contributor to our club and is going to head up to Queensland

and play with Wilston-Grange Football Club. We also farewell a couple of overseas travellers in Sam Duigan and Riley Ashlin who are going to experience life

abroad for 2023 and we are sure to see them back at the Twin Ovals in the future. Joining them in moving away from Hobart is Cooper Sawdy who is heading to Melbourne for work opportunities

We also are very grateful to welcome new faces into our group with the following players joining us: Nic Baker, Jake Williams, James Zeitzen, James Webb, Murray Bastick, Reece Scotland, Max Buckland and James Green.

This group of new players have settled in well to our environment and have been able to add value to our program across pre-season

The Tigers are delighted to announce the 2023 appointments of Craig Carter as our Development League Coach and Josh Roberts as our under 18's coach.

Craig is a highly regarded footballer with TSL assistant coaching experience as well as family linkages to our club. Craig brings a wealth of coaching knowledge that will assist him to fit seamlessly into our current coaching model and provide great support to our D League players.

As a player Craig won a premiership with Glenorchy in 1999 and also collected a couple of club B&Fs along the way. Craig also played for the Tasmania Football Club (pre-Devils) gaining invaluable experience playing at some of the iconic Victorian venues such as Princess Park.

Please make sure you welcome 'Spider' on board when you get the chance.

Josh played all his junior football at the Kingborough Tigers and played some Development League and Senior football at the age of 16.

He then played a year of football at DOSA before moving up to Launceston for Uni where he played a year for Old Launcestonians in the NTFA.

He then moved back down and played with DOSA

After missing the 2021 season due to a knee injury, he took on the role as the Tigers under 16's coach in 2022. The team made it through to the second round of finals and showed lots of football and personal development throughout the year.

Josh is really excited to get to work with the Under 18's in 2023 and looking forward to seeing the boys improve. We are really looking forward to what 2023 will bring and how its story unfolds.

As a playing group we will always attack every contest and every moment the only way we know how to and that's with a collective effort, energy and mindset of no one person being more important that the other.

We thank our supporters and members and look forward to seeing everyone back up at the Twin Ovals this season

KINGBOROUGH TIGERS FOOTBALL CLUB

Jugers MEET THE TEAMS

Tigers captain Lachie Clifford pouncing into action during a preseason match against the Devils. (PS Carolyn Whitehold

A message from the Tigers President, Paul Gadomski

Excitement is building at Tigerland after a strong preseason off the back of our maiden Men's Grand Final appearance in 2022 and a massive and successful recruitment drive in our women's program in the off season positions both squads for exciting seasons ahead.

As we strive to go one better in 2023 for the men and maiden Grand Final appearance for the women's squad, the best way to show your support for the Tigers and Tigresses is to sign on as a member.

So, log onto www.tigersfc.net.au now so you don't miss a game in the season ahead.

In recent years we have been able to create a Tiger fortress at Twin Ovals and all competing teams know when hey visit us at home they will meet us at our best, with a strong army of local Tiger supporters behind us.

The match day experience at Twin Ovals boasts one of the best canteens in the TSL with undoubtedly the best hot chips available along with a large selection of salad rolls, hamburgers, toasties, pies and big red savs to keep you content as you cheer on the Tigers.

Post-match the players from both teams will join everyone in the function room and be sure not to miss out on the best meat tray raffle in the community each home game.

Make sure you follow their social media on Facebook this year to find out about all Tiger news from their four teams, TSL men, TSL development, SFL Women's and U18 youth boys, plus constant updates from our netball division.

Don't forget as the season approaches, all supporters, parents and partners are welcome in the club rooms Thursday nights to come mingle and talk with the teams.

The Tigers FC is your club and having you around makes a great atmosphere and builds on our formidable 'Tiger fortress' environment at the Twin Ovals complex.

See you all soon at the footy, showcasing your inward and outward yellow and black.

After a successful 2022 SFLW season the **PROUDLY** Kingborough Tigers women's side will be looking **SUPPORTING** to build on those positive results into the coming season.

The Tigers have been fortunate in retaining most of their playing list from last season, and have also recruited over the off season, adding a good balance of experience and key position players to the group.

Chiara Nyhuis, Hayley Kluga, Mackenzie Ford and Stacey Fox have come to the Twins from Port, with all players a part of last year's Division Two premiership.

Tess Woehler and Jayd Lockley also join the side, both experienced players from Lindisfarne, who will complement the returning Tigers players from last year and the new talent attracted to the club.

Pre-season has seen strong numbers on the track exceeding previous years' participation rates.

The girls have been working hard on basic skills, game strategy and building a solid fitness base, and have been working in combination with a number of the U16 Tigers girls who have been joining us for training.

The playing group is committed to the player pathways for the girls coming through the junior programs, and the current team offers hardworking and committed role models these girls can aspire to.

The SFLW Division One Competition will offer some challenges this year with a small number of teams participating at this level and a repetitive roster seeming likely.

On this basis the Tigers girls will be guaranteed a finals spot but will need to work across the season to

maintain motivation, ongoing development and competitiveness against three sides that have all previously had finals success. Continuous improvement will be the key goal of this

group, with the season blocks to be built short term goals, and measurable achievement. 2023 promises to be an exciting season for this

promising Tigers women's group.

Happy to support local sporting clubs and up and coming players **Proudly supporting Tigers FC** Wishing all Tigers FC Teams success in the 2023 season

TUESDAY, 21 MARCH, 2023 KINGBOROUGH CHRONICLE - 23

The community spirit of Kingborough Bowls Club

No Bowls Tasmania South Pennant Competitions were rostered over Saturday, March 11, Wednesday, March 16 due to the Labour Day long weekend and that Bowls Tasmania were holding Championship Competitions on the North West Coast from March 11 to March 17.

Kingborough Bowls Club members competed in the last round of the Bowls Tasmania South Pennant Competition on Saturday, March 18.

The Thursday Women's Competition last round was completed on March 9 and all three women's teams play their first round of the finals on March 23.

During the one week break in the Pennant Competition many members took the opportunity to take advantage of the long weekend and have time away.

A number travelled to the North West Coast competing in the championships being held there.

Over 20 Kingborough Club members, feeling the community spirit of the club, carried out various duties at the Taste of Huon at the Ranelagh Show Grounds on

Sunday, March 12 and Monday, March 13.

Nine club members assisted the Huonville Fire Brigade personnel to control and park the many thousands of cars that attended the event.

Roger Duggan, Viv Walker, Pat Lee and Heath Seabourne attended on both days.

They were ably assisted by Maddie Johnston, Conrad Westhead, Robbie Wallace and Rex Johnston.

Club President Lorraine Walker carried out duties in the event's entry ticket box on both days assisted by Glenus Johnson, Liz Rickards and Carmel Rainbird.

The Kingborough Bowls Club also ran a food tent at the Taste catering for people who enjoy a barbecue meal.

They provided sausages, hamburgers and fish patties. The various club members helping to run the barbecue were Karen Cooper, Robyn Wallace, Gavin Fenton, Tom Ferguson, Jamie and Frances Phillips and Heath Seabourne who moved between parking and the barbecue tent.

The club members involved were proud to be able help out in such a large public event as the Taste of Huon.

After a day of duties at the Taste of Huon Kingborough Bowls Club members Robyn Wallace, Karen Cooper and Robbie Wallace enjoyed some down-time listening to the Blues Brothers Revival Band concert. (PS)

Kingborough Chronicle Sport

On Saturday, March 18 the HCCA A Grade Grand Final was played at Kingston Beach Oval between the Kingston Crows and the Summerleas Eagles. The Crows (9-273) defeated the Eagles (10-181) by 92 runs. A huge score by the Crows batting, including 102 from 120 balls with 11 fours and one six by Trent Rollins, created a big challenge for the Eagles. Even a five-wicket haul by bowler Mandeep Wadhwa could not change the game, and losing wickets early compounded their problem. Ravi Patel's 66 was their highest scorer. Ash Woodhead starred for the Crows taking four wickets plus four outstanding outfield catches. 🕫 🖙 🖙

The first round of the Tasmanian Netball League on Friday, March 17 saw the First National Kingston Blues play the South East Suns in the latter's first entry into the competition. The games were at the South East Stadium at Sorell. In the 19s the Blues won 59 to 33 with Molly McMahon as Player of the Match. The Blues also won the Opens 61 to 34 with Nicole Hunt as Player of the Match. (PS Carolyn Willelbouse)

The Kingborough Knights Second Grade team played New Town in the CTPL at Twin Ovals over the weekend. After a dismal effort against New Town last week, the Knights came out ready to win. New Town was all out in the first innings for 164 with birthday boy James Scott taking five wickets. A magnificent 112 with the bat from Zac Curtain helped seal their fate. The Knights will play Clarence next weekend at Kangaroo Bay Oval for the Grand Final honours. (PS Carolyn Whitehol
