

Considering council consolidation

The Local Government Board publicly released its Stage Two Interim Report on the Future of Local Government Review last week.

The Report outlines the level of community engagement and research undertaken to identify, develop and test reform options during Stage Two of the Review.

The Report establishes how the Board will approach the development of its final package of reform options in Stage Three.

Whilst the Report reveals the Board is open to a range of possible outcomes, their preferred approach is to consolidate existing council boundaries to create a smaller number of larger, more capable councils.

This proposal is informed by research, analysis and community feedback.

The Board's findings indicated most Tasmanians believe they have too many councils for the population, with one in three believing the current number is right or that we should have more.

The Report stated 80 per cent of Tasmanians do not mind which level of government provides services locally, as long as they are delivered well.

The Tasmanian Conservation Trust has findings that indicate councils are opposed to amalgamation, with close to half of all councils against it and one quarter in support.

The *Kingborough Chronicle* reached out to Kingborough Deputy Mayor Clare Glade-Wright for comment.

"I support a strategic approach to boundary adjustments," Cr Glade-Wright said.

"I don't believe banging two councils together is necessarily a good approach but redrawing

boundary lines which has considered how councils can function more efficiently can only be good for local communities."

The Board will be accepting public feedback about the Report until June 21.

Minister for Local Government Nic Street said Stage Three will have the Board working closely with councils and communities to explore what the future shape of the local government sector could look like.

"What is now clear from the Stage Two Report is that the Board is seriously and actively considering a suite of structural reform measures which, if implemented, would fundamentally alter the current structure and design of the Tasmanian local government sector," Minister Street said.

"I want to strongly encourage all Tasmanians to get involved, so that we can all build a system of local government that can meet the challenges and seize the opportunities we will face in the decades to come.

"The Board's reform proposals are highly complex and require substantial further technical analysis and design work during the third and final stage.

"In response to requests from both the Board and the Local Government Association of Tasmania, I have agreed to extend the Review's final reporting date by three months, to 30 September 2023.

"This will provide the necessary time for the community and the sector to be able to meaningfully engage on reform proposals."

Kingborough's Rebecca Mathers has been selected to represent Australia in the Virtus Global Games that commence on June 4, 2023.

Rebecca is one of three athletes selected for her event groups. This competition is being held in France in the province of Vichy. Rebecca trains two hours a day, five days a week, and around this fits in a permanent position at Adventure Patch's Ocean View Child Care Centre to support her to be able to compete as an athlete. Rebecca has commenced fundraising for the event.

The Kingborough Council was the first to celebrate Rebecca's selection with a kind donation to support her with this opportunity.

Rebecca holds state records in discus, hammer, shot put, and javelin and is ranked in the top three in Australia for those events.

The Virtus Global Games are the pinnacle of the sport for her particular para classification with only the World Championships and Paralympics being considered higher for para-athletics.

The Virtus Global Games provide an opportunity to develop as an elite athlete and showcase what is required to take the next step in athletics.

LETTERS TO THE EDITOR

Public scrutiny

Dear Editor,

Are you aware that Hazell Bros are proposing to double the output from their Leslie Vale quarry to 2 million tonnes pa?

To achieve this, there will be substantial increases in traffic to and from the mine, increased blasting, and some processes, such as crushing, will become 24-hour operations.

It seems inevitable that such a large increase in scale will lead to even greater emissions of noise, dust, greenhouse gases, and diesel exhaust from what is already one of Tasmania's largest mining operations.

Unlike other smaller quarries in Tasmania (e.g. the Hanson Lindisfarne quarry) Hazell Bros do not report any of their emissions to the National Pollutant Inventory so there is no publicly available information on their atmospheric emissions but they are likely to be high and certainly higher than other quarries.

Given that new housing developments in Kingston are within about 2 km of the mine it is appropriate that this mine expansion be subject to thorough public scrutiny.

(Note that the draft guidelines for the EIS have just been released and public comment closes on 1 May).

Consultations open on Longley

Kingborough Council has opened public consultation on the Longley Master Plan.

Kingborough Deputy Mayor Clare Glade-Wright said last year in November Kingborough Council engaged Inspiring Place Landscape Architects to update the 2010 Longley Master Plan.

"The Master Plan will provide Council and the community with a strategic approach to upgrades and management of the Longley Reserves area, while ensuring that the cultural, environmental, and social values are maintained and enhanced," Cr Glade-Wright said.

"The Longley Reserves Recreation Master Plan 2022 is intended to provide an overarching strategic direction for the future spending and enhancement of the Longley reserves area."

Feedback can be provided to kc@kingborough.tas.gov.au and the consultation will be open until Tuesday, May 16.

Irrigation for Blackmans Bay

Construction works are set to commence on a facility at Blackmans Bay.

The facility will treat wastewater purchased from TasWater to Class A irrigation quality (meaning while not potable, it can be used to irrigate crops suitable for human consumption).

This untreated wastewater is currently released into the Derwent River.

An important milestone has also been reached on the Arm End Public and Recreation Area and Golf Course project, with construction works commencing on the 14-kilometre pipe network to provide irrigation water to the South Arm Peninsula.

Batchelor Construction Group have been engaged as the Managing Contractor for this exciting project.

"It is anticipated that the pipeline will be completed and commissioned in early 2024, which subject to approvals will allow us to expand the significant revegetation aspect of the project and watering the golf links course during the summer and early autumn growing season," said Mary Ann's Island Pty Ltd Director Jack Chrapot.

"This revegetation is a crucial part of restoring the country after almost 200 hundred years of agricultural activities that have severely impacted the cultural landscape.

"These revegetation areas will be approximately twice the size of the golf links course.

"Once operational, around 2.6 megalitres of water per day will be purchased and treated from TasWater and piped to the South Arm Peninsula.

"It is anticipated that roughly one quarter of this water will be required for the Arm End public recreation area and golf course, while the remainder will be available for broader irrigation purposes."

When completed, the pipeline will cross the Derwent River from Blackmans Bay to Half Moon Bay, then run north and south on the South Arm Peninsula.

New Kingborough Child and Family Learning Centre

Vos Construction and Joinery has been appointed to deliver the new Kingborough Child and Family Learning Centre, with building works expected to commence this month.

Minister for Education, Children and Youth Roger Jaensch said the new Kingborough centre, to be co-located on the Kingston Primary School site, was part of a \$28 million commitment by the State Government to deliver six new Child and Family Learning Centres around Tasmania.

“These centres offer a variety of critical services all in one place to support families with children from birth to age five and are part of our government’s commitment to supporting our youngest learners and their parents and carers,” Minister Jaensch said.

“Once the works are completed, the new Child and Family Learning Centre will be a welcoming place for families with young children in the Kingborough region.”

Each of the centres are tailored to their local community, with extensive community consultation undertaken during the development stage playing a key role in the final design and services provided.

Fuel reduction burns

The State’s Fire Permit Period for 2022-23 has ended and communities are asked to use this time to reduce fuel loads ahead of next summer.

Minister for Police, Fire and Emergency Management Felix Ellis said the end of the fire permit period means that landowners can now complete fuel reduction burns on their land to manage bushfire risk and avoid potential future devastation to property and infrastructure.

“Fuel loads are high after a number of wet years and with the potential for a hot, high-risk, El Nino summer ahead we need to reduce the danger now,” Minister Ellis said.

“Landowners still need to take steps like managing the size of your fire, considering conditions and working closely with your neighbours to make sure that fire and the smoke from your burn isn’t going to impact others.

“Tasmania’s Fuel Reduction Program strategically reduces bushfire risk in the areas that provide the most protection to communities, critical infrastructure and natural values.”

Minister for Primary Industries Jo Palmer said the Fuel Reduction Program was highly consultative with vineyards and noted this behaviour should be the model for private landowners seeking to conduct burns.

“Engagement with neighbours in the vicinity of any planned burning is critical to ensure smoke will not

adversely affect farming or harvesting operations,” Minister Palmer said.

“We emphasise this when it comes to the wine industry, which is particularly vulnerable to smoke at this time of year.

“All landowners should consider whether there is a vineyard nearby - it could be across a river, or over a hill, and it might not be obvious.

“Engage with them early and ahead of time and be open to negotiation and working together so that we can ensure our lands are bushfire safe, and our grapes can be harvested safely.”

Landowners can learn more about how they can reduce the potential impact of smoke taint by going to Wine Tasmania’s website and downloading the TasVine resource.

Last year nearly 32,500 hectares of strategic land was burned to reduce the impact of bushfire.

Between the start of the 2022-23 Fire Permit Period and April 4, the Tasmania Fire Service issued 968 fire permits and responded to more than 709 vegetation fires across the State.

The Tasmanian Government has invested more than \$112.3 million into the Fuel Reduction Program since 2014.

Landowners should contact the Tasmania Fire Service to register their burns and ask for any advice they might need on 1800 000 699 or visit fire.tas.gov.au for more information.

Palliative care campaign launch in Kingston

Palliative Care Tasmania launched a campaign on Wednesday, April 19 at John St Medical Centre. Palliative Care - It's more than you think has been created to engage the community in a conversation about the benefits of palliative care. The campaign seeks to challenge perceptions that palliative care is a 'last resort'. "At its heart, it is a clear and simple message; the campaign is aimed at informing, empowering and encouraging Tasmanians living with a life-limiting illness to engage with their health care professionals early in

their diagnosis, so as to live as well as possible for as long as possible," said Acting CEO of Palliative Care Tasmania Venéy Hiller. "Palliative care really is more than you think. "Sometimes palliative care can support people for many months, or even years. "People need to know that palliative care is available to anyone with a life-limiting illness, regardless of their postcode, diagnosis, age, ethnicity, socio-economic status or place of care, to enable them to live as well as possible for as long as possible."

Ms Hiller officially launched the campaign with thanks to the John St Medical Centre staff for their commitment to palliative care. Premier Jeremy Rockliff said the government is supporting Palliative Care Tasmania with \$4.25 million in funding over four years. Palliative Care Tasmania also plans to deliver a separate Advance Care Planning awareness campaign later this year encouraging people to make future decisions about their healthcare if they were to become seriously ill and unable to communicate their preferences or make treatment decisions.

ANZAC Day is an important day for our nation and reminds us of the bravery of those who went into battle to defend our nation and our beliefs.

Lest we forget.

The new asphalt pump track can be used by scooters and skateboarders as well as mountain bikers. It is suitable for all skill levels and ages. (PS)

Kingborough Council recently opened a new asphalt pump track located at Kingborough's Mountain Bike Park on Kingston View Drive.

"This new asphalt pump track brings the facility up to contemporary standards and can be used by scooters and skateboarders as well," Kingborough Mayor Paula Wriedt said.

"We are ensuring that the community has the best possible experience with the added benefit of creating something that is easier to maintain and will last longer."

Minister for Sport and Recreation Nic Street said the State Government provided \$262,683 in funding through an Improving the Playing Field Grant.

"Tasmania's world class facilities and events are putting the State on the international mountain biking scene," Mr Street said.

"This modernised pump track will be a popular destination for riders to gain access to training and playground amenities in the fast-growing Kingborough region."

Kingborough Mayor Paula Wriedt said the pump track and jump area was a very popular location after school and on weekends.

"To cope with the increase in traffic to the area,

Council has invested in upgrading the carpark to increase capacity and will be putting a toilet facility into the area," Cr Wriedt said.

"To enable protection from the weather a shelter and seating was installed with funding provided by a \$26,532 Improving the Playing Field Small Grant.

"Our residents love sports, so it is great to be able to provide this facility only 600 metres from Kingborough Sports Centre.

"One of the most exciting upgrades to the facilities is the specially built wallride to challenge more advanced riders.

"The contract was completed by Velosolutions who have built over 400 asphalt pump tracks around the world."

Velosolutions Director Phil Saxena said he hoped this would become a focal point for riders and that the local community would enjoy the track for many years to come.

"The asphalt surface will allow riders to have fun on the pump track no matter what the weather," Mr Saxena said.

"They are suitable for everyone from kids on balance bikes and skateboards, through to pro level BMX and MTB riders; the track will quickly establish itself on the Tassie riding scene."

The project for the Snug Memory Support Garden in conjunction with the Kingborough Lions Club for their 75th anniversary recently commenced. A Kingborough Lions Club member has a family member in Snug Village and approached the Christian Homes Tasmania Facility Manager about commemorating their anniversary with a complete refurbishment of the Snug Village Garden. (PS)

The area was a bit unloved and in need of some attention. The garden has been cleared of a lot of old trees and rubbish, and machines came in to dig the pathways and set them up for the concrete pour. There are now pathways wide enough for wheelchairs and walkers throughout the garden. (PS)

Maveric Builders donated a large concrete garden bed and Smiley Crane Hire donated both time and machinery to lift the garden bed onto the site. The grand opening of the garden will be held on May 25. (PS)

Blackmans Bay plumbing helped to run in pipes for the new watering system and Batchelor Civil and Hazell Brothers donated their time, staff, concrete and machinery. This project has been funded by the Kingborough Lions Club with support from the Australian Lions Club and the Tasmanian Lions Club Foundation along with Christian Homes Tasmania to the amount of \$54,000. Feedback for Spring Farm Open Space now open

Kingborough Council is now seeking public feedback on the draft design for the Spring Farm Open Space.

The playground at Spring Farm has been designed as a series of flowing spaces, integrating play with the native landscape.

The park allows for seamless active play and move-

ment, encourages exploration and also offers quieter pockets to gather, rest and sit.

The draft report can viewed on Council's website here <https://www.kingborough.tas.gov.au/.../spring-farm-play.../>

Feedback can be provided until Thursday, May 11 by sending an email to kc@kingborough.tas.gov.au

Finding Tasmania's next Olympians

The Tasmanian Institute of Sport (TIS) is introducing Talent ID in preparation for the Brisbane 2032 Olympic and Paralympic Games.

Minister for Sport and Recreation Nic Street said the talent identification testing would be open to Tasmanian athletes aged 12 to 22.

"The TIS has a goal to test 1000 athletes across seven testing sessions in May in Hobart, Launceston and Penguin," he said.

"It is the first time the TIS has run a large-scale Talent ID testing program for athletes in more than a decade.

"Tasmania had a proud history of producing world-class athletes.

"This talent identification program will work to uncover the next batch of talented athletes through testing.

"Identified athletes will be offered further opportunities to train and develop with the TIS through this great program.

"This program provides the perfect opportunity to give Tasmania the best chance to contribute to winning medals at an Australian Olympic and Paralympic Games."

TIS Senior Coordinator Talent Identification Gina Vernon said the testing would identify athletes who had natural upper and lower body power, good endurance and mental capabilities.

"With Brisbane 2032 only nine years away, we have to start work now to get our talent pool in the best shape possible," Dr Vernon said.

"The range of tests used vary from the classic beep test, to a 20-metre sprint and vertical jump.

"We are looking for athletes from all sporting backgrounds who may find themselves being perfect for a sport they have never tried before."

Further details and information on how to register is available at: www.tis.tas.gov.au/services/TID2032

A Page from the Past - Kingborough News

Fifty-six years ago the Huon Newspaper Company published *Kingborough News*, a weekly newspaper that circulated from 1967. The below page is taken from *Kingborough News*, April 19, 1968.

THE VICTORIOUS KINGSTON TEAM

THE Kingston football team, with captain Brian Yost in front, that defeated Cygnet by 31 points at the opening match played at Kingston on Saturday.

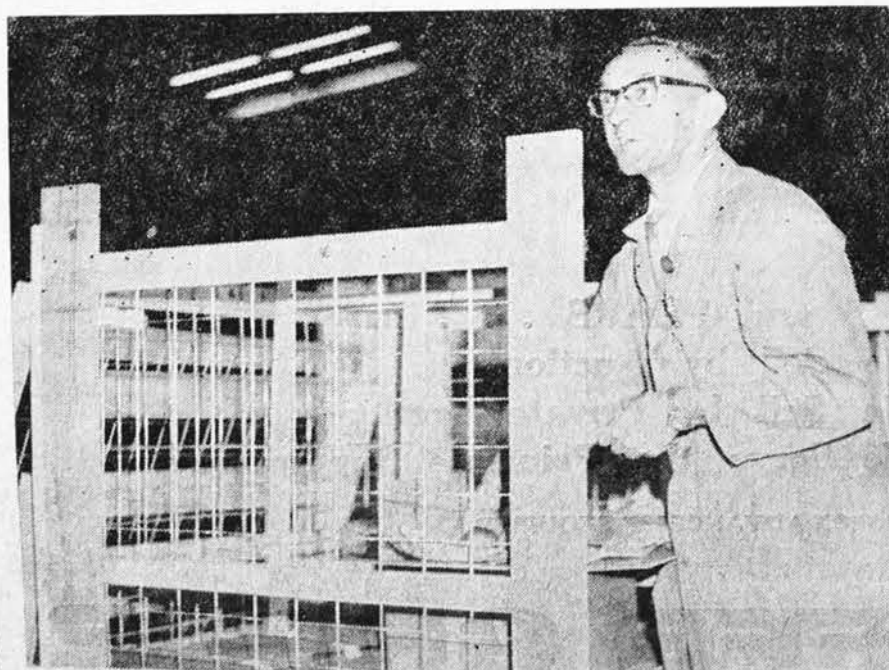

PRESENTATION OF PENNANT

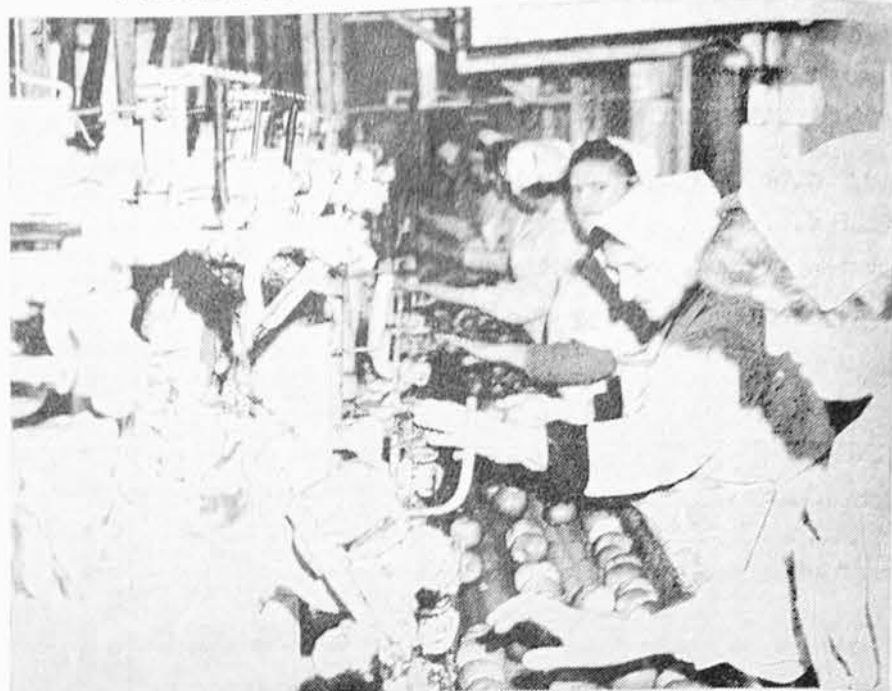

BEFORE the start of the match between Cygnet and Kingston at Kingston on Saturday, the pennants won by Cygnet in all three grades of the Huon Association premiership last season were presented. Pictured is the T.F.L. president (Mr McNear) presenting the senior pennant to Mr G. H. Tozer, vice president and assistant secretary of Cygnet. Mr Tozer also received the Under 17 pennant, and Mr J. Smith the Reserves pennant for Cygnet.

EXPENDABLE CRATE

THE "Win-Crib", an expendable crate is designed to transport apples or pears, packaged in cartons, from the producers packing house to the warehouse of the final distributor. Mr Col de Jersey is pictured inspecting apples packed for transport in a "Win-Crib".

PEELING APPLES FOR PULP

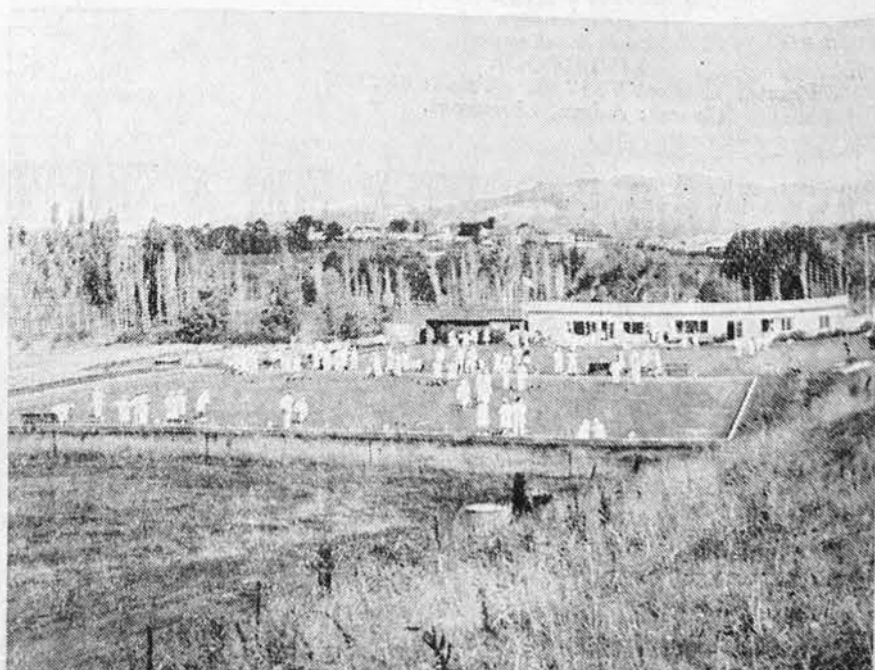

SECOND grade apples usually end up in a factory for processing into pulp or dried apples. Our picture shows women peelers at work in the Castle Forbes Bay factory of the Huon Canning Company.

Photographs provide a pleasant record of many a memorable occasion. Photos taken by "Huon News" cameramen may be purchased on application.

THEY'RE KEEN ON BOWLS HERE

PICTURESQUE setting of the Kingborough Bowls Club's two greens at Margate, which were crowded with bowlers last Saturday, the occasion of the opening of the second green (nearest camera) by the S.T.B.A. president (Mr Alf Cross).

Kingborough Tigers on a mission

Division 3 jubilant after their win at Rosny Park against Sandy Bay. (PS)

On Saturday, April 15 Kingborough's Division 1 played Howrah for the 2023 Premiership at Rosny Park.

Howrah finished on top of the ladder for the roster season and defeated the Kingborough side in the first semi-final.

Kingborough subsequently defeated Rosny for the right to once again tackle Howrah, this time for the grand final.

The game was played on the neutral green of Rosny Park on a cold but thankfully not wet day.

Kingborough got off to a slow start and after the conclusion of a high quality game, the overall result was not in favour of Kingborough.

On three rinks the final scores were in doubt to the very last of the 21 ends each played.

Mark Crawford and his team drew 21 all, and a draw was also achieved by the rink skipped by Heath Seabourne.

The only winning rink on the day was skipped by Maddie Johnson, who won 21 - 20.

The overall score was Howrah 87 - 76.

Also on April 15, Kingborough Division 3 played Sandy Bay at Rosny Park and reigned supreme.

Bruce Moran's team comprising of Vicki Bannister, Laura Best and Anne Hinkley drew 18 shots each, as did Greg Riley's team.

Greg's team comprised of Kerrie Lane, Stephen Sanders and Brett Rollins, Skip Anthony Sculthorpe, Allen Sculthorpe, Brock Bricknell and Mark Drake had a close game which was tight throughout but unfortunately on this occasion were defeated by four shots.

Tony Verrier, Jim Laduke, Lyn Barlow and Roger Duggan had a comfortable lead most of the game and won 27 - 14.

The overall score created a 9-shot win to the Tigers.

Kingborough Premier team travelled to Beltana where they would meet for the third time in the last four years their bowling opponents Sandy Bay.

Due to a massive effort from recently recruited skip Nic Courto and his teammates Nathan Dining, Darren Reeve, and Clinton Seabourne, the Premier team achieved a 29-10 win over Sandy Bay.

Former Pathways member Will Coad has played most of this season in Victoria with the Essendon Club, but he

returned home to participate in the penultimate games to assist the Tigers secure another premiership medallion with a 10-shot win.

Jason Fowler and Andrew Norris had their usual challenging game, with the lead changing multiple times during the game.

It came down to the last two ends to decide an eventual winner which was Norris from Sandy Bay by four shots.

Ryan Guy and his teammates including Jack Butler, Mark Burgess and Treb O'Neill had a difficult game against Kegan Booth and the Bay team who got away with a great start.

The lead became too much for the Tigers to overcome, and the Bay achieved a 16-shot win.

On Wednesday, April 19 Division 1 played the Midweek Pennant Finals at Buckingham Bowling Club.

It was cold and windy conditions, but Kingborough Tigers were on a mission to take home the flag, which they achieved.

Mark Crawford and his team, Darryn Reeve, Robbie Wallace and Ian Harris had a convincing win against Orford, 26-11.

It was a much tighter game for Heath Seabourne and his team comprising of Anthony Rowe, Jeff Parsons and John Isles, who were defeated by four shots.

Shane Garth, Michael Andersch, Roger Duggan and Clinton Seabourne had a convincing 22-7 shot win over Orford, resulting in 34-shot overall win to the Tigers.

It was also a successful day against Claremont at Buckingham in the same wintery conditions for Division 4.

Conrad Westhead and his teammates, B. Sculthorpe, David Freeman, and lead Peter Oates had a comfortable 6-shot win over their opponents, 24 - 11.

Bruce Moran's team had a convincing 15-shot win with his team Stephen Sanders, Lindsay Pearce and Lee Connors.

It was a much closer game for skip Alan Sculthorpe and his team going down one shot to Claremont.

Alan's team included John Mac, Dale Saunders and Peter Ashlin.

The Kingborough Tigers reigned supreme with a 21-shot win.

Kerrie Lane and Pauline Connell waiting for Colleen Dance to deliver her bowl. (PS)
