

Kingborough resident Konan Masuda has been selected to attend the 2024 National Youth Science Forum (NYSF). Pictured with fellow Hobart College student Aisha Bissett and Rotary Club of Kingston's Roslyn Teirney. Aisha and the Rotary Club have helped support Konan to apply for this program, along with Hobart College teacher Jenny Dudgeon and acting assistant principal Marjorie Morgan. The NYSF program will run from January 5-14 in Canberra. (PS)

## Student selected for science forum

Hobart College student and Kingborough resident Konan Masuda has been selected to attend the 2024 National Youth Science Forum (NYSF) in 2024.

He will travel to Canberra in January 2024 to join hundreds of other gifted Year 11 science students from around the country.

The NYSF summer school will run from January 5-14.

Konan Masuda said he loves science and after missing out on the Rotary Science and Engineering Challenge because of COVID restrictions when he was a student at Taroona High School, he was excited to learn that he was eligible to apply for the National Youth Science Forum and that his application was successful.

NYSF participants will take part in stimulating lectures, workshops and professional visits as well as being mentored by researchers and peer supporters who have already graduated from the presti-

gious extension program.

Hobart College teacher Jenny Dudgeon and acting assistant principal Marjorie Morgan encouraged Konan to complete the application, which was supported by Principal Dr Elizabeth Robinson and President of the Rotary Club of Kingston Ewen Cameron.

Mr Cameron said the club was proud to support Konan and looked forward to hearing him speak at the club about his experience.

Konan said that at this stage he is hoping to become an electrical engineer, but he expects that his vision for his future vocation could veer off into a new direction once he gets to Canberra.

Konan thanked his classmate Aisha Bissett for letting him know about the youth program.

## Updates planned for Salty Dog Hotel

Renovations are planned at the Salty Dog Hotel in Kingston Beach.

A new takeaway kiosk is planned in the first stage of the redevelopment, with a new café and diner to follow.

The carparking facilities, function rooms and beer garden will also receive makeovers.

Manager Adriano Mignanelli said the business intends to remain open during redevelopment.

"The redevelopment will provide the right medium through which we can give back to the community, which is one of our central business goals," Mr Mignanelli said.

"It is anticipated that building works will start early in 2024 with construction set to be complete by spring of the same year."

# LETTERS TO THE EDITOR

The Kingborough Chronicle welcomes your opinion and encourages correspondents to have their say. Mail your letter to PO Box 306, Kingston 7051 or email editorial@kchronicle.com.au. Your full name, street address and telephone number should be included. Readers are encouraged to keep their letters brief and to the point. Letters of 250 (maximum 500) words is preferred. All letters are to be submitted Thursday noon before publication. It is the newspaper's position that if you wish to pass judgement on community issues and/or individuals that your name and suburb is published. Letters with pen names will not be considered.

## High-density housing misses the mark

Dear Editor,

I've been watching with interest as it seems society has deemed the rush to high-density housing (town houses, units and apartment buildings) is the answer to our housing crisis, and housing in general.

In my opinion, turning to high-density housing actually harms the ability to house society.

Constructing all these little box-like attached and detached units seems to cause society to fracture, and those that end up with housing issues would not be in such a bad situation if they concentrated on normal, lower-density houses on normal blocks.

Instead, we are normalising high-density, even for average families, and these high-density homes do not cope with extra people, whereas a proper house actually would.

And what happens is, now we have high-density units, which actually cost a fair amount, delivering less than what a normal home could deliver.

And society in the past has (as per what I have seen with anecdotal evidence the past 40 years) done better without high-density units.

Instead of being able to easily live together in a home (family or friends) for free, or at worst, very little cost while they save up faster to get into their own independent

house, these people are now paying expensive rent on a high-density unit, which also slows their progress into home ownership.

All because unit housing does not lend itself to sharing with family or close friends like in the past.

I would like to see a comprehensive study on high-density housing, and if it really does have a positive (or negative) effect on society, as I think the issue is far more complex than more in less space and smaller is really a good solution to housing, for many reasons.

Kingborough Council collaborated with a local community member to preserve a tree originally marked for removal as ringtail possums use it. (PS)

## In the context of local wildlife

Dear Editor,

I am writing to express my gratitude for the collaboration between Kingborough Council and a passionate member of our community, resulting in the preservation of a tree marked for removal on Old Summerleas Road, Kingston.

The observant individual noticed ringtail possums utilising one of the trees as a vital canopy bridge, providing them safe passage from one location to another.

Ringtail possums, being highly vulnerable to predators on the ground, depend on such natural pathways for their survival and movement.

This member of the public took the initiative to inform Kingborough Council.

In response to this community member's insights, Kingborough Council embraced the opportunity to re-evaluate the tree's significance in the context of local wildlife.

This progressive approach to governance reflects their commitment to making informed and thoughtful decisions that positively impact the community and the environment.

The joint efforts of the passionate community member and Kingborough Council have led to the preservation of the tree, which will undoubtedly benefit the ringtail possum population in the area.

Preserving our environment is a shared responsibility that thrives when we all contribute. Let us recognise the value of local knowledge and community engagement in shaping a sustainable and wildlife-friendly environment for future generations.

Elleke Leurs  
Cygnets

## Save lives

# Considering AFL facility

The Tasmanian Government is investigating possible locations for its AFL training and administration facility, with councils including Kingborough up for consideration.

Councillor David Bain asked for an update on the proposed high performance training facility at a recent Council meeting.

Director of Governance, Recreation and Property Services Daniel Smee said Council had been approached by the Department of State Growth.

“We have indicated at this stage that we are open minded with respect to the opportunities that might bring, but we need to understand what the details of the proposal is,” Mr Smee said.

# Clash of the Ages

The Tournament of Minds team from Taroona Primary School took out first place recently at Hobart City High School.

Abi, Clem, Margot, Elsa, Ashlin, Ella and Maggie performed in Clash of the Ages, a challenge in the social science division.

The team worked for six weeks to create, script and perform their work exploring the ideas of homelessness and displacement through the eras of the Black Death and the Chernobyl disaster.

The trophy is now on display in the office for the third year in a row.

Taroona Primary expressed massive thanks to the parents who facilitated the experience, particularly Kate Smith.

Abi, Clem, Margot, Elsa, Ashlin, Ella and Maggie performed in Clash of the Ages, a challenge in the Social Science division and the Tournament of the minds at Hobart City High School recently and took out first place. (PS)

In February the *Kingborough Chronicle* reported that three Bakers Delight stores in the Hobart area had been placed under voluntary liquidation, including Kingston's store. This recent photo supplied by a Kingborough local shows extensive renovations underway at the site. The *Kingborough Chronicle* asked centre management what is planned for the former Bakers Delight space. (PS)

## KINGSTON

# Proctors Road closure

At 9.20am on September 11, police and emergency services responded to a vehicle fire on Proctors Road, Kingston.

Due to the large amount of smoke in the area, the intersection of Proctors Road and Channel Highway was closed while the scene is cleared.

Motorists were advised to avoid the area if possible.

By 10:05am the road had re-opened.

No injuries were reported.

# Helping more Tasmanians into home ownership

The State Government has welcomed the announcement that the Federal Government's Housing Australia Future Fund (HAFF) is set to pass the Senate.

Liberal Member for Franklin and Minister for Housing and Construction Nic Street said it was important that the Federal Government delivered on its commitment to set up the HAFF.

"The Housing Australia Future Fund will be an important step towards providing more Australians a safe and secure home, including many Tasmanians," Minister Street said.

"It will secure an ongoing pipeline of Commonwealth funding to support the delivery of social and affordable housing - so this is a welcome outcome."

"Having already established Homes Tasmania, we are ready to respond to any opportunities presented by the HAFF."

More than 200 households have been supported on their journey to home ownership through the innovative Homes Tasmania shared equity program, MyHome.

MyHome was introduced on July 1, 2022 to help Tasmanians achieve home ownership by sharing the upfront costs of purchasing a home with Homes Tasmania and therefore allows for a reduction on the

initial deposit and ongoing mortgage repayments.

Minister Street recently said that the initial 12 months have been overwhelmingly positive.

"This strong community uptake has confirmed that MyHome is entrenching itself as a viable pathway to home ownership," Minister Street said.

"I was pleased to meet Dan and Jean Chisholm who are building in Rokeby with help from MyHome."

"The Chisholms are at lock-up with their build and it is extremely satisfying to see first-hand how MyHome is making a difference for Tasmanians."

The MyHome program is delivered by the Bank of Us and both singles and couples are eligible.

The program assists people to help build or buy their own home with as little as a two per cent deposit.

Homes Tasmania's equity contribution varies depending on what type of home purchase you are making.

Assistance includes a maximum contribution of \$200,000 or 40 per cent of the purchase price of a new home or house and land package, and up to a maximum of \$150,000 or 30 per cent for the purchase price of an existing home.

With MyHome you must pay out Homes Tasmania's share within 30 years.

You can do this by purchasing the Homes Tasmania's share or by selling the house.

## Workforce study

The Huon Valley and Kingborough Workforce Planning Study final report was recently released by the Southern Employment and Training Network (SETN).

The report details strategies and actions that will guide the SETN Jobs Hub in defining their role in workforce planning across the Huon Valley and Kingborough region.

A survey conducted during the study found that many local businesses often feel the effect of staff shortages, with almost 70 per cent of businesses surveyed feeling forced to bring unskilled or untrained employees on board.

Access to affordable housing and public transport across the region were identified as key barriers to attracting workers.

Access to childcare, medical and allied health services, and support services for people experiencing disadvantage were also cited as notable barriers that need to be addressed.

The final report was endorsed by the SETN board in August, and is available on their website [www.setn.org.au](http://www.setn.org.au)

## MULTICULTURAL SURVEY

# Lighthouse for young people

**Minister for Education, Children and Youth Roger Jaensch and Minister for Housing and Construction Nic Street officially launched the Under 16 Lighthouse Project on Tuesday, September 12.**

Minister Jaensch said the government was helping to keep young people aged 12 to 15 safe by delivering on its \$10 million election commitment to pilot new

responses to homelessness for this vulnerable cohort.

"Over the past six months we have worked closely with Mission Australia to provide this important wrap-around service for young people, delivering a therapeutic residential model of care pilot program," Minister Jaensch said.

"We will also be providing young people who use this service with intensive support to address their well-

being needs."

The Under 16 Lighthouse Project progresses key recommendations made by the Under 16 Homelessness Taskforce.

The service will be delivered south of Hobart and is expected to accommodate up to five young people at once.

Minister Street said Homes Tasmania provided the site

and completed the renovation for the non-crisis, medium to longer term transitional care and accommodation service.

"This is another important initiative in our suite of wraparound services for Tasmanians experiencing homelessness," Minister Street said.

For referrals to the service, contact the Strong Families Safe Kids Advice and Referral Line: 1800 000 123.

Minister for Housing and Construction Nic Street and Minister for Education, Children and Youth Roger Jaensch officially launched the Under 16 Lighthouse Project on Tuesday, September 12. The service will be delivered south of Hobart and is expected to accommodate up to five young people at once. (PS)

Exhibition open 10am - 2pm daily  
22 to 24 September  
Kingborough Community Hub

### BRUNY ISLAND

## Cable replacement wins project of the year

**Bruny Island Submarine Cable Replacement by Shaw Contracting won the Tasmanian Project of the Year.**

The project represents a blend of technical exactitude, innovation, safety, and environmental sensitivity in the delivery of a critical community asset.

The work to replace the cable was a complex project, due to the proximity of the Marine Reserve and technical challenges with getting the cable ashore at Tinderbox.

The state's top engineers and engineering projects were honoured at Blundstone Arena on Friday, September 8.

"The Engineers Australia Excellence Awards mean more

than just accolades for top achievements," said Engineers Australia's general manager in Tasmania Darren Beattie.

"They recognise the significant daily contributions of engineers to our communities."

"Those who are recognised lead with distinction, always keeping community and environmental well-being at the forefront."

"The awards grant them a platform to highlight their work and to bolster the reputation of the engineering profession."

"Through this celebration, we not only validate their efforts but also pave the way for the upcoming generation, setting a clear and ambitious roadmap for the future of engineering."

### KINGSTON

## Bicycle parking

**The old bicycle racks at the Kingborough Community Hub have been removed and will be replaced.**

New Disability Discrimination Act (DDA) compliant bicycles racks have been purchased for the Hub and will be installed soon.

Councillor Amanda Midgley submitted a question on notice to the Council meeting on September 4 to clarify the situation.

# A hands-on donation

Channel Men's Shed (CMS) recently contacted Pam Lane from Community Against Poverty (CAP) to inquire if their organisation could use a variety of preloved hand tools that had been donated by the community.

CAP is part of the E3 Global Adventure Project who help third world country towns become self-sufficient by helping the villagers improve their living standards with a hands-on approach.

As these small communities don't have electricity hand tools are often more useful.

The variety of tools donated by CMS members will be delivered by Pam and other volunteers to their final overseas destination.

"Our local community never ceases to amaze us," Pam Lane said.

"The generosity of organisations, such as the Channel Men's Shed, makes a huge difference to the disadvantaged communities we work with overseas.

"Small things can really make a difference and it shows that we can all make a positive impact in the world."

Channel Men's Shed donated a variety of hand tools to Community Against Poverty (CAP). CAP's Pam Lane will deliver these tools to disadvantaged communities overseas. (PS)

The Greater Snug Safe Paths Project has launched and is asking anyone who witnesses a near miss in the greater Snug area to report it at <https://thegreatersnugsafepathsproject.com> (PS)

### SNUG

# Safer paths in Snug

The Greater Snug Safe Paths Project has launched and is asking people to report traffic near misses in the greater Snug area.

In 2022 the Menzies Institute conducted a Walkability Study and found that there were multiple areas in greater Snug that were unsafe and unwalkable.

Following the public meeting and announcement of the findings from this study the Greater Snug Safe Paths Project was formed to address the issues raised.

They are a group of locals who want to connect the communities of Snug, Lower Snug and Coningham with shared

pathways for walkers, cyclists and those that scooter.

The project is promoting the development of a shared-use (pedestrian/cyclist) path connecting the existing Margate-Snug path to the Coningham Beach and Nature Reserve.

Reporting near misses will provide data that will be vital in determining what needs to be done to make the area's paths safer.

The project is encouraging anyone who witnesses a near miss in the greater Snug area to report it online at <https://thegreatersnugsafepathsproject.com>

# Money Matters

Finance Column

# Goal setting and retirement planning

**Are you planning on retiring soon?**

If so it's important to understand there are many considerations that go into retirement planning, however, your goals should be the foundation.

Goal setting is the first and most important step to understanding how to manage your money and plan for life in retirement.

During times of high uncertainty, it's critical to know what you want to achieve and how you'll get there. Having this insight will give you the ability to move forward with confidence.

As financial advisers, we generally find an unsuccessful retirement is linked to poor goal setting.

Here we will discuss some effective goal setting strategies that can help you prepare for your retirement.

**SMART goals**

SMART is an acronym that can be used to help set your goals.

SMART goal setting is a powerful framework for identifying what really matters to you and what needs to change to get you there.

It can really help unpack your goals and make them more achievable.

When developing your goals, make sure they are Specific, Measurable, Achievable, Realistic and Timely (SMART).

It is crucial that you and your partner are both on the same page, so develop your SMART goals together.

To make sure your goals are clear and achievable, each should be:

- Specific:** Goals need to be clear so you can focus your efforts.
- Measurable:** So that you can track your progress and stay motivated.
- Achievable:** Goals should stretch your abilities but remain reachable.
- Relevant:** Goals should matter to you and align with other relevant goals.
- Time-bound:** Setting a timeframe helps you stay on track and accountable.

**Defeating disruptions**

Sometimes it just isn't possible to achieve your goals due to disruptions, and that's okay.

The current economic climate is just one example of that. That is why it pays for your goals to be flexible and

agile as things happen which are beyond our control.

You may need to change some of your goals in the short and medium-term to manage and overcome short-term disruptions.

That's where a framework really helps.

You can take time to stop, review and reset your plans, and subsequently your investment options.

**Think long-term**

It can be difficult to think long-term, especially when you're dealing with your everyday financial concerns.

However, thinking long-term is vitally important to your future because what you do today will influence tomorrow.

As advisers, we find that the biggest concern among our clients is their money running out in retirement.

That is why it's important to consider the long-term and not just the short-term when developing your SMART goals.

An adviser will consider your long-term goals and create an appropriate investment strategy for your money.

Remember, your retirement can be up to 30-plus years.

That's a very long time, so you might need to review your goals several times through your retirement.

**Take action**

Financial goals lay the foundations for your retirement planning.

Effective goal setting will have a positive impact on the quality of your retirement, so start developing your goals now.

Once your goals are established, work with a financial adviser who will structure a plan to help you achieve your goals.

## Convenient location and low maintenance lifestyle

**This well presented home offers the perfect combination of convenient location and a low maintenance lifestyle.**

The street appeal of this two-year-old home is enhanced by the recent landscaping of the front garden which includes terraced lawn areas.

A two car garage with roller door is positioned adjacent to the front entrance of the home.

The garage also accommodates the laundry and some storage.

A lockable internal door leads from the garage into the home itself.

The internal layout of the home features a master bedroom with ensuite and walk-in robe as well as an adjacent second bedroom with built-ins.

The third bedroom with built-in robe, study or fourth bedroom along with the bathroom and separate toilet are on the other side of the home's large central living area.

The living area combines the contemporary kitchen, dining and lounge into one attractive north-east facing room.

The kitchen is well appointed with plenty of storage and workspace and has the added convenience of a large pantry.

An alfresco deck is located adjacent to the kitchen and dining area with sliding doors from both leading out onto it.

A staircase leads down from the deck to the back garden.

The grounds of this property have received some thoughtful planning with the back garden mainly laid to lawn with a play area for smaller family members located near the deck.

A veggie garden has also been planted and has been productive for the current owners.

This property is positioned in the very popular Whitewater Park Estate and being in a new-homes area benefits from underground services and a fast broadband internet connection.

Close to home are walking tracks, the shopping centres of Kingston as well as all the other attractions of the region including good schools, restaurants, cafés, places of worship, beautiful beaches and sporting facilities.

Public transport is nearby including the recently opened Park and Ride on the corner of Algona Road and the Channel Highway which offers effortless commuting to the Hobart CBD and further south.

## A picturesque coastal lifestyle

Embracing the picturesque shores of the Derwent River, Kingston Beach is undeniably a sparkling jewel in the Kingborough crown.

It's easy to see why this area of Roslyn Avenue is highly sought after - with the elevated north-facing aspect, you'd be forgiven for thinking you had no neighbours here.

Every day will feel like a holiday as you stroll to the esplanade for your morning walk, head out on the water or simply relax and unwind.

You'll love to call this one home.

The open concept living/dining/kitchen space is sure to be the vibrant social hub of the home.

The living room features picture windows to frame the beautiful outlook and the built-in window seat will be a much-coveted spot to laze the hours away.

Sitting pride of place is the gorgeous contemporary kitchen, finished in crisp white tones and well-appointed with induction cooktop, wall oven and fully integrated microwave.

Feel inspired to cook up a storm for the hungry hordes and when the sunshine beckons, gather with friends on either of the decks to enjoy delicious alfresco dining.

Perfect for an additional everyday meals area, study space or studio, the sweet sunroom off the kitchen is

filled with natural light and surrounded on three sides with glass windows and a sliding door for deck access.

Uniting comfort with versatility the layout also boasts a total of four bedrooms and two bathrooms across two levels.

All bedrooms feature the convenience of built-in robes, and the spacious main has a stunning view of kunanyi/Mt Wellington.

The huge garage on the lower level is ideal for a workshop or games room and there's plenty of off-street parking too.

So, bring the van, the boat and the jet ski as the flow-through driveway provides safe and seamless road access.

Make the most of waterfront cafés and restaurants for dining options to tempt your tastebuds.

Both the beach and the golf course are within easy reach.

This unique location is also deceptively close to all amenities with supermarkets, post office and medical centres all a short walk from your front door and elite education options nearby.

Don't hesitate to secure a coveted coastal lifestyle for your family in this amazing location.

Call today to arrange your personal inspection.

The Oliebollen Festival is the name given to the annual Calvin Christian School Fair, which was held on Saturday, September 9. The festival takes its name from the Dutch word ‘oliebol’ which is a fruit doughnut without a hole. (PS)

The Oliebollen Festival is a major fundraising event for the school each year and a testimony to the power of community and parent partnership. Tasmania’s Royal Australian Navy Band supported the school with a performance. (PS)

The Calvin Concert Band played for the assembled crowd. A thank you to the Community Engagement Committee and the many volunteers who rallied together to make the Oliebollen Festival a great success. (PS)

A Calvin student who performed in the production *The Fall of Robin Hood* wandered around promoting their production and entertaining the attendees. (PS)

The Oliebollen Festival is more than a school fair. It is a wonderful celebration of the Calvin and Kingston communities. (PS)

The festival is held on the secondary campus, with people coming from all over Hobart to visit. At the Oliebollen Festival you can buy everything from fresh flowers to second hand goods, but most of all, people come to purchase the traditional ‘oliebol’. (PS)

# Boxing, barre and core open day in Kingston

**A new fitness studio opened its doors over the weekend welcoming the community to its free classes.**

BurnTheory is a fitness studio specifically for women, which provides three effective fitness methods: boxing, barre and release/core, with each giving a results-driven workout.

Its key focus is on creating a holistic space that's welcoming, inclusive and meets women where they are in their fitness journey.

BurnTheory celebrated its grand opening on Saturday, September 9, hosting free 30-minute taster classes across the morning, and finishing with a big members' party that evening.

Over 80 women attended the taster classes, getting goodie bags, fueling up at the nourish bar and getting a sense of what BurnTheory is all about.

"The morning was an incredible success; we were able to showcase what we're about, welcome a whole bunch of new members to the Kingston studio, and then celebrate that evening with our current members," BurnTheory owner Hannah said.

"I've wanted to open a studio in the Kingston area for a number of years now, and it's wonderful to finally have the opportunity to grow our studios and provide a well-needed female-focused fitness and wellbeing space in the area."

## KINGSTON

# Structure fire

**A recent structure fire at a unit complex in Kingston is being treated as suspicious.**

Police and emergency services were called to Redwood Road, Kingston while Tasmania Fire Service extinguishing the fire.

A 43-year-old man was rescued from the unit and taken to the Royal Hobart Hospital in a serious condition.

The damage to the unit was considered moderate and investigations are continuing.

No other occupants of the unit complex were injured as a result of the fire.

Anyone with information should contact Kingston Police on 131 444 or Crime Stoppers via [www.crimestopperstas.com.au](http://www.crimestopperstas.com.au).

You can do so anonymously.

# Urgent Care needed

**Kingborough Mayor Paula Wriedt has called on the state government to support the building of an Urgent Care Centre as part of Stage 2 of the Health Centre upgrade in Kingston.**

"The Kingborough community is crying out for urgent care," Cr Wriedt said.

"Kingborough is one of the state's fastest growing areas and would benefit from an Urgent Care Centre here in Kingston.

"It was always the intention of the state government to further develop the Community Health on Goshawk Way to deal with the health needs of a growing community."

Deputy Mayor Clare Glade-Wright said a 24-hour medical centre could deal with non-life-threatening

urgent conditions, which would improve accessibility for the residents of Kingborough, and ease pressure on the Royal Hobart Hospital and the need to travel to Hobart for this type of care.

"As a mum to two youngsters, it would give me great comfort knowing an urgent care centre is close by, and with our growing municipality I believe the community agree we really need one," Cr Glade-Wright said.

The Kingborough community already has the Kingston Community Health Centre which is built opposite the Community Hub.

"The development of an Urgent Care Centre would provide a logical centralisation of health care services in Kingborough," Cr Wriedt said.

# Busy Kids and School Holidays

Advertising Feature

Explore Kingston Park with the family these school holidays. The baby play area with the decorative shade structure provides a relaxing area. It was inspired by a rock daisy and casts intriguing shadows over the space.

The water play and sand play areas are very popular with kids at Kingston Park, as they spark creative and interactive play.

Kingston Park provides play opportunities for all ages and abilities and consists of zones specifically designed for babies, toddlers, primary-aged children, and teenagers.

## School holiday program fun

**This October school holiday period features an exciting new event for young people in Kingborough.**

Kingborough Mayor Paula Wriedt said a 'Youth Beat BBQ Bash' event would take place on Friday, October 13 from 1pm - 5pm at the basketball area of Kingston Park.

"This will be a fantastic event featuring a spray art stencil workshop, chalk art competitions and half-court basketball tournament for young people aged 12 and over," Cr Wriedt said.

"Council will also be sponsoring spot prizes, free popcorn and a free BBQ on the day.

"The holiday program is also featuring excursions to

the cinema, mini golf, Richmond maze, Theatre Royal, archery and outdoor laser skirmish."

A bus service is available to pick up young people from suburbs of Kingborough outside of Kingston so that everyone can be involved.

"Young people may also like to try volleyball at the Kingborough Sports Centre or a guided painting session at KIN Creative Space as part of the program," Cr Wriedt said.

"This school holiday's focus is on having fun and having a go with no experience necessary for any of the activities on offer."

For more information and to book, please see Kingborough Council's event page [www.kingborough.tas.gov.au/community-events/](http://www.kingborough.tas.gov.au/community-events/)

MISSION  
AUSTRALIA  
YOUTHBEAT

Nestled amongst a forest of she-oaks a little army of she-oak skins scatter and run in the form of seesaws, slides, and log balancing beams.

Kingston Park's rope forest includes a tail for balancing and gripping and a forest of poles set amidst a forest of trees, strung with ropes and obstacles to challenge and elevate above the ground.

# Busy Kids and School Holidays

Advertising Feature

Adam Bowden is an experienced singer/songwriter with a background in teaching. He is passionate about singing and aspires to bring joy through music. (PS)

## Enhance your singing from the inside out

Adam Bowden discovered his passion for singing and song writing at a very young age and has worked on enhancing and improving his skills in many different forums for over 20 years.

He was a regular performer at his high school and wrote the song which was used in the end-of-year drama production.

He went on to work with a private singing teacher and attended national camps and forums, sharing his singing and gathering new skills and information.

He performed in productions and sang in concerts, talent shows and at local Christmas carols in the Kingborough and Huon Valley.

After studying at the University of Tasmania and singing as a member of the Southern Gospel Choir for two years he completed courses on Music Performance, Music Composition and Voice as part of his degree.

He has completed extensive research and training to

come to understand and apply techniques of singing, to enhance his vocal ability, performance skills and song writing knowledge.

In 2016 he became a primary school teacher and has worked in various southern Tasmania schools since.

In 2020 his first single, *Shelter* was recorded and released, dedicated to his late mother.

Since then, he has gone on to release another single *Alive* and is currently recording his debut album.

"I'm passionate about singing and I aspire to bring joy to people through music," Adam said.

"In 2022 I made it through to the second round of auditions with The Voice Australia and hope to expand this experience further in the future.

"I opened my singing school to help bring joy to people through the skill and experience of singing.

"Let's go on this journey together and work on improving your singing skills, from the inside out.

"Come and try your first lesson today."

## Kindergarten at St Aloysius Catholic College

**At St Aloysius Catholic College your child will be nurtured within a safe and caring environment.**

They cater for children's educational, physical, social, emotional and cultural needs - at St Aloysius, every child is known, valued and cared for.

Kindergarten at St Aloysius Catholic College provides opportunities for children to play with, and alongside other children, be supported in their learning by caring adults, develop personal independence, develop confidence, build social skills and explore their world.

Ideally located just a short walk from Boronia Beach, students and staff find serenity amongst their beautiful surroundings.

Children are encouraged to play and learn outside and gain an understanding and appreciation for

nature.

Their kindergarten program encourages students to develop a love of learning and a desire to be active and caring members of the school community and community at large.

Would you like to know more?  
Visit their website and the college Facebook page.

To start your journey at St Aloysius - fill out the online expression of interest form.

From this, enrolment officer Melissa will be in touch to book an enrolment appointment and personalised tour.

Following this, St Aloysius looks forward to receiving your enrolment enquiry and welcoming your child into the community.

Just a short walk from Boronia Beach, St Aloysius students and staff find serenity amongst their beautiful surroundings. (PS)

# Community giving project launched

A national grant program to further support the needs of rural and regional communities has been launched at the Regional Australia Institute's (RAI) Regions Rising National Summit.

The Elders Community Giving Project will open applications in March 2024 offering grants of up to \$20,000 for grassroots initiatives that will promote sustainable, focused, and long-term change in communities.

Not-for-profit organisations in regional, rural and remote communities including the Kingborough Local Government Area (LGA) are eligible to apply.

Applications must align to one of the following pillars:

- Investing in people and regions
- Environmental consciousness
- Innovation into the future

- Healthy bodies and healthy minds
- Encouraging and celebrating diversity
- Safety first
- People's choice, which will be voted on by Elders employees

The new grant scheme will complement the existing work been done by Elders branches which gave over \$2.69 million in sponsorships and donations in the 2022 financial year.

The announcement comes on the back of the Regional Australia Institute's progress report on the Regionalisation Ambition, released last week which demonstrates several concerning disparities between country Australians and their metropolitan counterparts, particularly in the areas of housing and workforce.

Rural and remote communities including the Kingborough Local Government Area (LGA) are eligible to apply for grants under the recently launched Elders Community Giving Project. (PS)

Grants of up to \$20,000 will be available for grassroots initiatives that will promote sustainable, focused and long-term change in communities. (PS)

# Beyond Blue data

On World Suicide Prevention Day, new data from Beyond Blue shows almost one in three people with a mental health condition that impacts their life are unlikely to reach out for support.

The results of Australia's Mental Health and Wellbeing Check, a survey of more than 5000 people commissioned by Beyond Blue and carried out by the Social Research Centre, reveals the main reasons why people don't reach out.

The research found that 39 per cent of people delay seeking support due to costs and 24 per cent think their problem isn't serious enough.

Overall, 30 per cent of people living with a mental health condition that was impacting their lives were unlikely to seek support from anyone.

Beyond Blue CEO Georgie Harman says the data is concerning given the deep impact of poor mental health and suicide on people, families and communities.

"People need to know accessing support early, before they reach crisis point, can help alleviate stress, worry and isolation, and prevent depression and anxiety from getting worse," Ms Harman said.

"My message is don't wait, don't hesitate."  
"We know people can think their problems are too small or trivial, or they believe they are taking up valuable mental health resources."

"But the impacts of depression, anxiety and emotional stress can be cumulative, and small problems can snowball and become harder to manage."

"Accessing support early for yourself or someone you care about, can prevent problems escalating."

Nearly 80 per cent of people who contacted Beyond Blue's support service reported an immediate reduction in distress, and ongoing feelings of reduced distress two weeks later.

"If you are delaying getting mental health support due to costs, or waitlists, you can reach out to the Beyond Blue support service or join our online community forums," Ms Harman said.

"We are here for you regardless of how big or small the problem feels."

"It's never too soon to seek support."

If you or someone you know needs support, please call Beyond Blue on 1300 224 636 or visit beyondblue.org.au

# A Page from the Past - Kingborough News

Fifty-six years ago the Huon Newspaper Company published *Kingborough News*, a weekly newspaper that circulated from 1967. The below page is taken from *Kingborough News*, September 20, 1973.

Registered at the G.P.O., Hobart, for transmission by post as a newspaper. Cat. A

Incorporating the 'Huon News'

1st Series: Vol. 36 No. 3328. Price 5c; delivered 6c; posted \$3.00 per year.  
2nd Series: Vol. 9 No. 440 — THURSDAY SEPTEMBER 20, 1973.

## SOUTHERN OUTLET ROAD VITAL LINK FOR HUON

TO promote progress in the Southern Districts, the importance of extension of the Southern Outlet Road to Grove has been strongly stressed by the Huon Municipal Association.

The Huon Municipal Association met on Wednesday, September 10 at Huonville. Present were Warden J. H. Skinner (Huon), Chairman, and Crs. I. Short and A. F. Calvert; The Deputy Warden of Esperance Cr. C. E. Smith, Cr. R. E. Sharp and the Council Clerk; Warden D. M. Smith (Cygnet), and Crs. G. Fletcher and R. Whitbread and the Council Clerk, Mr Courtney (Secretary); Warden Young and the Council Clerk, Mr Frake (Bruny). Apologies were received from Warden Thodey and Warden Hodgman.

Lack of information about the route of the Southern Outlet Road, between Sandfly, Lower Longley and Grove, has been a matter of concern to Southern Councils.

It is apparent that rumour is rife but no definite information has been issued by the Public Works Department.

Warden Skinner said it was evident, from the number of enquiries in the Southern Districts for small home sites, that there was a very considerable number of families who would move out of the city to country homes if access to Hobart were improved. So far the Southern Outlet Road

benefitted Kingborough only.

Cr. Calvert said that the development of the South was greatly dependent upon improvement of access to Hobart.

Cr. C. E. Smith pointed out that in the North a network of sealed roads had greatly promoted development.

It was decided, on the motion of Cr. Calvert, that the Premier and the appropriate Minister and such members of Cabinet as are interested be requested to meet the Huon Municipal Association to discuss the route of the Southern Outlet Road from Sandfly to Grove.

### MINIMUM RATE

The meeting also discussed a proposal from Bruny Municipality that the Government be requested to raise the Minimum Permissible Rate, under Section 202 of the Local Government Act, from \$2 to \$10.

It was decided to discuss the matter with the Minister for Local Government and to inform the Tasmanian Municipal Association of this action.

### MAINLAND HOLIDAY

Two Cygnet couples who left by air on Monday, September 10th for a tour of the Eastern States were Mr and Mrs J. B. Harvey and Mr and Mrs J. C. Wills.

They will join a 'Mercury Travel Group' which will take them to many Queensland centres as well as a two-night stay at Daydream Is., before travelling south through N.S.W. and Victoria.

Before joining the tour on Thursday, September 13th, Mr and Mrs Harvey stayed with former Cygnet couple, Mr and Mrs S. G. Merchant at Bathurst, N.S.W.

Mr and Mrs Wills spent three days in Cairns from where the tour begins.

## Postal Service

Warden Skinner said that following a conference with representatives of the Postal Department it had been understood that the out going mail from Huonville would be at 4.30 p.m. Notwithstanding this, the out going mail at Huonville closed at 3.30 p.m., at Cygnet 3 p.m. and at Geeveston 12 noon.

It was decided to make further efforts to secure improvement of the Huon Mail Service. Cr. Smith moved also

so "That the meeting stress the desirability that country telephone users south of Hobart should be local call access to Hobart." The motion was carried.

Warden Young said that South Bruny was able to put a local call to Geeveston but Hobart was a Trunk call. This seemed unreasonable. The same desirability applied to all the Geeveston Telephone Area which includes Cygnet and South Bruny as well as Esperance.

## DOVER'S ENTRANT

DOVER'S entrant in the Miss Huon Quest is Maree Smith (pictured), daughter of Mr and Mrs Cecil Smith of Dover.

Maree is the Huon School Dental Nurse. Her hobbies include Yoga, pottery and netball.

Functions to be held at Dover for the Quest are a Fashion Parade, Car Treasure Hunt, Cabarets, Walkathon, Car Trial and Barbecue, and Dinner Dance to be held at the Dover Hotel on September 22nd.

## WATERWASTAGE ATTACKED

AN irate Cr. Johnson delayed the Kingborough Council's meeting on September 10th demanding to know how the Council could justify even considering a recommendation for water restrictions when the water mains were gushing forth water into the gutters from leaks in the Council main.

The Council was debating water conservation proposals put forward by the Metropolitan Water Board.

Cr. Johnson, a resident of Kingston Beach, however persisted in drawing the Council's attention to breaks in the Council mains along the Kingston Beach Esplanade, Balmoral Rd., Windsor Street and Roslyn Avenue. He demanded an explanation of the five attempts made to repair the water main in Beach Road.

Cr. Johnson stated that he failed to understand how he, a layman, could detect breaks in the main when

no similar report was received from the half a dozen Council vehicles that passed each day.

Cr. Roomes stated that 'money allocated by the Metropolitan Water Board doesn't go far enough' and outlined the problems of having old water mains layed years ago in soils subject to subsidence. He indicated that the only way of completing the problem of a leaking main under these conditions was to put a new main under a new road.

He suggested that Cr. Johnson might be better advised to direct his criticism to the Metropolitan Water Board.

POSITION VACANT

## Southern Employment & Training Network

HUON VALLEY | THE CHANNEL | BRUNY ISLAND

### Local Engagement Officer 0.8FTE

Southern Employment & Training Network (SETN) is part of the Tasmanian Government's Regional Jobs Hub Network. Our mission is to increase employment opportunities, participation, and access to training for people living in the Huon Valley, Channel, and Bruny Island region. Following a period of community connection and consultation, the SETN team is expanding.

**Your opportunity**  
You will provide tailored support to guide jobseekers into meaningful employment, including job coaching, career guidance, and job matching. You will also liaise with employers regarding vacancies and job creation to create sustainable employment within in region.

**Our ideal candidate**

- resides in the Huon Valley or Kingborough municipal areas
- is community minded with good local knowledge
- has proven recruitment experience
- has excellent interpersonal skills
- is able to work autonomously and under own initiative.

**Take the next step**  
To find out more about this exciting opportunity contact Erin van Nieuwkuyk, Executive Officer on 0402 988 946.

**To apply**, please provide a current resume and a cover letter detailing your suitability and why you are interested in this role. For a copy of the Position Description or to submit your application, email us at [info@setn.org.au](mailto:info@setn.org.au). Applications close 6 October 2023.

39D002

New Horizons Tasmania (NHT) recently hosted a multi-sport day, giving their members the opportunity to participate in a range of sports including AFL, basketball, netball, pickleball and volleyball. NHT delivers inclusive sport and recreation programs for people who happen to live with a disability. Labor Member for Franklin Dean Winter was in attendance (third from the left). (PS)

The Kingston Blues Netball Club was awarded the Elise Archer Club Championship for the best performing club at a recent awards dinner. 15 of the club's teams qualified for Grand Finals, with eight of those teams lucky enough to come away with a Premiership. (PS)

Huon Valley Golf Club's Michael Childs was the overall winner of the Brett Johns Memorial Tournament. (PS)

# TIGERS 2023 TSL GRAND FINAL PREVIEW

## A word from the TSL Tigers' Coach Trent Baumeler

Season 2023 has been another year of growth for our football program which has seen us in the fortunate position of finishing on top of the ladder.

This finish was backed up by a strong performance against North Launceston in the Qualifying Final and we have been able to earn the opportunity of a

second consecutive place in the TSL Grand Final to be held at North Hobart Oval on Saturday, September 23. **Go Tigers!**

## Kingborough Tigers players to watch

### Lachie Clifford #1

Lachie has had another strong campaign and leads from the front as captain of the team.

An inside mid with great skills, Lachie was a standout performer in the Qualifying Final and season 2023 also saw Lachie represent Tasmania against the QAFL.

### Ben Donnelly #3

State team full back and Tigers vice-captain, Ben has yet again had a consistent year as leader of our defensive unit.

Ben takes on the best key forwards in the state every week and consistently plays his role.

### Jack Tomkinson #21

Unfortunately Jack missed out on the Tigers finals campaign last year due to injury but has used that disappointment to fuel his 2023 campaign.

A tough, physical ruckman who sets the tone for the Tigers, who also has the ability to push forward and impact the scoreboard.

### Elijah Reardon #6

Elijah has been able to become a swingman for the Tigers this year, adding layers to his game outside of his strengths of run-and-carry and intercept marking.

Spending time in the midfield with an ability to push forward has seen Elijah take his performances to a new level.

Lachie Clifford #1

Ben Donnelly #3

Jack Tomkinson #21

Elijah Reardon #6
