

## Celebrating 40 years

Lyn Johnson has received a certificate from Kingborough Council to thank her for her long career in childcare at the Kingborough Sports Centre (KSC).

Lyn has worked in childminding at KSC for 40 years. She said she had to double-check the dates when told of the celebration, as it didn't seem to have been that long. Lyn's colleagues say she promotes a positive and fun atmosphere in the workplace, and approaches every activity, from dressing up to handling coins, with enthusiasm. Some of the children in childminding at KSC are the children and grandchildren of those Lyn cared for at the beginning of her career.

## Bruny Island Science Fun Day

On Sunday, October 8 the Friends of Bruny Island Quarantine Station hosted their annual Science Fun Day.

The weather was clear and sunny and many families attended and participated in the various Science, Technology, Engineering, Art and Maths (STEAM) activities. The activities were led by hosts from Parks Tasmania, Forest Practises Australia, UTAS Agriculture, Kingborough Cat Management, Hobart Robots, Hobart Hackers, and Friends of Bruny Island Quarantine Station volunteers. More families attended this year than ever before, in part thanks to Inspiring Australia, who provided support to make the event more inclusive. Families and groups arrived throughout the day, and many enjoyed the beautiful surroundings by having picnics on the large, grassed areas on site and exploring the natural environment. The Friends of Bruny Island Quarantine Station thanked the community for providing in-kind support and volunteer time to make the event possible. An estimated 250 people participated from all over southern Tasmania and further afield. See next week's Kingborough Chronicle for photos.

## Fire awareness

Kingborough's 2023 bushfire season has started with the Tasmanian Fire Service declaring fire permits are now required in southern Tasmania. Clean gutters, gutter guards, fireproof landscaping, and vegetation clearing are all helpful ways to prepare your home and property for the threat of bushfires. The *Kingborough Chronicle* has a Fire Awareness feature on pages 14 to 17 with helpful advice from local businesses and organisations.

LETTERS TO THE EDITOR

Algona Road

In reply to Dean Winter's article in the *Kingborough Chronicle* (October 10) about hosting a community meeting for Channel residents about the safety of the Channel Highway.

So many times, I have seen near misses on that road. Could Dean discuss a further reduction of the speed limit or maybe more safety signs along the Road as something needs doing?  
Due to lives being lost on that road over the years.  
Carol Whayman  
Kingston

A haven for young children and families

Dear Editor,  
I offer my full support to Adam Burling's letter to the editor in last week's *Chronicle*.  
The southern end of Blackmans Bay Beach has traditionally been a safe haven for young children and families to have a quiet, safe day at the beach.  
Shallow water, protected from the prevailing south-westerly winds and sea breeze.  
The Council wouldn't approve a dog boarding kennel in residential Blackmans Bay.  
The proposal to allow off-lead dogs on the beach 24/7 is no different.  
The houses in the immediate area are just a road's width away and will be impacted significantly with serious loss of amenities.  
There are only 20-odd parking spaces that are used by residents, tourists, visitors, swimmers, kayakers and fishermen.  
The cul-de-sac will experience serious traffic and parking issues.  
The arguments offered up in support of the proposal from the Kingborough Dog Walking Association are flimsy at best.  
Especially that 'humans already pollute the beach' and that 'owners are very good at picking up.'  
Let's keep this portion of the lovely beach as a safe kids' beach.

# Community bushfire resilience project

On Sunday, October 15 Sparking Conversations, Igniting Action held a bushfire forum for Lesley Vale and Lower Longley at the Sandfly Hall. Sparking Conversations, Igniting Action is a community

bushfire resilience project working across four greater Hobart council areas to provide communities with the support they need to better prepare for and build resilience to bushfires.

Representatives from Kingborough Council, Sandfly Fire Brigade and the Huon Agricultural Society provided attendees with information about bushfire response and safety.

Sparkling Conversations, Igniting Action held a bushfire forum at the Sandfly Hall recently. Information on bushfire safety was presented by Community Resilience Officer and Municipal Recovery Co-ordinator Aby McGuire, Co-ordinator for Community Resilience and Municipal Emergency Co-ordinator Belinda Loxley, Community Fire Officer Chris Salter, Sandfly Fire Brigade Chief Ron Moss, President of the Huon Agricultural Society Lisa Plohl, and Community Resilience Officer Milly Burgess. (PS Carolyn Whitehouse)

# No interest loan support

Kingborough residents who are interested in engaging with the No Interest Loan Scheme (NILS) can visit Senator Catryna Bilyk's office in Kingston.

Senator Bilyk is a NILS Tasmania delivery partner, which means a member of her staff is specially trained to help people on low incomes with their NILS applications.

"Delivered by the Australian Government in partnership with Good Shepherd Microfinance, NILS provides no-interest loans to help people on low incomes get the goods and services they need," Senator Bilyk said.

A NILS loan can provide up to \$2000 for things like car repairs, whitegoods, furniture, computers, out-of-pocket medical expenses or a bond for a rental property.

You can also borrow up to \$3000 to establish a small business.

To query your eligibility, or to make an appointment for help with a loan application, visit Senator Bilyk's office in Kingston Plaza or call 6229 4444.

Visit nilstasmania.org.au for more information about NILS.

# Allens Rivulet dog attack

A dog attack in Allens Rivulet has resulted in the death of a man and serious injury to his partner.

66-year-old Mr Backhouse of Allens Rivulet died of his injuries after being mauled by the family dog.

Also injured in the attack was Mr Backhouse's partner, Karen Anderson, 64.

The couple were home on Sunday, October 15 when their Rottweiler Ruben attacked leaving them with significant injuries to their lower limbs.

Authorities were contacted at 10.40pm by a neighbour who heard the commotion.

Paramedics attended however, Mr Backhouse died at the scene.

Ms Anderson was taken to the Royal Hobart Hospital and is in a serious but stable condition.

Ruben was euthanised on-site by animal management officers from Kingborough Council at the request of attending police.

Tasmanian Police Inspector Colin Riley said that the matter will be thoroughly investigated by the police who will prepare a report for the coroner.

"This incident is very rare," Inspector Riley said. "Our thoughts go out to the family."

# Possum rescue

A possum became stuck next to the staff room speaker at Taroona Primary recently and needed rescuing.

Ash from Bonorong came down and with the help of Ang, Liz, Carmen, Erin and Zac, the possum was removed and released behind the Hub.

Staff think that he came looking for food scraps and fell asleep, only to be woken up by lots of laughing children.

If you need advice or assistance regarding injured or orphaned wildlife, you can contact Bonorong on 0447 264 625.

Bonorong Wildlife Rescue is available 24 hours a day and Tasmania-wide.

The school contacted Bonorong Wildlife Rescue, who are available Tasmania-wide, 24 hours a day, to assist with injured or orphaned native wildlife. (PS)

Staff at Taroona Primary School believe this possum came down to the school looking for food scraps and then fell asleep in a safe spot behind the staff room speaker. (PS)

The possum was released back into the wild behind the Hub at the school. (PS)

## FLOWERPOT

# Channel Highway crash

The Channel Highway near Flowerpot was completely blocked for a time on the morning of October 13 and police asked motorists to avoid the area while a crash was cleared.

A ute towing a horse float crashed necessitating a tow truck to remove the wreck and clear the road.

Luckily neither the driver nor the horse in the float received life-threatening injuries.

## KINGSTON

# Application for planning approval

An application has been made to Kingborough Council regarding 25-27 John Street, Kingston.

The application includes consolidation by subdivision, demolition of dwelling, construction of commercial building (offices), parking and signage.

Existing businesses on the site, a gym and a dog groomer, are to remain.

SOUTHERN OUTLET

# Road works delayed

Road surface repairs on the Southern Outlet scheduled for Thursday, October 19 and Friday, October 20 between 10am and 3pm were delayed. Thursday afternoon after the first day of surface repairs, Kingborough Councillor David Bain posted on Facebook, "following today's traffic delays the Southern Outlet roadworks are no longer going ahead tomorrow as previously planned". There was a reduced speed limit and one lane was closed south of the Olinda Grove overpass in the Hobart-bound direction.

# Fundraiser and cat adoption day

**Spring is here and the team at Southern Tas Cat Rescue (STCR) is getting more enquiries about cats and kittens.**

STCR takes in stray cats, mainly from the Kingborough and Huon areas.

All the cats are cared for in private foster homes and they are always keen to hear from people interested in fostering.

Being part of a fostering group is very rewarding and STCR provides plenty of support.

To help raise funds for food and veterinary costs STCR is holding a fundraising event at

Bunnings Kingston on Sunday, October 29.

As well as a sausage sizzle, there will be cats and kittens looking for new homes.

Handsome boys Orion and Lynx are extremely friendly, inquisitive, and playful kittens.

They follow their carer around the house and are absolute purr machines.

They would love to meet new friends and find their new family.

For more information, please email southertascatreue@gmail.com or contact them via their Facebook page.

## TAROONA

# Massive party shut down

**Police stepped in to shut down a massive high school party in Taroona last week.**

A witness estimated there were over 300 teenagers on scene.

Allegedly the parents of the student who hosted the party were away and unaware of

the party.

At least one partygoer was detained by the police for possession of a knife.

Heavy congestion was reported on the Channel Highway area near Taroona High School.

No charges have been laid at this stage.

# Kingborough votes yes

**Franklin and Clark were the only Tasmanian electorates to return a positive result in the Voice referendum.**

Clark returned a 57.7 per cent Yes, Franklin a 50.2 per cent Yes vote.

These are significantly higher than the third most positive electorate, Bass, which returned

a 38.22 per cent Yes vote.

The national results were 40 per cent Yes to 60 per cent No.

Since 1901 Australia has held 45 national referendums.

Of those only eight have passed.

# Landcare working at Nierinna Creek Reserve

The Tramway Hill Landcare group were at Nierinna Creek Reserve recently with three volunteers doing maintenance work on the reserve.

They worked for eight hours in fine weather and noted the presence of native hens and ducks as well as one regular grey goose.

Stakes and guards were secured on smaller plants at the entry to the reserve.

The volunteers also removed hemlock, great burdock, elderberry, hawthorn, Spanish heath, juvenile ox-eye daisy, scotch thistle, forget-me-not (in flower), blue periwinkle, ivy, and some blackberry from the area and retrieved five golf balls in the process.

A request has been put into Kingborough Council to remove a large gum branch that has fallen over the access area on the southern side of the creek.

The group have notified Kingborough Council of a gum limb down and blocked access to the southern side of the creek. (PS)

# Volunteers needed for the Channel Museum

The Channel Museum is located on the Channel Highway in Margate.

The museum is managed and operated by over 40 volunteers many of them descendants of early settlers. They offer visitors unique insights into the local area,

## Luxury apartment living in Kingston CBD

Enjoy all the bells and whistles of modern living while being only a moment's stroll from all that central Kingston has to offer.

With mountain views on one side and a short stroll down to Kingston Beach on the other, this location allows you to enjoy the best of both worlds.

A top-level, executive-style apartment in a secure complex with quality fittings and fixtures throughout.

The apartment features a beautiful modern open-plan design and sweeping views of Kingston and Mount Wellington.

The gourmet, galley-style kitchen with quality appliances and a fridge included ensures you can always entertain.

The full-length balcony is perfect for alfresco dining or basking in those magnificent views.

All three double bedrooms include built-in or walk-in wardrobes while the master bedroom also has a private ensuite.

The laundry includes a washer and dryer and has ample storage.

The property has a five-star energy efficiency rating, featuring double-glazed windows, LED lighting and quality insulation.

There is security fob access and an internal elevator inside the complex.

Undercover access parking for two vehicles.

Please note that body corporate by-laws do not allow pets at this property.

Debris in gutters acts as kindling for embers. Gutter-Vac Southern Tasmania professionally removes debris. (PS)

## Professionally cleaned gutters in time for bushfire season

Chris and Therese from Gutter-Vac Southern Tasmania recommend homes in bush-fire-prone areas have roof gutters professionally cleaned before summer arrives.

"Debris in gutters acts as kindling for embers to start house fires," said Chris and Therese.

"You don't want full gutters when fires are on the horizon. "Just because we've had a wet winter, we can't be complacent.

"Leaves become tinder-dry over summer."

Bushfire and Natural Hazards Cooperative Research Centre CEO Dr Richard Thornton is quoted in an ABC news article advising the public that any day in an environment where it is dry, where you have high winds, warmer temperatures, and low humidity, will be a day that a fire can start that could potentially

impact communities.

"Residents who live in high-risk areas are urged to put together a fire plan and take practical steps around the home," said Chris and Therese.

"Scarily, 90 per cent of homes lost in a bushfire are lost due to an ember attack, whereby spot fires are ignited by twigs, leaves or bark embers carried by the wind.

"These embers can land in a home's guttering and ignite the property.

"Vacuum cleaning your gutters before bushfire season will ensure that this flammable fuel is removed, and your property is safer.

"It is a busy time for gutter cleaning, so book early and get the job done."

Be proactive and call the gutter cleaning specialists on 1300 654 253.

Pine needles gathered in a roof gutter for four months can be removed during professional cleaning by Gutter-Vac Southern Tasmania. (PS)

LLGS stock a large range of decorative gravels, drainage gravels and road base materials to suit most needs, all helpful in case have a situation where a bushfire is going and embers are falling. (PS)

## Decorative garden gravel

“Fire risk awareness in our area is more prevalent these days than ever before with denser housing in the Kingborough and Huon municipalities,” said Paul Harriss, owner of Leslie Vale Landscape and Gravel Supplies (LLGS).

“We still want our property and gardens to look nice, and the good varieties of bark that were the norm for mulching, are now giving way to decorative gravels as a mulch, because of their ability to not burn.

“Here at LLGS we stock a large range of decorative gravels, drainage gravels and road base materials to suit most needs, all helpful in case we have a situation where a bush fire is going and embers are falling.

“Come and check the gravels out at our Leslie Vale yard, corner of the Huon Highway and Leslie Road, Leslie Vale or phone 6239 6891 for further information.

“The Huon depot is at the Esplanade Huonville, phone 6264 1398.

“Our friendly staff are knowledgeable and well placed to help, as we all live in the local area.

“We want the same result as you; to have your place looking nice but at the same time being safe and practical,” concluded Paul.

## Ember guard your gutters

Ember attack is the most common way houses catch fire.

With the warmer months fast approaching and a hot summer predicted, it's imperative to be aware of the potential fire hazards that come with it.

As bushfire embers can travel for many kilometres, it's essential to take measures to protect your home from fires.

Gutter Protection Solution's ember guard system is an excellent way to prevent leaves and debris from falling into your gutters, building up, and creating blockages, which can pose a potential fire hazard.

The ember guard system comes with a 25-year product and workmanship warranty and is specifically designed to meet all national ember proofing standards.

This CSIRO fire-rated woven aluminium mesh covers the guttering and prevents falling embers from entering

your gutters, potentially causing a fire in the roof.

With the potential dangers of bushfires, it's crucial to take steps to protect your home and keep your family safe.

Owner and operator of Gutter Protection Solutions Mike Smith said the ember guard system has been a game-changer for thousands of clients around Tasmania in protecting their homes against embers.

The ember guard also serves a dual purpose by stopping birds and vermin from entering the gutter system.

“Our clients often tell me that the gutter guard systems we install mean they haven't had to worry about their gutters in years,” Mike said.

By installing gutter guards, you can help prevent fires and keep your family and property safe.

Take action to protect your home today.

With bushfire season coming, ember guard is at the forefront of people's minds. ## Not all ember guards are the same

People call Gutter Knight Tasmania to solve problems like improving tank water quality and keeping invasive birds out of the roof, but right now ember guard is at the forefront of people's minds and rightly so.

Lachlan launched Gutter Knight Tasmania with the loss of homes during the Dunalley bushfires in mind. "When we bought a home in Snug my wife and I wanted a premium gutter guard system for our home because I knew that falling embers were the leading cause of home loss during a bushfire," said Lachlan. "I was unhappy with the products and services available because I know that quality matters very much when it comes to fire protection."

"Fast forward to today and we have Gutter Knight Tasmania, the experts in all things gutter guard."

"Fire embers travel a long way in windy conditions and only quality ember guard will stop them entering the roof cavity."

Gutter guards are not all the same.

"I love serving our community here in Tasmania," says Lachlan.

"I know that with every job we do we leave the home safer and healthier than we found it."

## Bushfires can cause extended power outages

**TasNetworks owns and operates the electricity network in Tasmania.**

With over 15,000 kilometres of powerlines and 232,000 power poles spanning some of Tasmania's most rural and remote areas, their assets are extremely vulnerable to bushfires, which can lead to extended power outages.

While most of the faults that occur on the network are minor and may only affect a customer's supply briefly, during a bushfire and when a Total Fire Ban is declared, TasNetworks takes extra precautions to ensure the network is operating safely.

These precautions include altering processes to ensure power doesn't automatically restore when a fault is detected.

As this process involves a physical inspection of powerlines, which in some areas are hundreds of kilometres long, it may take longer for power to be restored.

Without power, you may not be able to operate cordless phones (including NBN), automatic doors, water pumps and other electrical devices, so it is important to be prepared.

### BEFORE

Prepare a home emergency kit with items such as spare batteries and a charged power bank to ensure radios, phones and torches can be used.

As electric water pumps can't be used if your power supply is interrupted, prepare a generator or diesel-powered or petrol-powered pump instead.

### DURING

Exercise caution when using generators.

Never use a generator inside or try to 'backfeed' your electricity supply.

Keep up to date with current outages on the TasNetworks website or listen to your local ABC Radio station.

### AFTER

Keep an eye out for fallen or damaged powerlines.

Report fallen or damaged powerlines to TasNetworks on 132 004.

If your home or property has been impacted by fire (including by embers and ash) you will need to have your home inspected and certified as safe by an electrician and have any repairs carried out before power can be restored.

Electric shocks from taps or appliances could be a sign of a problem with your home's electrical wiring and should never be ignored.

Report electric shocks to us immediately on 132 004.

Visit [tasnetworks.com.au](https://tasnetworks.com.au) for more information on how to prepare for power outages in the event of a bushfire.

Don't switch off around electricity.

Because bushfires can cause extended power outages, you shouldn't rely on electricity as part of your bushfire survival plan. Report fallen or damaged powerlines to TasNetworks on 132 004. (PS)

## We're helping to prevent bushfires around the state

With bushfire season fast approaching, TasNetworks and our authorised contractors will be entering properties across Tasmania over the coming weeks, to clear trees growing too close to TasNetworks-owned powerlines.

If you see trees growing too close to powerlines, please report them to TasNetworks by visiting [tasnetworks.com.au](https://tasnetworks.com.au) or by calling 1300 137 008.

## Are you prepared for bushfire season

Natural disasters and emergencies can occur at any time, and this summer the risks have been highlighted by the Bureau of Meteorology. Kingborough Acting Mayor Clare Glade-Wright said preparing yourself, your family, and your home will put you in the best position to respond to an emergency. Staying informed and monitoring conditions during the bushfire season will help you decide the best course

of action. "Leaving early is always the safest option," Cr Glade-Wright said. "Don't wait for a warning or a knock on the door." If you are in a high-risk area, near bushland or grassland, that means leaving before there are any signs of fire. Embers can travel up to 40 kilometres ahead of a fire front in high winds and falling trees and smoke can

make driving dangerous. If it has passed the time where it is safe to leave the area or your plan has failed, you may have to shelter at a Nearby Safer Place. These are places of last resort when there is an imminent threat of bushfire. The location of Nearby Safer Places can be found on the TFS and Kingborough websites.

"Evacuation Centres may be set up for people with nowhere safe to go," Cr Glade-Wright said. More information on preparing for the upcoming bushfire season can be found on both the TFS and Kingborough websites [fire.tas.gov.au](https://fire.tas.gov.au) and [kingborough.tas.gov.au](https://kingborough.tas.gov.au) or contact the Kingborough Council's Emergency Management and Community Resilience Team at [em@kingbororough.tas.gov.au](mailto:em@kingbororough.tas.gov.au) or call 6211 8200.

### FIRE DANGER RATINGS

Fire Danger Ratings are used on days when there is a risk of fires and you need to take action.

The higher the fire danger, the more dangerous the conditions and greater the consequences if a fire starts.

### BUSHFIRE PLANS

Making a plan can take as little as 5 minutes and could save your family's life. Paper copies of the plan can also be found at the Council Offices. Kingborough Council Civic Centre, 15 Channel Highway Ph: 6211 8200.

#### PREPARING YOUR PROPERTY

Simple things to do regularly during bushfire season include:

- Keep grass short around your property
- Prune shrubs so they are not too dense
- Clean gutters
- Move wood, mulch and flammable material away from the house

### WARNINGS & ALERTS LEVELS

**ADVICE:** A fire is burning. There is no immediate danger. Stay up to date in case the situation changes. (May also be used to advise that a threat has reduced.)

**WATCH AND ACT:** A fire is burning and conditions are changing. Start taking action now to protect yourself and others.

**EMERGENCY WARNING:** An Emergency Warning is the highest level of warning. You may be in danger and need to take action immediately. Any delay may put your life at risk.

**SMOKE ALERT:** Provides information about smoke from a fire, bushfire or fuel reduction burn that may impact a community or areas of Tasmania.

When a bushfire has started, these warnings will keep you informed.

# Kettering local wows in Queensland

Ewan Mcilwraith from Kettering competed at the Coolangatta Gold in Queensland over the October 14-15 weekend as a solo competitor from Kingston Beach Surf Life Saving Club.

This is a long-distance surf sports event held annually. Another 50 Tasmanian athletes competed over the weekend.

Ewan is a valued cadet member of the club, patrolling over the summer and a keen competitor in surf sports. He competed well and was the first Tasmanian competitor to finish in his Under 15 age group, finishing 17th in Australia. This was Ewan's first time competing at the Coolangatta Gold.

The Knights' wicketkeeper, Travis Walter, had to leave the ground for a while after having a bleeding-nose. He was temporarily replaced by Troy Cornish. Travis took two catches and made 17 runs. Jaxon Thorpe took two wickets from his 10 overs plus one run out. Unfortunately, the Knights could only manage 8-188. (PS Carolyn Whitehouse)

Mackenzie Ford has played 19 games across SFLW, Coates Talent League (Tasmania Devils) and U18 National Championships (Allies). She has been named in the best players on 18 occasions and invited to AFLW Draft Combine on Sunday, October 8, one of five players from Tasmania. (PS CMW photography)

Meg Harrison has played 22 senior games at Kingborough as well as 84 games for the junior club. She has been named in the best players on 11 occasions. (PS CMW photography)

The Kingborough Knights faced Lindisfarne in Round 1 of the Under-18s Boys Roster at Twin Ovals on Sunday. Lindisfarne batted first, scoring 7-318. Tyler Smith bowled four overs for no wickets and made 8 runs. (PS Carolyn Whitehouse)
