Kingston Fire Brigade state championships

Kingston Fire Brigade triumphed at the State Firefighter Championships held in Launceston's Invermay Park recently.

A total of 27 teams competed in the senior and junior sections over two days. Kingston Fire Brigade's juniors finished first place overall for the Junior State Aggregate Award. Their seniors came third place for the Division 2 Aggregate, which meant with juniors and seniors combined Kingston Fire Brigade took out first place for the entire event with the State Aggregate Award.

"Our guys and girls have spent weeks training for the championships and their hard work is evident in their results," Kingston Fire Brigade said. "Even without medals, we would still be proud of their determination and outstanding display of teamwork that we see within our junior and senior members. "Huge congratulations to our teams and to all other brigades around the state for a very fun and successful weekend."

Kingston ferry proposed

Kingston Beach has been nominated as a potential new site for a ferry service.

The Tasmanian Government has identified six possible locations that have been released for public consultation in the River Derwent Ferry Service Masterplan. Lindisfarne, Howrah, Wilkinsons Point, Sandy Bay and Regatta Point have also been nominated as the best places to add ferry services. The masterplan proposes that a ferry service in Kingston Beach may help ease congestion along the Southern Outlet during peak traffic. "Once finalised, the masterplan will guide the expansion of ferry sites and services on the river, mapping out where sites will be and what they

will look like," Premier Jeremy Rockliff said. "Careful analysis of 33 sites from New Norfolk to Woodbridge to Nubeena has determined the locations of six new sites in addition to the existing Hobart and Bellerive locations. "The proposal is based around an expansion of ferry services to be based initially on easing congestion between Hobart's eastern and western shores, before building connectivity along the river." The first ferry expansion proposes to provide direct ferry links to Hobart from Lindisfarne. The next step of expansion would build connections along the river, including between Sandy Bay and Kingston.

From front page
Tasmania Fire Service (TFS) Acting Chief Officer Jeremy Smith said "The championships provide a great opportunity for TFS members to practice their operational skills in a controlled, competitive environment in the lead-up to Tasmania's bushfire season".
"It allows members from neighbouring brigades as well as those from other

regions to establish friendships in a somewhat social setting, strengthening the TFS social fabric."
All the events are designed to simulate a potential scenario that firefighters may encounter in an operational context, both urban and rural.
Most of the equipment used is standard firefighting equipment that is used on a daily basis by TFS brigades.

Digging deep for local fundraiser

Ferry sites feedback

From front page
Minister for Infrastructure and Transport Michael Ferguson said Tasmanians now have the chance to have their say on what the new ferry service sites would look like and what they would include.
“We want to know what would make infrastructure and services at each proposed site attractive and encourage people to use the services,” Mr Ferguson said.
Feedback is open until Monday, January 8, 2024.
Following consultation, more planning will be undertaken, including development of a more detailed timeline and a preferred next site for an expanded network.

Road blockage

On Sunday, November 12 police advised motorists that the Huon Road was blocked at Neika.

A tree completely blocked the road between Fern Tree and the Leslie Vale turn-off.

It also brought down some power lines temporarily interrupting local power.

Motorists were advised to use alternate routes such as the Southern Outlet, Summerleas Road or Leslie Road until the blockage was cleared later that day.

Kingborough mum wins local hero for Tasmania

Founder of Tassie Mums Clair Harris has won the 2024 Local Hero for Tasmania, part of the Australian of the Year Awards.

Clair hopes that through this award she can shine a light on childhood poverty in Australia, particularly in Tasmania.

Supporting children's charities like Tassie Mums can help support some of the state's most vulnerable children.

Tassie Mums began at Clair's kitchen table in Hobart in 2018 to help families with essentials.

The charity now assists more than 1800 children a year with clothing bundles, nappy packs, activity packs, prams and car seats.

Tassie Mums supplies items to 70 social service organisations across the state working with refugees and families escaping domestic violence or being affected by mental health issues and financial stress.

Last year Tassie Mums' winter coat and pyjama drive collected more than 800 coats and vests and

600 pairs of pyjamas to ensure Tasmanian children are warm in winter.

The group also helps schools with new socks and underwear to distribute.

National Australia Day Council CEO Mark Fraser AO CVO congratulated the Tasmania recipients.

"The award recipients for Tasmania remind us we all have greatness within us," said Mark.

"They all share a sense of caring - for others, for the way we see the world, for those in need, for culture and for better futures.

"They've all stepped up to become leaders because they care."

The current Tassie Mum's campaign, Packs of Love, will run over the Christmas period and encourages the community to donate much-needed essential items to support Tassie kids.

Clair will represent Tasmania at the Australian of the Year Awards announcement in Canberra on January 25.

Clair Harris was recently announced as the winner of the Local Hero for Tasmania award. She said she hopes that she will be able to shine a light on childhood poverty in Tasmania. (PS)

The Tasmanian Fire Service (TFS) works with local stakeholders to create and implement bushfire plans and manage the risks associated with bushfire season. (PS)

"Understanding the risks of bushfire and taking steps to mitigate these risks is important for everyone, but especially those living in bushfire-prone areas," said TFS Acting Director of Community Fire Safety Chris Collins.

Knowing your bushfire community protection plan

Do you know what to do when a bushfire threatens your area?

This bushfire season it is important to have a plan and know your options.

Tasmania Fire Service (TFS) works closely with communities, local government, service providers and other government agencies to create community bushfire protection plans and implement bushfire risk management strategies.

Community bushfire protection plans are tailored to individual communities at risk of being impacted by

bushfire, to help people in these areas to prepare their own bushfire plan.

TFS Acting Director of Community Fire Safety Chris Collins said it was important for people to be prepared for when a bushfire threatens their community, regardless of whether they choose to stay and defend their homes or leave early.

"Understanding the risks of bushfire and taking steps to mitigate these risks is important for everyone, but especially those living in bushfire-prone areas," he said.

"We want to make sure people are informed, prepared and ready for when a bushfire threatens."

There are currently 139 community bushfire protection plans in place across Tasmania, with five new plans recently developed for the areas of Smithton, Ridgley, Irishtown and Edith Creek, Geilston Bay - Mornington and Primrose Sands.

Additionally, nine existing plans have been updated in the areas of Margate, Sandfly, Middleton, Rosebery, Lady Barron, Derwent Bridge, Nubeena, Molesworth and Cradle Valley.

Visit the TFS website at www.bushfire.tas.gov.au to see your local area's community bushfire protection plan and learn more about preparing for bushfires.

WEEK ONE

The Southern Voices choir will perform their last concert of the year Sing into Summer on December 3 at the Kingston Community Hall with a fun, family accessible program. (PS)

Madeleine Dyer, who took over conducting the choir in 2022, is passionate about ensuring a range of experiences and opportunities for singers. The choir rehearses at the Kingston Uniting Church on Thursday evenings and always welcomes new members. (PS)

Sing into Summer

Choral Production Tasmania's Kingston-based choir, the Southern Voices, kicks off the festive season in style with its upcoming concert Sing into Summer.

The choir recently took on a new direction in 2022 when energetic choir director Madeleine Dyer took up the conductor's baton.

Madeleine is passionate about offering all singers a range of experiences and opportunities, including quality vocal training, learning various styles and genres and collaborations with other community groups and professional soloists.

They rehearse at the Kingston Uniting Church on Thursday evenings and always welcome new members.

Their end of year performance Sing into Summer will be at the Kingston Community Hall on December 3 and includes contemporary, classical and Christmas repertoire.

They are joined by Lindisfarne-based choir the Lincoln Singers and small chamber groups.

With popular choral hits such as *You Raise Me Up*, *O Holy Night* and Handel's festive *Hallelujah Chorus*, this program is accessible to the whole family.

There will even be a sneak-peak performance from Choral Production Tasmania's major concert planned for early 2024.

Audience members are warmly invited to stay afterwards to socialise and enjoy an afternoon tea provided by the choir.

DEPARTMENT of STATE GROWTH

Lane Closures on Southern Outlet at Dynnryne

The Department of State Growth will be demolishing three properties on Dynnryne Road, Dynnryne, to ensure construction works for the Southern Outlet Transit Lane can commence as planned.

The new Southern Outlet Transit Lane will operate Hobart-bound between Olinda Grove and Macquarie Street. The 'T3' transit lane will be used by buses, private vehicles carrying three or more people, taxis, motorbikes, and emergency service vehicles.

Demolition of three properties has started and is expected to be finished by 20 December 2023. The bulk of the demolition will happen between 7:00am to 6:00pm Monday to Friday and will not affect Southern Outlet traffic.

There will be some noise and dust, but we will ensure impacts are minimised as much as possible.

A 400-metre section of the left hand, Hobart-bound lane on the Southern Outlet (closest to Dynnryne Road) will be closed on the following dates and times:

Thursday 23 November 2023, 6.30pm - 8.00pm

Thursday 30 November 2023, 6.30pm - 8.00pm

Monday 4 December 2023, 6.30pm - 8.00pm.

There will also be a reduced speed limit in place. Road users should allow about 10 minutes extra travel time. Please keep to the posted speed limits and obey traffic management signs.

The closures are to ensure the safety of road users while three properties between the Outlet and Dynnryne Road are demolished in preparation for construction of the Southern Outlet Transit Lane.

DEPARTMENT of STATE GROWTH

Lane Closures on Southern Outlet at Dynnryne

The Department of State Growth will be demolishing three properties on Dynnryne Road, Dynnryne, to ensure construction works for the Southern Outlet Transit Lane can commence as planned.

The new Southern Outlet Transit Lane will operate Hobart-bound between Olinda Grove and Macquarie Street. The 'T3' transit lane will be used by buses, private vehicles carrying three or more people, taxis, motorbikes, and emergency service vehicles.

Demolition of three properties has started and is expected to be finished by 20 December 2023. The bulk of the demolition will happen between 7:00am to 6:00pm Monday to Friday and will not affect Southern Outlet traffic.

There will be some noise and dust, but we will ensure impacts are minimised as much as possible.

A 400-metre section of the left hand, Hobart-bound lane on the Southern Outlet (closest to Dynnryne Road) will be closed on the following dates and times:

Thursday 23 November 2023, 6.30pm - 8.00pm

Thursday 30 November 2023, 6.30pm - 8.00pm

Monday 4 December 2023, 6.30pm - 8.00pm.

There will also be a reduced speed limit in place. Road users should allow about 10 minutes extra travel time. Please keep to the posted speed limits and obey traffic management signs.

The closures are to ensure the safety of road users while three properties between the Outlet and Dynnryne Road are demolished in preparation for construction of the Southern Outlet Transit Lane.

Kingborough with a clean sweep

On Saturday, November 11 Kingborough's premier bowls team continued their winning streak, defeating Brighton 109-54.

Kingborough's Division 1 ladies travelled to Claremont in wet and windy conditions where they were overpowered by the home club, coming away with a disappointing 30-67 loss.

Tony Rowe's rink of Michael Steele, Clinton Seabourne, and Darren Reeve claimed a good two-shot win over Cremorne's, 19-17, whereas Shane Garth's team managed a draw.

Kingborough Division 2 ladies fared better, with all

teams winning to gain a 12-point win.

Pam Rosevear's team of Anne Palmer, Ida Jones and Lyn Cowen had a comfortable 10-shot win.

The Division 2 men played Cremorne at home where they also had a clean sweep of rinks.

Blake Sculthorpe and his rink of Robert McKenzie, Dave Freeman and Allen Sculthorpe had a big win over the Cremorne rink of Kerry Bowerman, winning 14 of the 21 ends played for a 35-14 result.
