

Council contends for AFL centre

Kingborough Council submitted a proposal for hosting the Tasmanian AFL High Performance Centre at the Twin Ovals complex on Wednesday, December 13.

The proposal includes a comprehensive plan to

enhance existing facilities, ensuring they meet the standards required by elite athletes.

Kingborough Mayor Paula Wriedt said Council was excited to present the proposal to the State Government and potentially increase the sporting facilities available

in Kingborough.

"We already have 33 different sporting groups using the Kingborough Sporting Precinct, including the Tasmanian Jack Jumpers, State Gymnastics Centre and Kingston High School," Cr Wriedt said.

"Adding the High Performance Centre into the mix will build on Kingborough's existing high-class facilities and provide a solid venue for the growth of Australian rules football in Tasmania."

Kingborough Council has submitted a proposal to host the Tasmanian AFL High Performance Centre, with support from local stakeholders. President of Kingborough District Cricket Club Jeff Ross joined Kingborough Deputy Mayor Clare Glade-Wright and Kingborough Mayor Paula Wriedt, along with operations manager of Tigers Football Club Michael McGregor, to celebrate Council's submission. It is anticipated a site will be selected in early 2024. (PS)

Kingborough on bushfire index

The Bushfire Exposure Index has launched an interactive map identifying Kingborough as the area with the most dwellings at risk in Greater Hobart.

The online map, created by Geoneon, allows users to enter their address to assess their level of risk.

A total of 1191 dwellings from Glenorchy, Hobart and Kingborough have been identified as exposed to some level of bushfire risk.

The majority of these dwellings, 800, are located in Kingborough. This tool offers four risk levels: moderately high, relatively high, very high and extremely high.

Fern Tree has been identified as the suburb most at risk, with 154 houses identified.

The index is intended not to alarm people, but to help community members prepare for potential bushfires.

The index can be accessed at hobart.geoneon.com/explore-the-map

LETTER TO THE EDITOR

We have a crisis

Dear Editor,

The sight and sound of a young female screaming
abusive threats to five police officers on the Macquarie
Street footpath, mid-afternoon, on Sunday, December 3
as they restrained her on the ground was distressing, to
say the least.

Until the traffic lights changed and we could drive on,
those of us in our vehicles at that location were subject-
ed to a situation that can only be described as horrifying.

This comes hot on the heels of a situation in Kingston

only two weeks earlier during which I was threatened by
a knife-wielding young male.

We have a crisis in Tasmania as a result of spiritually
lost individuals who are feeding their lost lives with
drugs and alcohol and lashing out at the world in anger
in a manner that is rebounding on innocent others, and
on the police, the health and education systems, on the
criminal justice system, on the welfare system, and on
the NDIS.

A whole of society approach to addressing the under-

lying causes of this anti-social behaviour must be
adopted urgently.

And with Christmas only weeks away, it's the perfect
time to reflect on Jesus Christ, who is the reason for the
season, and historically known as the Saviour of the
world; the one who brought God's love and the ministry
of reconciliation to mankind for the sake of peace, unity,
health and happiness.

Kingston Inspector's Christmas message

Kingston Inspector Colin Riley encourages all motorists to do the right thing on the roads this Christmas, as a Toyota Hilux seized in Kingston will be destroyed as part of emergency services road crash rescue training.

"Annually in the Kingston Division, police either clamp or seize approximately 30 vehicles," Inspector Riley said.

"The overwhelming majority of these vehicles are returned to their owners after the period of seizure ends, however, a few are either ordered to be forfeited by the court

or are simply never collected.

"On June 7, a grey Toyota Hilux evaded police in the Huonville area.

"The vehicle was detected crashed at Kingston.

"The vehicle was subsequently seized by police and will now be utilised for road crash rescue training before being scrapped at a local recycling company.

"As we head into the festive season, I implore all motorists to do the right thing on our roads."

Kettering Point
Christmas spirit

Kettering local Harold Thompson said that the
young offenders who vandalised the Kettering
Point track installations came forward with their
parents and replacement decorations.

He said they were very sorry for their actions, and all
were forgiven.

Mr Thompson also advised a correction to last week's
article on page 10.

"Dolphins, not whales, can be seen from the walking
track," he said.

The *Kingborough Chronicle* reported last week
that the Kettering Point track, which is decorated
by community volunteers every year, had been
vandalised. The young offenders came forward to
apologise and replaced the decorations. (PS)

From last week's issue. Blackmans Bay Primary School will have an extensive new mural depicting some of the local birds, such as yellow-tailed black cockatoos. (PS)

Jamin Kluss has been commissioned for the mural and is looking forward to bringing some colour to the grey wall, including the vibrancy of the swift parrot. (PS)

Council's bid backed by sporting groups

From front page

Kingborough Council's application has the backing of stakeholders like the Kingborough Tigers Football and Kingborough District Cricket Clubs, who have both written letters of support for the proposal.

Two new ovals and a new clubroom for the Kingborough District Cricket Clubs included in the proposal would mean that cricket club juniors would no longer need to play home games in Brighton.

"The existing infrastructure combined with our commitment to continual improvement guarantees a world-class facility that will attract athletes from across the nation," Kingborough Mayor Paula Wriedt said.

"We are also confident that our community will be an attractive place for the players and staff, as our appeal extends beyond just the excellent facilities and into the very fabric of our community.

"With the proximity to Hobart, coupled with Kingston's quality of life, including its great schools, pristine beaches and natural environment, we are hoping this proposal makes an attractive offer for the AFL team and its players."

KINGSTON

Demolition Day

Kingston Neighbourhood House (KNH) in Hawthorn Drive is hosting a Demolition Day and Open Day in Maranoo Reserve on Tuesday, January 9 from 11am to 2pm.

The Demolition Day originated from an idea by KNH staff member Liam to showcase some of the youth cadet opportunities that exist with first responder services in Kingborough and surrounding areas.

The Tasmania Fire Service will be demolishing a car to demonstrate the use of hydraulic rescue tools, also known as 'jaws of life'.

"First responders not only provide vital safety support for our community; they are also often volunteers, contributing selflessly to our com-

munity," KNH Manager David Morse said.

"Cadet programs provide interesting and exciting pathways for young people to learn new skills."

KNH will also be hosting an Open Day showcasing some of the community services in Kingston including the Council, Dementia Friendly Tasmania and Saltbush Child and Family Learning Centre.

Sammy the Clown will be in attendance in the childcare centre providing a magic and circus show for the children.

There will be a free barbecue hosted by Kingborough Lions Club and refreshments available.

Kingborough aquatic facility discussion

Kingborough Council endorsed its new Sport and Recreation Strategy in its December 4 meeting.

The strategy includes 23 recommendations like upgrading existing tracks and trails, investigating a sea pool and building a high-quality skate park.

Much of the focus has been on the recommendation to establish a steering committee to explore an aquatic facility in Kingborough.

In February 2021, Kingborough Council reviewed a report that proposed a \$40 million aquatic facility, but they chose not to pursue the project.

Kingborough Councillor and Chair of Council's Sport and Recreation Reference Group Kaspar Deane said he doesn't believe this should be the end of the discussion.

"When we surveyed residents as part of our Sport and Recreation Strategy, an aquatic facility was far and away the number one request from residents," he said.

"As a councillor, it's hard to ignore that level of support." Kingborough resident Amy Robinson and her two daughters support an aquatic facility.

"As a mum with two daughters who love swimming, I think a pool would provide huge benefits to the community," Amy said.

Kingborough Mayor Paula Wriedt expressed concerns

about the construction cost and potential rate increase.

"The community has told us through our Sport and Recreation Strategy engagement survey that many would like to see a swimming pool in Kingborough," Cr Wriedt said.

"I would add a word of caution about the high construction costs of an aquatic centre, as well as the ongoing running costs.

"Most aquatic centres run at a loss.

"It is estimated that an extra three per cent would have to be added to the rates.

"Let's add on a sum of money for the increase in prices since the 2021 report was compiled.

"We're probably now looking at about \$60 million minimum.

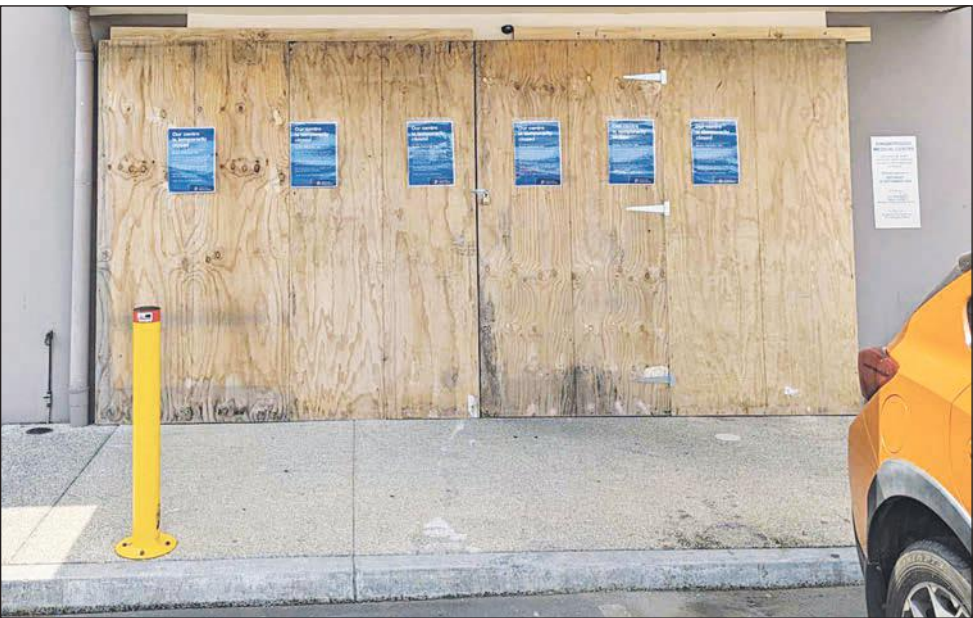

"I am also concerned that as a council we have been trying to secure funding for the Kingborough Sports Centre for many years for the redevelopment because we are literally bursting at the seams there.

"Due to the fact that Kingborough is not a marginal electorate, we cannot get a cent for it."

Councillor Deane said while a facility like this comes with a cost, he is glad Kingborough Council is taking another look.

Chair of Kingborough Council's Sport and Recreation Reference Group, Councillor Kaspar Deane and Kingborough resident Amy Robinson are supporters of the proposed Kingborough aquatic facility. (PS)

A parked vehicle was rammed into the front windows of the Kingborough Medical Centre on Tuesday, December 12 causing significant damage and left at least one person in hospital.

Medical centre closed due to crash

At around 1.40pm on Tuesday, December 12 a car smashed through the front windows of Kingborough Medical Centre on John Street.

The vehicle was parked in front of the medical centre and was impacted from behind by another car with enough force to push it through the windows and into the building.

There were initial reports of multiple injuries on site, however, this was revised by police in a statement some hours later.

A woman who had been trapped under the vehicle was the only serious injury.

She was taken to the Royal Hobart Hospital and was in

stable condition as of 2.30pm Tuesday.

At 5.20pm that evening the Kingborough Medical Centre reported on its website and social media that the staff and doctors were safe and working with emergency services to assist those who required medical treatment.

Doctors and pharmacy staff called patients to redirect them to other local locations to be seen or to purchase medicine.

Staff at the medical centre said people were shaken by the experience but they pulled together to support the patients.

The centre reopened on Monday, December 18.

Staff from the medical centre and pharmacy contacted patients to make alternative arrangements for treatment and medication. The centre was reopened on Monday, December 18.

Kaspar Deane is a teacher and sitting councillor on the Kingborough Council.

Member for Franklin Dean Winter assumed office on May 1, 2021.

Before this, he held the position of Kingborough Mayor.

Tasmanian Labor leader Rebecca White said she was delighted to announce the list as the team is full of extremely talented and passionate individuals.

Protecting your wealth and family

How would you pay your mortgage and meet your other living expenses if your income stopped?

Consider the risks that you face in everyday life, some of which cannot be removed entirely, but we can mitigate their financial impact through personal life insurance products.

If you do not have adequate insurance, an unforeseen death or illness could have severe consequences for you and/or your family.

Here we discuss the four main types of life insurance products to help you financially navigate a crisis.

LIFE

Life insurance is designed to provide a lump sum payment to your family or nominated beneficiary in the event of your death, or in some cases it can provide an early payment if you are diagnosed with a terminal illness.

The payment can allow your family to stay in their home, help provide for your children's education, and give your spouse financial security and the ability to maintain their lifestyle.

TOTAL AND PERMANENT DISABILITY (TPD)

TPD is designed to provide you with a lump sum payment if you are no longer able to work due to an injury or illness.

The payment should provide you with financial security to support your living expenses if the level of cover is correct.

There are two types of TPD insurance:

Own occupation

Own occupation will provide a lump sum if you can no longer work in the field of work in which you are trained and specialise.

Any occupation

Any occupation, which generally costs less, will only provide you with a lump sum if you can no longer work in any occupation that might be suitable based on your training, education and previous employment.

CRITICAL ILLNESS (CI)

CI is designed to provide you with a lump sum payment if you become critically ill and require extensive

medical treatment such as cancer, a heart condition, stroke or major head injury.

The lump sum will allow you to access high-quality medical treatment and cover rehabilitation costs, so you can focus on recovering rather than worrying about your finances.

INCOME PROTECTION (IP)

IP is designed to supplement your income if you are unable to work because of an illness or injury.

IP policies generally cover up to 70 per cent of your gross wage which helps you financially maintain your existing lifestyle and provide for your family while you recover.

Two main features of IP are the waiting period and the benefit period.

Waiting period

This is the amount of time you wait before payments start.

Waiting periods are generally between 14 days and two years.

The longer the waiting period, the cheaper the policy.

Benefit period

This is how long the payments last.

Benefit periods range from one year up to 10 years, or up to a specific age, such as age 65.

The longer the benefit period, the more expensive the policy.

However, your income will be protected for longer.

Finding the right insurance cover for your situation and budget can be difficult and confusing.

If you already have personal insurances in place, it is important that you hold the correct types and levels of cover.

Elevate Wealth can help ensure you have the right insurances in place to protect you and your family's lifestyle and assets.

Highly coveted peninsula position

This 42-acre property stands prominently on an elevated headland overlooking Bruny Island, D'Entrecasteaux Channel and Trial Bay, only 30 minutes from Hobart.

The multi-award winning 'Trial Bay House', acclaimed for its architectural brilliance, offers an unrivalled lifestyle experience. The home redefines spatial elegance by seamlessly integrating the two distinct wings via an enclosed walkway.

Whether for a growing family, hosting guests, or creating dedicated spaces for work and play, this dual-winged design brings unparalleled versatility.

Each bedroom has its own ensuite.

In the second bedroom, this can be found discretely behind what appears to be just a wardrobe door, and both the main and the loft bedrooms have private garden access.

The entertainment-ready kitchen faces out across the manicured lawn to the spectacular Channel views.

Recently added to accommodate guests, the cottage has been meticulously crafted from Shou Sugi Ban charred timber cladding and Corten Steel, which provides a striking contrast against the lush green surrounds.

Fully insulated with double-glazed doors and windows, the extra-large sliding doors open from the spacious combined living area to the concrete deck.

There is abundant water in three dams with a capacity of approximately five megalitres.

The bush is a haven for native animals and birds endemic to the region, like pademelons, echidnas, possums, Tasmanian devils, quolls, bandicoots, eagles, owls and kingfishers.

Recycled convict stone forms a warm thermal mass to enhance productivity in the extensive vegetable garden.

A fully insulated shed is situated near the entrance of the property with a sloped concrete drive, roller door, internal shelving and rotating air vent.

There is a 10-kilowatt solar array with 48 panels plus a Tesla lithium battery.

The Woodbridge School, with its Marine Discovery Centre, services students from kindergarten to grade 12.

An IGA supermarket is in the next village north and Kingston's shopping centres are only 20 minutes' drive.

Kingborough Real Estate Guide

Exciting opportunity

This home provides a unique solution for extended families wishing to be close to Hobart in a quiet environment.

The ground floor is a three-bedroom, one-bathroom older-style home with its main entry at the front of the building. Two of the bedrooms have built-in wardrobes, and the bathroom has a bath, vanity and corner shower with a separate adjacent toilet. There is also a large lounge plus a generously sized kitchen and dining area with incorporated laundry. The back door leads from the kitchen onto a patio with a pergola. Behind this part of the property is the one-bedroom flat with a private entrance. The flat features a large combined living, kitchen and dining area and a bathroom with a bath, vanity and a separate toilet. A path leads from the ground floor carport to the rear of the main building, with a staircase leading up to the entry of the additional upstairs dwelling. This home has two generously proportioned bedrooms, a stunning open-plan living, dining and kitchen area, plus a fabulous mezzanine accessed by a stair-

case in the entrance hallway offering additional living space or a home office. Sliding doors lead out from the dining area onto a private balcony with views towards the city. At the front of the living area, a doorway opens up on a generously sized deck. The kitchen has plenty of storage, practical work surfaces and a generously sized pantry. The bathroom is nicely finished with a bath, vanity and separate shower with a separate toilet and a handbasin positioned just across the hallway. On the grounds, there is a large greenhouse, a garden shed with established garden plantings and a veggie garden. A two-vehicle carport plus off-street parking completes this package. Mount Nelson is popular with families with several nearby schools and colleges, good public transport links as well as walking tracks, a local general store and proximity to the attractions of Hobart, Sandy Bay and the Kingston region. The property is only a ten-minute drive to the Hobart CBD and 25 minutes from the airport.

Blackmans Bay brightens Christmas

Thanks to the generosity of Blackmans Bay Primary School (BBPS) students and families, Christmas will be brighter for locals in need.

On December 7 and 8, BBPS students donated Christmas gifts, decorations and Christmas trees to place under the school's 'Giving Tree' for Jireh House women's refuge.

Jireh House provides 24-hour crisis accommodation and support for local women and children made homeless due to domestic violence and other life crises.

Sadly, there will be a large number of women and children needing to stay at Jireh House during this Christmas season. Sometimes arriving at the shelter with nothing but the

clothes they are wearing, Christmas gifts and decorations are often a luxury they cannot afford.

New Principal Ashley McPherson and his administrative team fully supported the annual gift drive, now in its eighth year.

The overwhelming response from the BBPS community made this year's gift donation drive a great success.

The gift drive has been a simple and very tangible way for students to demonstrate the spirit of Christmas which has a huge impact on the recipients.

The gifts, decorations and Christmas trees will be distributed among the families staying at Jireh House over Christmas.

Chloe and Angus Stevenson helped sort some of the many donated gifts at Blackmans Bay Primary School (BBPS). The gifts, decorations and Christmas trees from the school's 'Giving Tree' will be donated to Jireh House. (PS)

The Lions Club of Kingborough is gift wrapping and selling traditional Christmas cakes at Channel Court to raise funds for the Childhood Cancer Research Foundation. Bev, Hester and Erik are in the Christmas spirit and thankful for the community support already shown.

Edna Pennicott from Kingborough Helping Hands (KHH) accepted a cheque for \$1000 from Channel Men's Shed at the opening of the KHH Sharing Tree fundraiser held at Channel Court Shopping Centre recently. Channel Men's Shed actively supports KHH with their fundraising efforts in addition to preparing meals for distribution to needy residents in Kingborough and the Channel. (PS)

Photos will run in the Kingborough Chronicle newspaper late 2023 and early 2024.

Woodbridge puts on its ice skates

Woodbridge School students Emily Butchart (8) and Andrea “Annie” Butchart (11) with mum Joanna May have overcome the challenge of there no longer being an ice rink in Tasmania to all medals in the Australian Figure Skating Championships, held in Erina, New South Wales.

Since the closure of Glenorchy Ice Skating Rink in May 2022 they have only been able to maintain their skills by travelling to an interstate ice rink to practice.

Initially the family had decided to stop ice skating due to the financial burden of regular interstate travel.

However, a month of being able to regularly skate during a trip to visit family in the UK reignited their passion.

When the chance to audition for the Victorian state synchronised (Vic Synchro) skating teams arose Joanna fully supported her daughters, despite the financial stretch this would cause.

“As a young person I competed in synchronised ice skating teams back in the UK,” Joanna said.

“It was a fantastic opportunity to blend the joy of performing on the ice with the development of teamworking skills.”

Since being accepted to the Victorian teams the skaters have travelled every month, increasing to twice monthly leading up to the championships.

Team coaches Amber Williams and Michelle Coetzee, who have themselves formerly represented Australia, complimented the three skaters on their hard work and dedication.

“Obviously it is not ideal not having the skaters at practice every week, but they have worked really hard in between sessions learning from videos of our training and practicing the moves on roller skates,” they said.

“They are among the most prepared skaters at each session that they attend.”

With team Harmony the girls have won two gold medals in their 2023 qualifying competitions and have culminated the season with a bronze medal at the national championships.

Their performance to music from *The Cat in the Hat* was great fun for both the performers and the audience and received a warm reception.

A special congratulations should be extended to Emily

who was the youngest skater both in her team and in the division.

Emily was nervous of falling and losing points for her team in her first national championship, but she performed with elegance and a big smile throughout.

“It was so much fun,” Emily said.

“I can’t wait to start training again for the 2024 season.”

The adult team, On Edge, which was composed of a mix of recreational adults and former child skaters, performed to an Elvis mix this season and were rewarded with a silver and gold in qualifying competitions followed by a bronze at the national championships.

Annie has been really inspired by watching the Australian national junior and senior teams compete.

“I want to continue doing synchro skating and get better so that I can represent Australia when I am old enough,” Annie said.

“I would like to thank Kingborough Council and Woodbridge School for supporting myself and Emily to attend our interstate competitions during 2023.”

To enable the girls to continue the family are looking for sponsors in the 2024 season.

Woodbridge family Andrea Butchart, Joanna May and Emily Butchart came away with medals in the Australian Figure Skating Championships, despite there not being an ice skating rink in Tasmania for them to practice on. (PS)

From page 39. The Kingborough Knights Second Grade women had better luck in their match against New Town Bucks than their male peers. These Knights defeated the New Town Bucks 4-207 to Bucks’ 2-114. Alyssa Small scored 93 not out but ran out of overs to make a century. (PS Carolyn Whitehouse)

Kingston Crows played Woodbridge Wombats at Kingston Beach Oval in Huon Channel Cricket Association (HCCA) A Grade. The Crows won 131 to Wombats’ 113. Crows’ Cooper Harris was top scorer with 26 from 35 deliveries with just one four and one six. Andrew Kerr (pictured) made a desperate, unsuccessful attempt at a catch on the outfield. The Knights pulled together for a victory in their match against University, winning 9-127 to University's 4-126. Seth Denny took two wickets for nine runs from his four overs. Second Grade women's CTPL match on page 38. (PS Carolyn Whitehouse)

David Pretymman took out the Summer Cup for his second time on December 3, 14 years after his first victory. Pretymman faced a tough competitor in Eli Monaghan, who came close to winning. (PS)

Pretymman winds back the clock

Kingston Beach Golf Club's historic Summer Cup took place on Sunday, December 3.

48 players took on over 36 holes in fine weather on a golf course that was immaculately presented by head greenskeeper Tom Filtness and his team.

The morning round teed off just before 7am and produced some cracking scores by the top contenders.

Tasmania Golf Club's Eli Monaghan continued his good form and carded a one under par 70 that included a double bogey on 16.

Not letting the youngster get too far ahead was David Pretymman, who equalled Monaghan's early morning form, recording five birdies and an eagle to also shoot 70.

Edison Lee from Claremont sat one back of the leading duo, producing a solid 71.

After a 75 in the morning, Lachie Allen caught fire with five birdies in six holes in the middle of his round. Allen had a putt on 18 for round of the day but had

to settle for 69 after his putt slid by.

Kingston Beach Golf Club champion Andrew Isles started strongly in the afternoon with birdies on 2 and 3 to get within one of the lead.

However, Isles' putter let him down from then on, leaving him outside of a podium finish.

With four holes to play in the Cup, Pretymman made a crucial birdie on 14 to go one ahead of Monaghan.

When Pretymman hit a solid tee shot on 18 and had two putts for the Cup it seemed a mere formality, however the usually calm Pretymman faltered to three putt, forcing a playoff.

Back up 18 they went with Monaghan cracking first and finding the left trap with his tee shot.

After Pretymman lagged his birdie putt to tap in range, Monaghan's silky bunker shot to five feet left him with a putt to continue on.

Monaghan's putt slid by and the man who hasn't won the Summer Cup for 14 years was victorious once again.
